School Description

James A. Garfield Elementary School (Garfield Elementary) is located on Brown Street, southeast of Santa Ana Boulevard in the "Station District." Garfield Elementary is comprised of TK-5th grades college bound students. In addition, Garfield Elementary hosts a state preschool program on site. There are two morning preschool classes which are open from 8:00 a.m. to 11:00 a.m. and two afternoon sessions which are open from 1:00 p.m. to 4:00 p.m. Parents who meet state requirements are invited to enroll their four-year-old children in the program. We believe that parents are our partners in education and are key to success in school.

Garfield is focused on early literacy skills to propel all students to read on grade level by third grade, while integrating technology through blended and personalized learning. Mathematics instruction is compromised of Cognitively Guided Instruction and the 8 mathematical practices to ensure all student are algebra ready. Garfield is implementing Math Expressions to support CCSS. QTEL strategies are used in conjunction with the ELA/ELD Framework to accelerate English Language Development and learning towards the goal of all EL students to be reclassified as RFEP within 5 years. Garfield is in the early stages of implementing AVID as a system to prepare students for college and career and increase critical thinking skills. Learning outcomes are measured throughout the year using the following assessment, (DIBELS, MAP, Renaissance STAR, ADEPT, CELDT, Performance Task Assessments, and SBAC). These assessments and student artifacts are used to provide responsive instruction to maximize learning.

Garfield is Leading the Way in the 21st Century! - "To Infinity and Beyond!" Next Generation Science and Engineering Standards (NGSS) are a new area of concentration at Garfield. Grade levels are beginning to implement Project Based Learning (PBL) through the Project Lead the Way. From summer enrichment programs, to Saturday Elementary is Engineering sessions with 3rd-5th grade students, Garfield is committed to ensuring that our students are given opportunities, experiences, and programs such as Meet the Masters that are culturally relevant and bring learning to life. Gators are taught to be safe, respectful, and responsible through the implementation of the PBIS framework and Restorative Practices. We are dedicated to developing a Growth Mindset and self management to ensure that students are socially and emotionally well adjusted and prepared for the 21st Century. Garfield is a community of learners preparing its students for college, career, citizenship, and success in the 21st Century.

School Mission:

Garfield Elementary is dedicated to providing a safe, responsible, and respectful learning environment. Students are encouraged to be productive citizens, active participants, and contributors on campus and in our community. Through differentiated instruction and parent involvement, students participate in diverse and innovative experiences, where critical thinking, collaboration, creativity, and communication are fostered. Through collaboration, all stakeholders ensure that students attain competency in the Common Core Standards and 21st Century Skills.

District Mission

We assure well-rounded learning experiences, which prepare our students for success in college and career. We engage, inspire, and challenge all of our students to become productive citizens, ethical leaders, and positive contributors to our community, country and a global society.

District Vision

We will work collaboratively and comprehensively with staff, parents, and the community to strengthen a learning environment focused on raising the achievement of all students and preparing them for success in college and career.

District Profile

Santa Ana Unified School District (SAUSD) is the seventh largest district in the state, currently serving nearly 54,000 students in grades K-12, residing in the city of Santa Ana. As of 2016-17, SAUSD operates 36 elementary schools, 9 intermediate schools, 7 high schools, 3 alternative high schools, and 5 charter schools. The student population is comprised of 87% enrolled in the Free or Reduced Price Meal program, 40% qualifying for English language learner support, and approximately 11% receiving special education services. Our district's schools have received California Distinguished Schools, National Blue Ribbon Schools, California Model School, Title I Academic Achieving Schools, and Governor's Higher Expectations awards in honor of their outstanding programs. In addition, 20 schools have received the Golden Bell Award since 1990.

