Professional Expectations

During this school year, let's keep in mind my expectations to insure that our students get the best possible education we can give them.

You should continue to:

- Demonstrate honesty and courtesy when dealing with all members of the school community and maintain an accurate flow of communication.
- Set high expectations for yourself and your students and actively work to meet those expectations.
- Develop appropriate lesson plans that teach specific objectives, in a sequential manner.
- Provide a challenging, exciting and fun curriculum by the implementation of the K-5 District Expectancies & State Standards.
- Develop small groups in the various curriculum areas that are based upon similarity of need.
- Maximize the utilization of instructional time by insuring that students are continuously "on task".
- Develop a classroom discipline plan that is reasonable and fair. Be consistent in its application.
- Maintain a classroom physical environment that is orderly, clean, and reinforce the goals and expectations you have for your students.
- Utilize effective lesson design – vary your instructional techniques.
- Be punctual in your assigned responsibilities such as meetings, reports, etc.
- Be sure to integrate classroom experience to the real world.
- Expect and accept only quality work in all areas of the curriculum.
- Provide frequent monitoring of students progress with an established monitoring-of-students system (i.e. grade books).
- Provide ongoing opportunities for student self-esteem.
- Strive for communication and parent involvement in the education of our students. Actively seek parent participation in your classroom.
- Provide incentive awards for perfect attendance, citizenship and academic achievement.
- Utilize the Board Policies and SAEA/CSEA/District Agreement as the foundation for professional behavior.

REVISED 7/26/17

Lincoln Elementary Teacher Expectancies

Staff, parents, and students will strive to grow together to better meet the needs of our students. The following teacher expectancies have been developed to share and communicate the vision for Lincoln Elementary School.

Uninterrupted Language Arts and Math Block: Daily directed teaching should take place when delivering instruction. Language Arts instructions should begin no later than 8:10 a.m. and continue until recess. Math instruction should also be an uninterrupted block of minutes as required by the District per grade level. The ultimate goal is to have an integrated curriculum.

Reading: To encourage and support ROAR (Read On Achieve Results), teachers at Lincoln will employ a variety of instructional strategies to emphasize the integration of the following reading components: phonemic awareness, phonics, spelling, grammar, reading comprehension and listening skills. The relationship between reading, writing, and spelling, and listening will also be emphasized content related "Academic language/vocabulary" is a priority for all grade levels materials such as "building vocabulary" is available.

The reading program at Lincoln will consist of daily teacher-directed instruction utilizing the following programs/materials:

1. Open Court Reading 2002 by SRA-McGraw-Hill
2. District created Units of Study

Students will also receive additional support through differentiated, small-group instruction by classroom teacher, co-special ed. teacher and computer based reading programs such as Lexia, Smarty Ants through grade-level appropriate literature, and through supplemental ELD materials by Ballard & Tighe.

Writing: The writing process at Lincoln will entail daily practice in the form of Journals, Proofing (daily language practice), and activities correlated with the reading series. Teachers will also guide students through the steps of the writing process utilizing the District's writing curriculum which systematically addresses the different writing domains and genres.

Math: The math program at Lincoln will consist of daily teacher-directed instruction that will challenge students to explore mathematical concepts in depth. Teachers will prepare students for real-life situations requiring mathematical skills. Activities and lessons will be designed to address the skills specified in the Math Expressions Program, California Math Standards & District expectancies. Students' mathematical knowledge will be reinforced through the integration of tapping prior knowledge, guided practice, the use of manipulatives, direct skill development, and computer based program such as ST Math and the learning of specific facts and problem solving strategies. In addition, parents will receive training so that they too may facilitate their child's understanding and growth in mathematics.

Social Studies / Science: Upon adoption of the new social history / studies series, teachers will utilize the text and accompanying maps and visuals as the core of the program. Content student areas will include: knowledge, cultural understanding, social participation, democratic understanding, and civic values. Students will be taught to design maps and graphs, create timelines, structure outlines, write factual reports, and utilize technology to prepare classroom individual / group presentations. Students will also have access to associated fiction and non-fiction literature. Field trips will also reinforce the history / social studies curriculum.

Science: Teachers at Lincoln will utilize the District adopted McGraw Hill Science Program along with Project Foster to facilitate the implementation of new support NGSS. Accompanying maps, visuals and resource materials are also used with the core program as the core of the program in addition to teacher-created and/or published science materials. Students will be encouraged to formulate hypotheses, make investigations, and arrive at informed conclusions through a variety of whole-class, cooperative group, and individual activities. Integration of science with other curricular areas will reinforce scientific concepts. Field trips will also reinforce the science curriculum.

Technology: The Computer Lab and individual student devices will be utilized to reinforce the core curriculum through a variety of activities such as: word processing, ELD support, Internet research, preparing presentations, extra-curricular clubs, and parent computer classes.

Technology Based Student Support Programs:

- ST Math
- AR
- MyOn
- Lexia
- Smarty Ants

It is imperative that all teachers at all grade levels use these programs both in school and at home weekly to differentiate instruction for purposes of promoting academic growth. SSC will monitor the participation rates for future funding.

Individual Teacher Classroom Funds

This year, our SSC approved \$25 per student to be used for direct student services.

Funds are restricted to the following:

- Release of classroom teacher, to administer individual student assessments, purchase of classroom, instructional materials/supplies, education field trips, technology (printer, Ipads, etc), teacher release for goal conferences with parents and students.

Please note use of funds for clerical tasks are not permitted ie. cums. Please see Edna or Jackie if you have any questions.

Arrival and Dismissal Time: Students should arrive no earlier than 7:15 a.m. Students should line up on their classroom number lines. Teachers should start for the blacktop to pick up children when the bell rings at 7:55 a.m. Students should be in their seats and ready for instruction at 8:00a.m.

School Lunch: No food is to be taken from the lunch area by anyone. The free school lunch program is a federal program and we are responsible for the distribution of food. Even if parents pay for the food, if it is a school lunch, they cannot take it from the lunch area.

Classroom Parties: **PARTIES ARE NOT ALLOWED** during instructional time. Please see Edna or Jackie for prior approval.

