# **School Description**

César E. Chávez High School is located at 2128 South Cypress Avenue in the city of Santa Ana. César E. Chávez High School provides both a learning environment that enhances our students' achievement through a challenging and standards-based curriculum, and the support necessary to promote their social and emotional development. In 2017 César E. Chávez High School received a six-year term of accreditation from the Western Association of Schools and Colleges (WASC). The College Board approved the rigor of our standards-based course offerings to meet four-year university admission requirements. Each year, over 60% of César E. Chávez High School's graduates enroll in institutions of higher learning.

Students from throughout the district who are at least 16 years old enroll at César E. Chávez High School so that they can earn high school course credits at an accelerated pace. The small-school setting allows students the opportunity to participate in a comprehensive, yet individualized program. Currently in operation are many programs for students at risk of graduation, English learners, pregnant minors, teen parents, students with special needs, migrant education students and gifted and Talented students (GATE). Enrollment in the school is arranged through a referral process (RFA) initiated by site administrators at comprehensive high schools for students who are deficient in credits. Pupil Support Services may refer less than 5% of students for inter-district transfers, involuntary placements or readmission from expulsions. Students must complete 220 credits in required courses of study to be able to graduate and receive a high school diploma. These are the same graduation requirements as the other high schools within the Santa Ana Unified School District.

SCHOOL VISION: "Making Students WHOLE," which is an acronym for Well, Happy, Organized, Learned, and Excellent.

The school matrix provides a daily paradigm for every action and interaction between teachers, staff and students. WHOLE is the acronym for Well, Happy, Organized, Learned, and Excellent. We work with students to insure that they are Well. We will help students discover their purpose in life so that they will be Happy. We teach them how to be Organized so that they can work on a plan of study. We insure that they are Learned to achieve academic success. And we teach them the joy of being Excellent which is a natural result of being "WHOLE". Every student is an integral part of the success at César E. Chávez High School; and at César E. Chávez High School, we prove that the WHOLE is greater than the sum of its parts. The greatness of César E. Chávez High School is making students WHOLE. After all, this is a place where eagles soar.

SCHOOL MISSION: The mission of César E. Chávez High School is the holistic, continuous process of making students WHOLE. César E. Chávez High School asserts that an empowering education is possible only within a scholastic context that is safe and therapeutic. Within that context, teacher and students work together to ensure that all efforts are aligned to our two prime directives: To provide and participate in effective and engaging instruction, and to build and maintain positive teacher/student relationships. All of this happens in the context of a "Trauma Informed School Culture" of teachers and staff who understand the importance and impact of insuring that every interaction they have with students is a positive one.

### To that end, César E. Chávez High School is committed to:

- 1. Providing all students a safe, clean and orderly environment with a calming and healing affect (Teachers commit to being an integral member of a "Therapeutic Web").
- 2. Delivering daily instruction that is effective and engaging because it is student-centered, and directly supports the academic efforts of students to achieve their A through G requirements.
- 3. Developing programs that will enhance every student's talents and abilities, including those that have special needs.
- 4. Supporting experiences that promote the multicultural, civic and environmental awareness of students.
- 5. Facilitating and developing opportunities for parents to meaningfully engage in the family dynamics and actions necessary to assist and encourage the success of their students for achieving their college and/or career goals.

District ProfileSanta Ana Unified School District (SAUSD) is the seventh largest district in the state, currently serving nearly 49,300 students in grades K-12, residing in the city of Santa Ana. As of 2017-18, SAUSD operates 36 elementary schools, 9 intermediate schools, 7 high schools, 3 alternative high schools, and 5 charter schools. The student population is comprised of 80% enrolled in the Free or Reduced Price Meal program, 39% qualifying for English language learner support, and approximately 13% receiving special education services. Our district's schools have received California Distinguished Schools, National Blue Ribbon Schools, California Model School, Title I Academic Achieving Schools, and Governor's Higher Expectations awards in honor of their outstanding programs. In addition, 20 schools have received the Golden Bell Award since 1990. Each of Santa Ana Unified School District's staff members, parent, and community partners have developed and maintained high expectations to ensure every student's intellectual, creative, physical, emotional, and social development needs are met. The district's commitment to excellence is achieved through a team of professionals dedicated to delivering a challenging, high quality educational program. Consistent success in meeting student performance goals is directly attributed to the district's energetic teaching staff and strong parent and community support.

### About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <a href="https://www.cde.ca.gov/ta/ac/sa/">https://www.cde.ca.gov/ta/ac/sa/</a>.
- For more information about the LCFF or LCAP, see the CDE LCFF web
  page at <a href="https://www.cde.ca.gov/fg/aa/lc/">https://www.cde.ca.gov/fg/aa/lc/</a>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

Students with Disabilities	4.9					
Foster Youth	1.2					

# A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Credentials									
César E. Chávez High School	16-17	17-18	18-19						
With Full Credential	17	17	17						
Without Full Credential	0	0	0						
Teaching Outside Subject Area of Competence	0	0	0

<sup>\*</sup>Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

# Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2018-19)

All textbooks used in the core curriculum throughout Santa Ana Unified School District are aligned to the California Content Standards and Frameworks. Instructional materials for grades K-8 are selected from the state's list of standards-based materials and adopted by the State Board of Education. Instructional materials for grades 9-12 are standards based and approved by the district's Board of Trustees. On October 9, 2018, the Santa Ana Unified School District's Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted Resolution No. 18/19-3253 which certifies as required by Education Code §60119 that for the 2018-2019 school year, the Santa Ana Unified School District has provided sufficient textbooks or instructional materials, or both, that are consistent with the content and cycles of the curriculum frameworks adopted by the State Board, to each pupil including those enrolled in a foreign language or health course, and that sufficient laboratory science equipment applicable to science laboratory courses offered in grades 9-12, inclusive, is available to pupils.