Each of Santa Ana Unified School District's staff members, parent, and community partners have developed and maintained high expectations to ensure every student's intellectual, creative, physical, emotional, and social development needs are met. The district's commitment to excellence is achieved through a team of professionals dedicated to delivering a challenging, high quality educational program. Consistent success in meeting student performance goals is directly attributed to the district's energetic teaching staff and strong parent and community support.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2017-18)

All textbooks used in the core curriculum throughout Santa Ana Unified School District are aligned to the California Content Standards and Frameworks. Instructional materials for grades K-8 are selected from the state's list of standards-based materials and adopted by the State Board of Education. Instructional materials for grades 9-12 are standards based and approved by the district's Board of Trustees. On September 12, 2017, the Santa Ana Unified School District's Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted Resolution No. 17/18-3200 which certifies as required by Education Code §60119 that for the 2017-2018 school year, the Santa Ana Unified School District has provided sufficient textbooks or instructional materials, or both, that are consistent with the content and cycles of the curriculum frameworks adopted by the State Board, to each pupil including those enrolled in a foreign language or health course, and that sufficient laboratory science equipment applicable to science laboratory courses offered in grades 9-12, inclusive, is available to pupils.

School Facility Conditions and Planned Improvements (Most Recent Year)

School custodial staff and the district's maintenance department work together to ensure classrooms and campus grounds are well-maintained and kept safe and functioning for students, staff, and visitors. Maintenance and Operations (M&O) employs an electronic work order system enabling school staff to communicate unscheduled maintenance needs, urgent repairs, or special projects. Most of the school's repairs and maintenance projects are performed by the district's highly qualified, professional trade specialists. Emergency situations are immediately resolved either by the school custodian or district maintenance staff, based upon the nature of the situation. Day and evening custodians work closely as a team and with the principal for routine maintenance, daily custodial duties, and special events preparations. The principal and day custodian communicate daily to discuss campus cleaning needs and safety concerns. Every morning before school begins, the custodian and principal inspect facilities for safety hazards, graffiti, and other conditions that require removal prior to students and staff entering school grounds. School safety and cleanliness are the custodians' highest priority and strongly emphasized as a component of their daily routines. Custodians are trained by M&O's administrators on proper cleaning procedures, use of chemicals, and use of equipment. The day custodians are responsible for following an established set of cleaning standards and prioritization procedures for general campus maintenance. The day custodian checks restrooms twice a day as a proactive measure in keeping facilities well stocked, safe, and sanitary. The evening custodians are responsible for thorough cleaning of classrooms, office areas, and restrooms. Groundskeepers are dispatched by the district office to perform general maintenance of landscaping, gardening, sports fields, and irrigation systems.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

Students with Disabilities	15	15	100.0	53.3

* Science test results include CSTs, CMA, and CAPA in grades five, eight, and ten. The "Proficient or Advanced" is calculated by taking the total number of students who scored at Proficient or Advanced on the science assessment divided by the total number of students with valid scores. Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2017-18)

Parents are encouraged to get involved in Garfield Elementary School's learning community by volunteering their time, attending school events, or sharing in the decision-making process. The school welcomes assistance in the classroom, library and/or media center on special days. Parents are always invited to help chaperon field trips. Garfield Elementary School provides a wide range of opportunities for parents to become engaged and interact with school staff, while supporting their child and academic efforts; these may include:

- Back to School Night
- Open House
- Student performances
- Fundraisers
- Music/choir and/or theater performances
- Promotion activities
- Student recognition assemblies
- Parent education training and/or workshops with each grade level team
- Parenting support classes provided by Padres Unidos with a focus on 4th and 5th grade parents
- English classes in partnership with Santa Ana College
- Parent workshops on the 40 Developmental Assets through Raising Highly Capable Kids Curriculum
- Technology classes for parents using Google docs.
- Raising the Reader Program
- Site LCAP Meeting
- Kids Run OC
- Meet the Masters Art Program
- Monthly parent meetings

The following campus organizations provide opportunities for parents to have input on curricular programs, activities, and the design of the School Plan:

- School Site Council (SSC)
- English Language Advisory Council (ELAC)
- Parent Teacher Association (PTA)
- Padres en Accion
- Wellness Committee
- Site LCAP Meeting
- Safety Committee
- Padres Unidos

Parents seeking more information about becoming an active member in the school community may contact the principal or TOSA at (714) 972-5300.