LINCOLN ELEMENTARY SCHOOL 2017-2018

First Week of School Checklist

1. Be in your area by 7:50 a.m. on opening day.
2. Teach class how to line up to enter classroom. Remember to get to your line at/or before they line up. Children waiting tend to disregard school rules.
3. **Take roll on AERIES.net and on list and send to the office by 8:30 a.m. On paper list, highlight all present students (Do not mark anything for students who are not present).** Please do not accept any pupil in your class unless he/she is on your class list or you have an admission slip/placement form from the office.
4. Go over Assertive Discipline and Post Classroom Discipline Plan, Attendance Plan (We Beat The Bell) and Homework Policy. Send these plans and policies home. Please ensure that parents sign and return them. Submit a copy to Mrs. Velado and Mrs. Ochoa by August 23, 2017.
6. Post and review
☐ Engagement Strategies poster, ☐ Data Wall ☐ Williams Compliance Poster
☐ Instructional Focus Statement ☐ Daily learning goals/objectives ☐ Emergency Evacuation Procedures
7. Review Uniform Policy with students.
8. Practice Fire and Earthquake Drill. Check evacuation route on the map in your classroom.
9. **Walk grades K - 1 to the restroom and teach proper restroom use.**
10. Constantly reinforce waiting and walking quietly in the hallways and staircases.
11. Students should be encouraged to use restroom at recess and lunch times only to cut down on the students wandering through the halls.
12. Be sure students have **passes** with them whenever you dismiss them from the room to the restroom, library, office, etc. Students sent to nurse's office must have a note. If sending a student to the office for any reason please send them with a note.
13. Walk students to playground area at recess and to the lunch line at lunchtime. Be sure children walk, not run out of the building. Show students the route to the **lunch** area. Also grade level teams walk students to designated dismissal gate (Willits or Front Office) ensuring student supervision at all times.
14. Review Discipline Matrix lunch rules with your students. Review respect for activity supervisors.
15. **First graders should be reminded not to go home after eating lunch as they did in Kindergarten.**
16. Williams Review – Please complete the **Williams checklist**. Due to Jackie by **August 18th, 2017**
17. Write "SAVE" on chalkboard/whiteboard for work you want left for the next day.
18. If you want tables cleaned, be sure not to leave objects in/or on these areas that evening.
19. Please stack chairs and place trash cans by the door every day.
20. Please do not leave your classroom unattended for any reason. Call the office if you have an emergency.
DO NOT LEAVE STUDENTS IN THE CLASSROOM WITHOUT SUPERVISION.
21. **Students SHOULD BE REMINDED THAT THEY WILL NOT BE ALLOWED TO USE THE PHONE IN THE OFFICE, UNLESS IT IS AN EMERGENCY; THEY MUST MAKE ARRANGEMENTS WITH THEIR PARENTS AHEAD OF TIME TO BE PICKED UP AFTER SCHOOL. Everyone must wait at least 15 minutes before they are allowed to use the phone.**
22. A copy of all parent notices going home are to be cleared by Edna or Jackie. Please plan ahead any correspondence going home to allow time to submit and receive approval.
23. Keep in mind copyright laws for viewing movies, videos, DVDs, etc. All videos are to be approved by Edna. They should be tied in with your lesson and written in your lesson plans. Don't show the entire video in one day.
24. Lesson plans are to be turned in to **Karen Buckley** by 4:00 on Fridays or emailed by Saturday PM.
(Karen.Buckley@sausd.us)
25. Bulletin boards in the classroom must be standards based and include student work in the following areas: Data wall, Writing, Language Arts, Word Walls, Math, Content, Art. **Student generated work should be from the current month.** Don't take down a board until you're ready to put one up.
26. Remember students can only be kept 20 minutes after school without parental notification. Anything over 20 minutes requires parental notification and approval.
27. Teachers must remain with their classroom during computer and library time.
28. **Initial in and out each day** on the office roster list, located in the Staff Dev. room

Getting off to a good start helps to ensure a successful year!

ATTENDANCE PROCEDURES (RESPONSIBILITIES & VERIFICATION)

EVERY School Day:

Call roll from the AERIES-net. If a student's name does not appear on AERIES; NOTIFY office immediately in writing by sending a list of names. If you have a student that does not belong to your class please keep student in your classroom and call office until further notice. If the name of a student is in AERIES and the student is not present, keep marking absent until he/she shows. If you verify a reason for no show or reason for leaving let office know immediately.

AERIES Attendance:

- *Take attendance 1st thing in the morning by 8:30 a.m.
 - *If student is present you do not need to mark anything except SAVE
 - *If student is absent: Mark A for Absence unless you have already received a note from office or parent regarding absence then mark appropriate reason.
 - *If you get absence notes from student, please be sure to send it to the office that same day. Be sure to have complete student name/last name, absent date and parent signature. Please write your name on the note. Do not keep the notes in the classroom and send them a month later. Remember, we have to send a attendance report every month to PSS
 - *If you need to update or change a date please, notify office staff.
 - *If a student is late: Mark the appropriate code. Refer to next page for codes. Be sure that when the student is late he/she needs to stop by the office to get a tardy slip. Office staff will change the code in Aeries, from absence to tardy.
- K – means late under 30 minutes
L – means late for medical reasons, ill or doctor's appointment.
Y – means late over 31 minutes

New Students

- ✓ **DO NOT ADMIT any student without a placement form.** Copy of form will be placed in your box.
- ✓ If student's name does not appear on Aeries **notify office immediately** to ensure proper enrollment and attendance.

Leaving Students

- ✓ **BE SURE** to notify parents to contact the office when a student is leaving or will be out for more than 5 days.

When in doubt, CALL the office.

If the office obtains verification of an absence by telephone or otherwise, that message will be placed in your mailbox.

REMINDER: We are audited every year and it could be your class or student's that might be chosen. **Please make sure all notes for absences contain (student's complete name, date of absence, reason for absence and parent signature).** We must attach all notes weekly to the Teacher Sign Off sheets. All records are stored for 5 years.

●Please give students incentives or consequences for not having absence notes in a timely manner. Thank you.

Guidelines

- Report to the office **IMMEDIATELY** any disappearance of a child during the school day
- No child is to be excused for the purpose of leaving the school grounds at any time without written permission from the office.
- **NEVER** let anyone, even a parent, take a child out of your classroom or school unless they have a release slip from the office
- When a child has been absent, please let office staff to contact the home to verify the reason for the absence daily. If a pattern persists, please fill out a home call referral form so that additional home contact can be made. Home call referral slip must be turned in to Cathy's box.

Final Note: Teachers, your attendance roster is the budget. Please keep the attendance up to date on a DAILY BASIS. You are responsible for verifying absences.

Lesson Planning

2017-2018 Guidelines

Lesson Plans are to be based on grade level Common core State standards and on students' needs identified from assessment. We must remember to stay focused on the students demonstrating continuous academic growth. Please remember to post learning objectives and daily schedule. Include Daily:

Language Arts: 2.5 Hours

Open Court

State the objectives and materials (ie. TE pg. #)
or the lesson planner page copied and attached
Workshop-Small group and/or one-on-one instruction

Mathematics: 1 hr.

