This class is aligned with the Project Lead the Way curriculum with the purpose to help your student develop and obtain the necessary skills and knowledge to succeed in their college and career in the 21st century. The course addresses several units and concepts covering Keyboarding, Google Drive, App Inventor, and Python.

Needed Daily Materials for Success:
- Two Sharpened Pencils
- Pencil Sharpener with cover
- Eraser
- Two Pens (blue and RED)

- Charged Chromebooks
-

Course Overview:
The course is divided into multiple units that have specific assignments and assessments measuring your success over the course of the year. Assignments include Homework and Class Work accounting for 85% of the grade; Assessments include Quizzes and Tests accounting for 15% of the grade. Progress reports will be sent home every 6 weeks. It is your responsibility to complete and turn in missed assignments. The following grading scale for all assignments and assessments will be used: **A** (90% and higher); **B** (80-89%); **C** (70-79%); **D** (60%-69%); **F** (59% or lower).