School-to-home communication is provided in both English and Spanish. Through routine correspondence and special announcements, parents are kept informed on school news, student activities, schedules, policy changes, and class curriculum updates including the following formats:

- ParentLINK Computerized Phone System
- Email Blasts
- School web site
- Public Service Channel 31 or 51
- School and/or Class newsletters
- Flyers
- Peachjar
- Letters
- School Marquee/Banners
- Twitter

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

The Comprehensive School Site Safety Plan was developed in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school’s most current safety plan was reviewed and updated to address the safety plan components and individual responsibilities during the 2016-2017 school year. Schools are required to forward updated safety plans after review to the District Office annually.

Professional Development provided for Teachers

All curriculum and instructional improvement activities at Santa Ana Unified School District are aligned to the California Common Core State Standards and Frameworks. Staff development concentrations are identified and selected based upon the shift to the implementation of the California Common Core State Standards (CCSS), student assessment results, CORE requirements, teacher input, and state content standards. Areas of focus are aligned with Local Control Accountability Plan. All schools are also being supported in establishing Positive Behavioral Interventions and Supports (PBIS) to support the Conditions of Learning goal.

All staff development activities at Santa Ana Unified School District are focused on increasing early literacy, algebra readiness, EL proficiency, and access to additional curriculum for students and parents. During the 2017-18 school year, our school sponsored Project Lead the Way training for all teachers. Staff training topics included: Implementation of California Common Core State Standards (CCSS) with a focus on the ELA/ELD Framework. Third-fifth grade have attended or are going to attend the AVID Conference. Third-fifth grade teachers are committed to implementing AVID for all.

Garfield is continuing to enhance Multi-Tier Systems of Support (MTSS) with differentiation in Foundational Skills, Positive Behavioral Interventions and Supports (PBIS), and Integration of Technology into Instruction.

Santa Ana Unified School District offers supplemental training and support for new and ongoing program implementation. Additional professional development opportunities take place throughout the school year, after school, and during the summer and generally focus on curriculum, TK-5th grade Reading Academy, TK-5th Grade IMP training, and implementation of Performance Tasks in ELA. During the 2017-18 school year, district training opportunities focused on the following:

At the elementary level -

- Designated ELD Instruction Using ELA/ELD Framework
- Project Lead The Way
- Math Expressions and IMP
- AVID
- Google Apps 3rd-5th
- CORE Reading Academy
- Multi-Tier Systems of Support-Academic and Behavior
- Special Education Support Inclusive Practices Support
- Thinking Maps and Writing
- Performance Task Assessments
- Technology Integration and Blended Learning
- Program Evaluation

Garfield Elementary teachers are supported by district ELA and Early Literacy Curriculum Specialists and our TEC Coach. Teachers are supported in mathematics by our partnership with the Irvine Math Project. Teachers in need of additional support are assisted by our TOSA and Behavioral Specialists.

New teachers and teachers not yet fully credentialed are supported by peer coaching and extensive staff development. The TIPS Induction Program (Teacher Induction and Professional Support) is a state-approved program that offers additional support and assistance to newly credentialed teachers. All new teachers are assigned to a Support Provider (mentor teacher) and provided individualized support over a two-year period. More information about the TIPS Induction Program is available on www.sausdtips.org.

To support veteran teachers as well as new teachers to the district, Santa Ana Unified School District offers Peer Assistance and Review (PAR) which is easily defined as teachers helping teachers. Experienced and knowledgeable veteran teachers, referred to as Consulting Teachers, provide ongoing assistance to teachers who need to improve their instructional skills, classroom management strategies, subject knowledge, and/or related aspects of their teaching performance.

Staff members are encouraged to attend professional workshops and conferences. New teachers, experienced teachers, mentor/ teacher leaders, administrators, and support staff are encouraged to participate in workshops sponsored by the Orange County Office of Education and courses offered by community colleges and universities, and online personalized learning. Classified support staff may receive additional job-related training from vendors, department supervisors, and district representatives.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