Saxon Mathematics K-3 and GoMath 4-5

State the objectives and materials (ie. TE pg. #)
or lesson planner page copied and attached
State the directed and/or independent activities

- 1st, 2nd, 3rd, 4th -5th St Math two 45-minute sessions per week
- Kinder two 30 minutes sessions per week

ELD: 35-45 min.

Carousel of Ideas/ Forms and Functions

State the level of the group you work with
State the objectives and materials (i.e. TE pg. #)
State the directed and/or independent activities

*ELD standard(s) Forms/ Functions addressed based on EL levels(Emergent, Bridging, Expanding)
Could include FRONTLOADING for OCR.*

GLAD/Focused Approach strategies should also be stated in plans for all content areas

***Physical Education: 200 minutes every 10 days SAUSD standards- See P.E. ED Code reference sheet**

State the objective(s)/ activity Integrate ELD

Content Area: 20 minutes

(Units may be taught at various times in the year) – 20 Min.

Science

Science Kits & MacMillan/McGraw- Hill (Project Foster Activities)
State the objectives and materials (i.e. TE pg. #)

History/Social Studies Scott-Foresman

State the objectives and materials (ie. TE pg. #)

Health

SAUSD standards
State the objective(s)

GLAD/Focused strategies should also be stated in plans for all content areas.

Thinking Maps, make it fun and engaging for all students!

Per Ed Code.... 200 minutes of Physical Education must be taught every 10 days.

Physical Education:

- 25 minutes X 4 days a week = 100 minutes weekly
- 20 minutes X 5 days a week = 100 minutes weekly
- 34 minutes X 3 days a week = 102 minutes weekly
- C.A.T.C.H.

Physical Activity:

- OC-PICH
 - FIT KID CENTER
 - FIT KITS
- Brain Breaks
- Adventure To Fitness
- PA DVDs
- Playworks
 - Can be used **IF** a certificated teacher is present with the coach

NOTES:

- Padres En Accion CANNOT be used---it is run by parents and/or noon supervisors and usually during lunch.
- Instructional schedule posted on a teacher's website **MUST** show PE as a subject area and be accurate regarding minutes.

Lincoln Elementary School Lesson Plans

Lesson plans are an integral part of the teaching – learning process. They serve three important functions:

1. The classroom teacher goes through the process of organizing, and integrating what is to be taught in a logical sequence with lesson objectives.
2. The evaluator monitors the instructional program to insure a balanced curriculum is being provided and the District Expectancies are met.
3. A substitute teacher has the necessary information to maintain continuity of the instructional program in the regular teacher's absence.

Listed are several elements that should be included in typical lesson plans.

1. Teacher's name
2. Week of:
3. Grade level(s)
4. Classroom number
5. Opening Exercises (Attendance, Flag Salute, Announcements, etc.)-up to 5 minutes
6. Recess-Lunch-Dismissal Times
7. Lesson Times i.e. Reading 120-190 minutes.
8. Groupings
9. Lesson Objectives: CCSS- Common Core Standards
10. E.L.D. Instructions-Carousel of Ideas (Into English) Level and skills to be developed i.e. contractions
11. Composition Writing Weekly/Prompt
12. Literature (Teacher reads to class) and Sustained Silent Reading Time
13. Special Instructional Media (films, arts, science equipment, etc.)
14. Library Schedule
15. Instrumental Music/ Recorders Schedules
16. Title of Textbooks with page numbers for guided and independent practice.
Reference to Teacher Edition and Guides
17. Homework Assignments – Must be aligned w/skills being taught & Board Policy
18. Copy of instructional assistant's lesson plans that have been planned jointly by teacher and assistant. Assistant's name. (Special Education Only)
19. Reference to special events (assemblies, testing, fieldtrips, etc.)
20. P.E. (skill)

This is by no means all that is included in many teachers' lesson plans, but it will serve as a good check list for your consideration and serve as our school expectations.

***Weekly lesson plans are to be submitted to Karen Buckley (office clerk)
by 4:00p.m. each Friday.**

Comparative Data to Inform Instructional Decisions

To help provide context to Measures of Academic Progress® (MAP®) normative percentiles, this document includes multiple **College and Career Readiness (CCR)** benchmarks, including those from ACT® and Smarter Balanced Assessment Consortium (Smarter Balanced)*.

When you're armed with MAP interim assessment data, you're better prepared to meet your students when and where they need you most.

Use the comparative data in the tables below as one of your data points for instructional decision making. While not intended for use as a single placement guide, these data can help inform a variety of programmatic and instructional decisions, including:

- identifying and qualifying students for various instructional strategies
- guiding teachers who do not regularly make decisions on instructional program choices for students
- scheduling and grouping to meet students' learning needs
- screening for special or alternative instruction
- staffing and resourcing

About each chart

- The grade designations represent beginning-of-year grade levels.
- The RIT scores defining each level are separated by 1/2 standard deviation except for the highest level, which is set at the 95th percentile.
- At all levels, consider differentiated instruction, flexible grouping, or tiered instruction.
- As scores ascend, give more consideration to curriculum-compacting, accelerated instructional pacing, and special programs.
- As scores descend, give more consideration to additional instructional time, one-on-one tutoring, use of short cycle assessments, and special programs.

The instructional suggestions in this document are intended to provide initial ideas, not to be an exhaustive list of options.

For many reasons, it is inadvisable to compare performance of a student on one set of test norms to his or her performance on another. The user is strongly advised to use the 2015 norms because they provide the current and most accurate reference for MAP scores. Slight differences from the 2011 norms have been observed, some of which reflect true change in the performance of the students. In addition, evidence indicates three other plausible sources for these differences. School's demographics changed between 2011 and 2015 and may have contributed to differences. Methodological improvements such as a larger and more representative sample, the use of nine (vs five) terms of data, and a new model for estimating growth have made the 2015 norms more accurate. Finally, the varied nature of Common Core State Standards adoption, implementation, and testing appear to have resulted in lower test scores. The sources of these observed differences are the subject of further research.

Instructions for Mid-Trimester Progress Report and Academic Intervention Plan:

There are three ways you can fill out a progress report 1) Fillable Form, 2) Blank Form to be used with mail merge, 3) eForm off of the Elementary Education website under Elementary Forms. The AIPs can be filled out with the blank form or by eForm.

Please fill out Student Name, Teacher, Grade and Date

Because it is a "fillable" form, the teacher may wish to fill out the teacher name, grade level and date and save the form under a different file name so that he/she does not have to fill out this information for each student. Blank forms that can be used with mail merge are also available on the Elementary Education website and were attached to the original e-mail. With the eForm, the information will be pre-populated.

Academic Performance Level:

Please use the drop down screens to indicate the performance level for the areas of Reading, Writing, Math and ELD. Teachers will need to choose whether the student is far below basic, below basic, basic, proficient or advanced in each academic area.

Work Habits:

Use the drop down screens to indicate the performance level on Homework, Behavior and Attendance.

Comments:

Please use the expandable comments section to write comments regarding performance in each academic area based on data. Teachers should include specific information or attach copies of assessments to justify the ratings of their students. Teachers may also wish to include information regarding the interventions that the student is receiving or assistance that would be helpful to receive from the home.

Data Sources to Use to Justify Student Ratings (Use only Assessments Applicable or being Used at Your Site):

Reading:

Foundational Skills Assessment (Kindergarten), MAP—Reading (K-5), DIBELS (K-3), Renaissance Learning, BPST II and Phonemic Awareness (K-2 as needed), GRI, DRA, Standards Based Mini Assessments, OCR Lesson Assessments, and Formative Assessments (Guided Reading Groups, Responses during Close Reads)

Writing:

District Required Writing prompt assessments, Optional Practice Prompts, Mini Standards Based Assessments, Extended Response, Formative Assessments during Writing Time (Interactive Writing, Journal Writing, Writers' Workshop)

Math:

Lesson Assessments, Chapter Assessments, MAP, Extended Response, Formative Assessments (Problem of the Month, Math Talks, Collaborative work), Math Facts, Quizzes

ELD:

CELDT, ADEPT, Carousel of Ideas Assessments, Informal Assessments (Oral Presentations, Group Work)

Your child is at risk of Retention:

Mark only if child is at risk of retention.

Conference Requested by teacher:

Please mark only if you would like to meet with parents.

Academic Improvement Plan Procedures:

- Go to the district website to download the AIP of the specific students that need an improvement plan.
- All information with an asterisk will be pre-populated by the Aeries system.
- The teacher must fill out all other information.
- A designated site administrator will review AIPs every trimester.
- An AIP needs to be completed for students who are at risk of retention no later than 12 weeks after enrollment or the first trimester.
- A parent or guardian needs to sign the AIP at the Parent-Teacher Conference.
- An updated progress report must be sent home six weeks after the initial AIP conference.
- Every child who was retained the previous year **must** have an AIP and mid-trimester progress reports.
- AIPs will need to be reviewed and updated with the parents at the second trimester conference.
- If by the end of May, a student is still at risk of retention, a Board of Review must be completed.
- Examples of instructional goals are below:
 - Juan will obtain a 3 or better on writing assignments.
 - Juan will increase reading fluency to 110 or more WPM by January 201---

Santa Ana Unified School District
Mid-Trimester Progress Reports/Academic Intervention Plan (AIP) Guidelines
2016-2017

Please review the following information regarding progress reports, retention, report cards, and for identifying a student at-risk of retention. It is very important that you read this information carefully, and complete the AIP correctly.

Please remember that report cards with copies of the AIPs are due to evaluator:

- Thursday, December 1, 2016
- Wednesday, March 22, 2017
- Friday, June 16, 2017

A student can only be considered to be at-risk of retention if they are below grade-level standards in one or more core areas on their report card. In order to retain a student, the parents must be informed throughout the year that their child is at risk of retention.

Core Areas

K-2 Reading

3-5 Reading and Mathematics

PLEASE NOTE: Students should demonstrate growth in ELD but cannot be retained due to limited ELD growth. If an EL student is not making progress or declining in proficiency levels in ELD, you should complete an AIP to inform parents of the student's progress and provide appropriate interventions.

Mid-Trimester Progress Reports are to be distributed to parents:

Fall: All first through fifth grade students

Winter: TK-5th grade students who are receiving 1's or 2's or for those with concerns about work habits, study skills or attendance. Any parent who does not receive a progress report should receive a letter from the principal explaining that the student is currently meeting standards.

Spring: Students at risk of retention or below grade level standards.

Important dates for Progress Reports, AIPS & Board of Reviews **Please note due to new calendar, the process for distribution of report cards has changed. See below**

- **Monday, October 3, 2016** – 1st-5th Grade Progress Reports for all students due to evaluator - Send out by Friday, October 7, 2016.
- **November 1 – 4, 2016**—Review AIPs with parents at conferences.
- **Friday, November 18, 2016**—End of Trimester 1.
- **Friday, December 1, 2016** - Report Cards & AIP for all students due to evaluator
- **Friday, December 9, 2016**—send out first trimester report cards.
- **Tuesday, January 31, 2017**— TK-5th Grade Progress Reports for at risk students due to evaluator—Send out by Friday, February 3, 2017.
- **Thursday, March 16, 2017**—End of Trimester 2.
- **Wednesday, March 22, 2017** - Report Cards due & updated AIP due to evaluator - Review with parents at conferences (3/27/17 – 3/31/17).
- **Monday, May 1, 2017**—Progress Reports only for at risk students due to evaluator - Send out by 5/5/17.
- **Monday, May 12, 2017- Friday, June 16, 2017**—Elementary Board of Review Window
- **Friday, June 16, 2017** - Report cards, AIPs, copies of Progress Reports and SSTs due to evaluator.
- **Please keep copies of everything since it will be placed in cumulative folders at the end of the year.**

Dear Parents / Estimados Padres:

The purpose of this Mid-Trimester Progress Report is to inform you of your child's progress in school. Below you will find information about the academic progress your child is making in school. The goal of the progress report is to help you understand your child's current level of performance. If the teacher needs to meet with you, the box at the bottom will be checked. If you have questions about this Report, or if you would like to meet with your child's teacher, please contact the school office for an appointment.

El propósito de este Reporte de Progreso de Medio Trimestre es para informarles sobre el progreso de su hijo/a en la escuela. Abajo encontrarán información sobre el progreso académico de su hijo/a en la escuela. El objetivo del informe es ayudar a entender el nivel actual de su hijo/a de rendimiento. Si el maestro/la maestra necesita una conferencia con ustedes, se lo indicará abajo. Si tienen preguntas sobre este Reporte o si quieren hacer una cita con el maestro/la maestra, por favor llamen a la escuela.

Opportunities to Assess

- Teacher Observations
 - Whole/small group instruction (guided reading groups and work with upper grade decodables)
 - Intervention groups (OCR intervention guide practice or other decoding interventions)
 - OCR Green Section- Word Knowledge Practice
 - OCR Intervention Reading material
 - Practice with roots and affixes to read multi-syllabic words
- Classroom formative assessments designed by teacher(s)
- MAP / *DIABELS*
- Written Tasks
 - Thinking Maps (reading off the maps)

REPORT CARD GUIDELINES

Foundational Reading Standards

Instructional Context

These standards are focused on fostering students' understanding and working knowledge of concepts of print, the alphabetic principle, and other basic conventions of the English writing system. These foundational skills are not an end in and of themselves; rather, they are necessary and important components of an effective, comprehensive reading program designed to develop proficient readers with the capacity to comprehend texts across a range of types and disciplines. Foundational reading skill instruction should be differentiated: good readers will need much less practice with these concepts than struggling readers.

2017 – 2018**

Elementary District Assessments

DIBELS

Description:

The Dynamic Indicators of Basic Early Literacy Skills (DIBELS) are used to measure the acquisition of early literacy skills in grades K-3. They are designed to be short (one minute) fluency measures used to regularly monitor the development of early literacy and early reading skills. DIBELS are comprised of subtests that function as indicators of phonemic awareness, alphabetic principle, accuracy, and fluency with connected text. DIBELS were designed for use in identifying children experiencing difficulty in acquisition of basic early literacy skills in order to provide support early and prevent the occurrence of later reading difficulties.

Required:

TK-3

Rationale on Timing:

In order to measure a year's growth, the assessment occurs at the beginning, middle, and end of the academic year. Intentionally, the assessment occurs after the MAP assessment so that two assessments do not occur at the same time. For best results, the majority of K-3 classes can administer the MAP assessment towards the beginning of the assessment window before the DIBELS window opens.

IDEL

Description:

The IDEL measures take into account the linguistic structure of the Spanish language including the phonology, orthography, and syntax. Like DIBELS, the IDEL measures are based on the same theoretical and evidence-based principles of how children learn to read in alphabetic languages such as English and Spanish.

IDEL is a screening tool that includes instructional recommendations and benchmark goals. It provides teachers with information on student skills in the core components of beginning reading including: phonological awareness, alphabetic principle, accuracy and fluency reading connected text.

Required:

TK-2 Dual

Rationale on Timing:

In order to measure a year's growth, the assessment occurs at the beginning, middle, and end of the academic year. Intentionally, the assessment occurs after the MAP assessment so that two assessments do not occur at the same time. For best results, the majority of K-2 classes can administer the MAP assessment towards the beginning of the assessment window before the IDEL window opens.

ELA/SLA Performance Task Assessment

*replaces ELA Benchmark Extended Response and District Writing Assessment

Description:

SAUSD Performance Task Assessments integrate reading, writing, and language/ELD standards by asking students to read (or view, listen to) 2-3 texts and answer questions (constructed- and selected-response items) that require them to evaluate sources and identify evidence to support ideas. Students are then asked to use more than one of the sources to write a longer informational, opinion, or narrative response to address one of the three writing types. Each Performance Task Assessment (3 per year) will focus on one writing type for which the score will be entered into Illuminate, but the teachers will have access to optional prompts for the other two writing types. The district Performance Task Assessments have been designed to mirror the SBAC Performance Task format with developmentally appropriate modifications for TK-2. The written responses (constructed and full write) will be evaluated using a standards-aligned rubric and will incorporate language considerations from the ELD standards.

Required:

All students TK – 5

Translated Prompts for K - 2

Compatible Prompts in Spanish for 3 - 5

Rationale on Timing:

SAUSD Performance Task Assessments will provide teachers with information about how students are able to comprehend text(s) and use the information from the text(s) to respond to a writing prompt.

The resulting information about students' ability to access text and use it for another purpose, as well as their ability to communicate their thinking, is valuable for identifying literacy strengths and instructional needs, including targeted language instruction. Performance Task Assessments will take place at intervals which allow for responsive instruction while providing information to inform report card marks.

ADEPT

Description:

A Developmental English Proficiency Test (ADEPT) is a diagnostic language assessment which measures an English learner student's ability to comprehend and orally respond using appropriate sentence structure and grammar. ADEPT supports Part II of the ELD standards by assessing a student's language abilities according to a recognized continuum of language structures. The diagnostic information that results from ADEPT allows teachers to identify specific language needs which might hinder students' ability to express their thinking and successfully participate in academic tasks. Armed with a deeper understanding of a student's command of specific English structures, the teacher is better able to foster the student's academic language growth through targeted instruction during integrated ELD as well as designated ELD.

Required:

All English learner students

Rationale on Timing:

Administering ADEPT during the 1st trimester provides the teacher with information to guide instruction for both integrated ELD as well as designated ELD and can guide the teacher's use of scaffolding throughout the day. Administering ADEPT during the 3rd trimester aids in monitoring students' progress in developing English proficiency and can inform the "Made Adequate Progress" item on the report card.

MAP

Description:

NWEA Measures of Academic Progress (MAP) is a computerized and adaptive test that measures academic growth in reading and math. The results are individualized and unique for each student; detailed and accurate information about a student's growth. It provides students with information needed to achieve learning goals. Also, the results inform teachers of students' specific strengths and challenges, and inform instruction in the classroom through the Learning Continuum.

Required:

MAP Math Grade 1 - 5 (Fall administration for TK/K optional)
MAP Reading Grade 3 - 5

Rationale on Timing:

To truly measure one year's growth, the assessment must be given as early in the school year (between the 2nd and 8th week of instruction) and as close to the end of the school year (between the 28th and 36th week of instruction) as possible. The midyear administration, which should be administered between the 16th and 24th week of instruction, provides an indicator of the student's growth during the year, informs instructional decisions and can be predictive of SBAC results.

Math Benchmark Assessment

Description: For the 2017-18 school year, the math extended response assessment will not be administered as it does not align with the new curriculum adoption. A new aligned benchmark assessment will be identified or developed (TBD)

Rationale on Timing:

Depending on the assessment selected, the benchmark will be administered two times during the school year to provide students/teachers/parents with students' mastery of standards.

Naglieri Nonverbal Abilities Test (NNAT)

Description:

The Naglieri Nonverbal Abilities Test provides a nonverbal, culturally neutral assessment of general ability that is ideal for use with a diverse student population for identifying gifted and talented students. The NNAT evaluates problem-solving and visual spatial reasoning skills by asking a series of questions through pattern completion, reasoning by analogy, serial reasoning and spatial visualization exercises.

Required:

GATE identification

Rationale on Timing:

Timing allows classroom teachers a full trimester to decide which students are to be referred for NNAT testing based on classroom performance and observation of GATE characteristics. It also allows for ample time after testing for the preparation of student referrals for identification in the spring.

State Required Assessments

CAASPP - SBAC

Description:

The California Assessment of Student Performance and Progress (CAASPP) administration includes the Smarter Balanced Summative Assessments (SBAC); the California Alternate Assessments (CAAs), including the CAA for Science pilot; and the California Science Tests (CASTs) pilot. The optional primary language test, the Standards-based Tests in Spanish (STS) for Reading/Language Arts (RLA), will be offered in the form of paper-pencil assessments.

Students in grades three through eight and grade eleven take the SBAC for English language arts/literacy (ELA) and mathematics. These tests are administered online and are adaptive. The CAST pilot will be administered to all students (except for those who were administered the CAA for Science pilot) in grades five and eight and to selected students in grades ten, eleven, and twelve.

The CAAs for ELA and mathematics in grades three through eight and grade eleven are individually administered to students who have an individualized education program that indicates the use of an alternate assessment. The CAA for Science pilot will be administered to eligible students in grades five and eight and grades ten, eleven, or twelve.

Rationale on Timing:

Testing shall begin on the day in which 66 percent of the school's annual instructional days have been completed, and testing may continue up to and including the last day of instruction for the regular school's or track's annual calendar.

ELPAC/CELDT

Description:

The English Language Proficiency Assessments for California (ELPAC) has replaced the California English Language Development Test (CELDT). CELDT will still be administered as an initial assessment for the 2017-18 school year only. The ELPAC/CELDT is administered to eligible students in kindergarten through grade twelve. The ELPAC is aligned to the 2012 California English Language Development Standards and is comprised of two separate assessments: one for the initial identification (will start in the 2018-19 school year) of students as English learners (ELs), and a second for the summative assessment (starting in the 2017-18 school year) to measure a student's progress in learning English and to identify the student's level of English language proficiency.

Rationale on Timing:

Initial assessments are administered within 20 calendar days after the student's initial enrollment but not before July 1 of the school year of the student's initial enrollment. Summative assessments are administered during the annual summative window set by CDE.

Early Childhood Education Assessments

Desired Results Developmental Profile (DRDP)

Description:

The Desired Results Developmental Profile measures children's development across the following (8) domains: Approaches to Learning/Self Regulation; Social and Emotional Development; Language and Literacy Development; English Language Development; Cognition (including Math and Science); Physical Development/Health; History/Social Science and Visual & Performing Arts.

The Desired Results Developmental Profile is designed for teachers to observe, document and reflect on student learning, development and progress of children who are enrolled in early care and education programs. The DRDP focuses on the child's behavior, knowledge and skills. To capture a child's behavior, the DRDP incorporates observation in natural settings. The assessment results are intended to be used by the teacher to plan curriculum for individual children and groups of children to guide continuous program improvement.

Required:

All children enrolled in Early Childhood Education programs (3 & 4 year olds)

Rationale on Timing:

The DRDP Pre-Assessment is required to be completed for each child by the 60th calendar day from initial enrollment in the program. The Pre-Assessment creates a baseline for each child, and allows teachers to lesson plan and scaffold instruction according to the needs of the students. The Post-Assessment is to be completed within 6 months of the pre-assessment and allows teachers to measure the year's growth and development for each child across the 8 domains. All results are shared with parents during parent conferences (2x per year).

Foundational Skills Assessment

Description:

The Foundational Skills Assessment is a tool that measures students' skills in the following areas: name recognition, color recognition, matching colors, identification of numerals in random order, counting 1-10, identification of shapes, identification of upper and lower case letters, gross motor skills, fine motor skills (cutting, pre-writing), self portrait and writing/printing of first name.

Required:

All children enrolled in Early Childhood Education programs (3 & 4 year olds)

Students not in ECE are administered the Foundational Skills Assessment prior to starting school TK/K

Rationale on Timing:

In order to measure a year's growth, the assessment occurs at the beginning and end of the school year. Post-Assessment Results are shared with elementary teachers to facilitate appropriate placement of students for Kindergarten. All results are shared with parents during parent conferences (2x per year). Students not enrolled in Early Childhood Education programs are administered (1x) in May or August prior to starting TK/K in the fall. Results are used to form balanced classes and plan instruction.

ST Math at Lincoln

Recommended weekly progress rate: **2.50%**

Adhere to the ST Math schedule:

- ☐ Attend the allotted time each week (60 minutes for K-1 and 90 minutes per week for grade two and up).

Teach students:

- ☐ Procedures and protocols for ST Math time.
- ☐ About ST Math and the Picture Password.
- ☐ The "Think Before You Click" protocol as a way to solve puzzles.
- ☐ How to get started on the games.

Monitor students as they work:

- ☐ Read and use reports to create an intervention plan for each session.
- ☐ Use the onscreen indicators to target which additional students need support.
- ☐ Speak to all students regularly to gather formative assessment data.
- ☐ Facilitate students by using Teacher Mode and asking open-ended questions.

Connect to instruction:

- ☐ Project and play the games with students in the classroom.
- ☐ Discuss math concepts presented in the games, connect them to symbolic representations, and develop mathematical vocabulary.
- ☐ Incorporate ST Math games into lesson plans.
- ☐ Use the visual mathematical models to solve word problems and problems from the textbook with students.

LINCOLN ELEMENTARY 2017-2018
SCHOOL/CLASSROOM DISCIPLINE PLAN

Dear Parents,

In order to guarantee your child and all the students in my classroom, the excellent learning climate they deserve, I am utilizing the following Discipline Plan in my class and throughout the school.

I believe all my students can behave appropriately in the classroom. In order to insure that students behave properly, I will be implementing the following class rules:

GENERAL SCHOOL RULES

1. Students will try their best in their school work.
2. Students will exhibit respect and courtesy for others.
3. Students will respect one another's properly.
4. Students will dress in school uniform and by the district dress code.
5. Absolutely no toys are allowed at school.

CLASSROOM RULES

- 1.
- 2.
- 3.
- 4.
- 5.

IF STUDENT CHOOSES TO BREAK A RULE

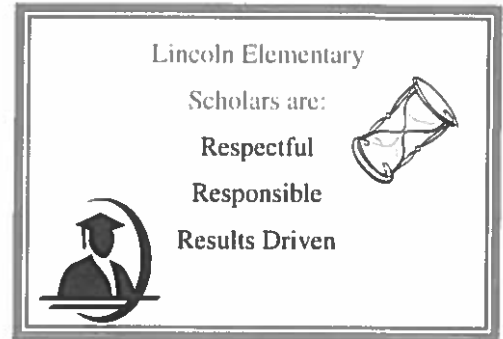

- 1.
- 2.
- 3.
- 4.
- 5.
6. Teacher will document inappropriate behavior and will contact parent(s) if necessary.

STUDENTS WHO BEHAVE WILL EARN

1. Store tickets (red and blue)
2. Extra computer time.
3. Positive notes and phone calls to home.

It is in your child's best interest that we work together in relationship to his/her schooling. Thank you for your help with the discipline program. Please sign below and return that portion to school. If you have any questions or comments, please feel free to contact me.

I have read and understand the discipline plan for your classroom and the school.

PLAN DE DISCIPLINA DE LA ESCUELA Y SALON DE CLASE

Estimados Padres de Familia:

Para poder garantizar en mi salón de clase que sus hijos y sus compañeros tengan un excelente clima de aprendizaje que ellos se merecen, yo voy a implementar el siguiente Plan de Disciplina en mi salón y en toda la escuela.

Yo creo que todos mis estudiantes se pueden comportar adecuadamente en el salón de clase; y para poder asegurar que así sea voy a implementar las siguientes reglas:

REGLAS GENERALES DE LA ESCUELA

1. Los alumnos pondrán todo su esfuerzo en el trabajo que se les asigne en la escuela.
2. Los alumnos deberán mostrar cortesía y respeto con sus compañeros.
3. Los alumnos respetaran todos los artículos propiedad de sus compañeros.
4. Los alumnos vestirán su uniforme escolar de acuerdo al código del distrito escolar.
5. Esta absolutamente prohibido traer cualquier tipo de juguetes a la escuela.

REGLAS DEL SALON DE CLASE

- 1.
- 2.
- 3.
- 4.
- 5.

SI EL ALUMNO DECIDE NO RESPETAR LAS REGLAS

- 1.
- 2.
- 3.
- 4.
- 5.
6. El Maestro documentará cualquier conducta inapropiada y se pondrá en contacto con los padres si lo considera necesario.

LOS ALUMNOS QUE SIGAN LAS REGLAS SE HARAN ACREDITORES A

1. Boleto azul para la tienda (rojo y azul)
2. Tiempo extra en la computadora
3. Notas positivas y llamadas a casa

Es muy importante que trabajemos juntos en la educación de su hijo, ya que es para beneficio. Gracias por su ayuda en el plan de disciplina. Por favor firme la porción de abajo y regrésela a la escuela a la brevedad posible. Si tiene alguna pregunta o comentario, por favor no dude en contactarme.

Yo leí y entendí el plan de disciplina del salón y de la escuela.

STUDENT CONDUCT AND ATTENDANCE POLICY

Bring this form (signed) and returned

CONDUCT WHILE AT SCHOOL

The Education Code and the California Administrative Code set forth duties of pupils concerning their attendance in the public school. As a matter of law, the admittance to and the continued attendance in a public school is a privilege and duty dependent upon compliance with the laws of the State of California, the Rules and Regulations of the State Board of Education and the Rules and Regulations of the Board of Trustees. The pupil's duties are set forth in the following:

STUDENT CODE OF BEHAVIOR.

As a student in the Santa Ana Unified School District, I realize that I have the responsibility to exercise self-discipline so that a good learning environment can be maintained and the rights of all individuals are respected.

I understand that I shall be held responsible for understanding and complying with the **STUDENT CODE OF BEHAVIOR**. I also understand that, should I violate any part of this code, I will be subject to disciplinary action which can include suspension and/or expulsion.

I further understand and agree that I will:

- 1.0 Demonstrate acceptable behavior in the classroom, on the school grounds and on the way to and from school.
- 2.0 Follow all directions of the classroom teacher and other school staff, obey the rules and regulations of each classroom, and avoid disturbing others.
- 3.0 Comply with the school dress code.
- 4.0 Make every possible effort to complete work assigned, make up work missed due to absences, and complete the required course of study.
- 5.0 Attend class on time and every day unless ill or with a valid excuse.
- 6.0 At no time make any threat to commit, attempt to commit, or commit any physical violence against school personnel or other students.
- 7.0 At no time deface, damage, destroy, steal, or litter school district property or the property of other persons.
- 8.0 At no time use profane or vulgar language or make obscene or suggestive gestures.
- 9.0 At no time loiter on or near school grounds.
- 10.0 At no time use, possess, or distribute tobacco, any controlled substance (including marijuana), narcotics, alcohol or intoxicants, weapons, or other contraband on a school campus or at times when I am under the jurisdiction of the school.
- 11.0 At no time possess or distribute "look-alike" drug substances or drug paraphernalia.
- 12.0 At no time participate in any form of "hazing."
- 13.0 At no time bring any form of radio, tape player or recorder, or electronic telephone beeper onto the campus.

CONDUCT AT ATHLETIC GAMES AND SCHOOL-SPONSORED ACTIVITIES

All students are reminded that school-sponsored activities, (athletic games, dances, field trips, etc.) whether at school or off campus, and regardless of time, are under the jurisdiction of the school. All those attending such functions will be expected to follow all school regulations governing proper school conduct which prohibits smoking or drinking. Violation of school regulations will result in disciplinary action.

ATTENDANCE IS IMPORTANT

Regular school attendance is important, because:

1. It contributes toward high achievement and good grades. Other than the parent, the most influential person in reducing absenteeism is the classroom teacher. Working cooperatively, the parent and teacher can positively influence student attendance, behavior and achievement.
2. IT IS THE PARENTS' RESPONSIBILITY TO CALL THE SCHOOL TO CHECK ON THEIR STUDENT'S ATTENDANCE.

The following reasons constitute valid excuse for absence:

- 1) Pupil illness
- 2) Quarantine
- 3) Medical, dental, optometrist, chiropractic appointments.
- 4) Funeral services of member of pupil's immediate family.
- 5) Jury duty

EXTENDED ABSENCES

Parents or Guardians must call the Attendance Office to report any extended absences for any reason. An extended absence is defined as **MORE THAN THREE (3) DAYS**.

SARB

School Attendance Review Board (SARB) diverts students with school attendance or school behavior problems from the juvenile justice system by providing guidance and coordinated community services to meet their special needs. A District SARB is made up of representatives from the district and various youth serving agencies who help a truant or insubordinate student and the student's parent(s)/guardian(s) solve problems by using community resources. If the SARB determines available community services cannot correct attendance and behavior problems, the parent will be referred to Truancy Response Program with the juvenile justice system.

SARBs guarantee students with truancy or school behavior problems a SARB hearing and review, and provide that available school and community resources are exhausted before the student is referred to juvenile court. (Ed. Code, § 48320.)

PLEASE SIGN AND RETURN.

We have read and discussed the attendance and student conduct rules, as well as the provisions for suspension and expulsion.

Subject: Fieldtrip Procedures

1. Pick up forms in workroom
2. Fieldtrip/Bus Request form must be completely filled out.
Example attached: "Trip Destination" be sure to include any side trips such as lunch stops at a park away from original destination. Also include all admission costs.
3. There needs to be a supervision ratio of one adult for 10 students. Make sure you have parent volunteers for your trip.
4. You are responsible for notifying Cafeteria Manager if you need trip lunches or if you need lunches cancelled because students will be taking their own lunches. She needs to know **at least 3 weeks before trip date**. Let Cafeteria Manager know of any changes.
5. Nutrition Services provides each fieldtrip with dedicated ice chests to ensure students lunches are transported and stored at the appropriate temperature until the time of consumption. Ice chests are checked-out prior to departure using the Ice Chest Check-In/Checkout Log with the Cafeteria Manager. Ice chests are checked-out after they have been inspected for damage. The teacher is responsible for any damage to the ice chests while in their possession. The Ice chest must be returned to the cafeteria supervisor by the end of the day.
6. You will be allowed 1 (one) bus per school year for two teachers as long as there is money available.
♦Remember if you have scheduled a bus for 8:00a.m., you should be ready by that time. Buses are more expensive if they are requested to be here any time before 8:30a.m. and if they return to the school later than 1:30p.m. (Best prices if scheduled to leave at 8:30a.m. and return to school site by 1:30p.m.)
7. If you ever need to cancel or change a fieldtrip after it has been processed please notify the office right away, and also call place of trip destination to change any previous reservations. Remember to check the school year calendar next to the mail boxes before you schedule your fieldtrip.
8. Please turn in all fieldtrip requests to Ana for the school year by September 29th. Fieldtrips that cannot be scheduled by this date must be turned in at least 6 weeks before fieldtrip date.
9. Student EXCLUSION: must be approved by principal and discussed with the parents prior to fieldtrip date.

Thank you!!!

Fieldtrips

Teacher Information

1. Fieldtrips should be an integral part of the overall curriculum.
2. Two classrooms must schedule one bus fieldtrip.
3. Appropriate preparation as well as follow-up activities should be incorporated into your classroom lessons.
4. Students may not be asked to pay for any fieldtrip costs. You may ask for donations. No child will be excluded from fieldtrip if unable to make a donation.
5. All fieldtrips, INCLUDING WALKING FIELDTRIPS, require submission of a fieldtrip request form and signed student activity permits.
6. Students are expected to reflect responsible behavior at all times while going to and from a fieldtrip. Good behavior is also expected at all times during the visitation.
7. If a student takes a camera on a fieldtrip, he/she is responsible if it is lost, stolen or broken.
8. It is important to adhere to the specific district fieldtrip timelines to ensure that all necessary arrangements will be made in time. (See Fieldtrip Checklist)
9. **A FILEDTRIP CHECKLIST SHOULD BE TURNED IN TO THE OFFICE BEFORE DEPARTING ON ANY FILDTRIP ALONG WITH PERMISSION SLIPS.**

FIELDTRIP REQUEST GUIDELINES FOR YOUR INFORMATION

After you have made arrangements with the place where you will visit as to the time, date number of visitors, and costs involved, obtain a Fieldtrip Request Form from Leticia. Admission funds requested from the Student Body account need 45 school duty days before the date of the fieldtrip. Forms are sent to the Area Administrator for final approval.

PROCEDURES:

3 weeks prior to fieldtrip

☐ If you plan on taking lunches submit to the cafeteria manager a count only of those students who have a lunch ticket.

☐ Notify parents to help/chaperone. (10 to 1 ratio) Tell them:

- a. Where you will be going
- b. What time you want them to arrive in your class
- c. What time you are scheduled to return
- d. Whether they will need a lunch
- e. What type of clothing is appropriate for the study trip (comfortable shoes)
- f. For insurance reasons parent chaperones are not allowed to bring their children

1 week prior to fieldtrip

☐ Permission slips are required for each child that attends the fieldtrip. These must be pre-approved by the principal before being sent home. Permission slips are left in the office on the day of the trip.

☐ Obtain large cardboard boxes for sack lunches and arrange to borrow one of the school's ice chests for the student's milk.

2 days prior to fieldtrip

☐ Activity permits should be on file in the office two days before study trip.

☐ Assign students in small groups to your chaperones. Each chaperone will need a list of the students in their group. Assigning of "Student Buddy" is also a good idea.

1 day prior to fieldtrip

☐ Count the number of the people going. Check this number with the "Field Trip" form submitted to make sure there will be enough seats available.

☐ Name tags including our school name are very helpful.

Day of fieldtrip

☐ Take attendance on Aeries.

☐ Pick up First Aid Kit.

☐ Pick up lunches.

☐ List students that have been reassigned for the day, if any

_____ in room _____

_____ in room _____

_____ in room _____

☐ Student emergency list to be taken on fieldtrip.

☐ Turn in this checklist in to office.

LINCOLN ELEMENTARY SCHOOL
UNIFORM POLICY/CODIGO DEL UNIFORME

Dear Parents,

The use of school uniforms has a positive effect on the general school environment. It helps students focus on their school work and avoid the distraction of trendy inappropriate apparel. They promote school spirit and the feeling of oneness among fellow students.

For this reason, please make sure that your child wears his/her uniform every day to school.

Thank you for your cooperation and support in implementing the Lincoln Elementary School uniform policy.

- Please call our office at (714) 972-6200 if you have any questions or stop by to pick up a copy of the dress code policy.

Estimados padres:

El uso del uniforme escolar tiene un efecto positivo en los alumnos y en la comunidad en general. El uniforme ayuda a los alumnos a concentrarse en sus estudios evitando distracciones por causa de vestuario inapropiado, a la vez fomenta el compañerismo y el espíritu escolar. Gracias por su cooperación con la implementación del código de uniforme de la escuela Primaria Lincoln.

- *Puede llamar a la oficina al (714) 972-6200 si tiene alguna pregunta o pasar a la oficina a recoger una copia de la póliza de uniformes.*