Year Adopted	High School Textbook Publisher					
	Mathematics					
2017	CPM Math	9-12				
2008	McDougal Littell, Precalculus with Limits: A Graphing Approach	9-12

2006	McDougal-Littell The Americans - Reconstruction to the 21st Century	9-12				
2006	Glencoe/McGraw-Hill, Psychology – Understanding Psychology	9-12				
2006	Holt. Sociology – The Study of Human Relationships	9-12				
2006	Oxford University, Mexican American Studies – The course of Mexican History	9-12				

## School Facility Conditions and Planned Improvements (Most Recent Year)

School custodial staff and the district's maintenance department work together to ensure classrooms and campus grounds are well-maintained and kept safe and functioning for students, staff, and visitors. Maintenance and Operations (M&O) employs an electronic work order system enabling school staff to communicate unscheduled maintenance needs, urgent repairs, or special projects. Most of the school's repairs and maintenance projects are performed by the district's highly qualified, professional trade specialists. Emergency situations are immediately resolved either by the school custodian or district maintenance staff, based upon the nature of the situation. Day and evening custodians work closely as a team and with the principal for routine maintenance, daily custodial duties, and special events preparations. The principal and day custodian communicate daily to discuss campus cleaning needs and safety concerns. Every morning before school begins, the custodian, principal, and assistant principal inspect facilities for safety hazards, graffiti, and other conditions that require removal prior to students and staff entering school grounds. School safety and cleanliness are the custodians' highest priority and strongly emphasized as a component of their daily routines. Custodians are trained by M&O's administrators on proper cleaning procedures, use of chemicals, and use of equipment. The day custodians are responsible for following an established set of cleaning standards and prioritization procedures for general campus maintenance. The day custodian checks restrooms twice a day as a proactive measure in keeping facilities well stocked, safe, and sanitary. The evening custodians are responsible for thorough cleaning of classrooms, office areas, and restrooms. Groundskeepers are dispatched by the district office to perform general maintenance of landscaping, gardening, sports fields, and irrigation systems.

School Facility Good Repair Status (Most Recent Year) Year and month in which data were collected: 7/5/2018									
System Inspected	Repair Status	Repair Needed and Action Taken or Planned							
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good

# **B. Pupil Outcomes**

# **State Priority: Pupil Achievement**

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

2017-18 CAASPP Results for All Students									
	Percent of Students Meeting or Exceeding the State Standar (grades 3-8 and 11)								
Subject	Sch	ool	Dist	rict	State				
	16-17	17-18	16-17	17-18	16-17	17-18			
ELA	3.0	3.0	31.0	32.0	48.0	50.0			
Math	1.0	1.0	25.0	26.0	37.0	38.0			

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the

total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3—Alternate) on the CAAs divided by the total number of students who participated in both assessments.

<b>CAASPP Test Results in Science for All Students</b>									
		Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)							
Subject	Sch	ool	Dist	trict	State				
	16-17	17-18	16-17	17-18	16-17	17-18			
Science	N/A	N/A	N/A	N/A	N/A	N/A			

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

# **State Priority: Other Pupil Outcomes**

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

Pupil outcomes in the subject area of physical education

School Year 2017-18 CAASPP Assessment Results - English Language Arts (ELA)  Disaggregated by Student Groups, Grades Three through Eight and Eleven									
Student Group Total Number Percent Percent Enrollment Tested Tested Met or Exc									
All Students	247	234	94.74	2.56

Socioeconomically Disadvantaged	215	203	94.42	2.46					
English Learners	118	112	94.92	0.89					
Students with Disabilities									
Students Receiving Migrant Education Services									
Foster Youth									

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

#### School Year 2017-18 CAASPP Assessment Results - Mathematics Disaggregated by Student Groups, Grades Three through Eight and Eleven Number Total Percent Percent **Student Group Enrollment Tested Tested Met or Exceeded** 233 1.29 All Students 247 94.33 Male 157 150 95.54 2 Female 90 83 92.22 0 **Hispanic or Latino** 243 229 94.24 0.87 White Two or More Races Socioeconomically Disadvantaged 203 93.98 0.99 216 119 94.96 **English Learners** 113 0 Students with Disabilities \_\_ **Students Receiving Migrant Education Services**

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3—Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

# C. Engagement

**Foster Youth** 

# **State Priority: Parental Involvement**

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

Efforts the school district makes to seek parent input in making decisions for the school district and each school site

### Opportunities for Parental Involvement (School Year 2018-19)

Parents are encouraged to get involved in César E.Chávez High School's learning community by volunteering their time, attending school events, or sharing in the decision-making process. There is an active parent leadership group which formally meets weekly. Parents are always invited to help chaperone field trips. César E. Chávez High School provides a wide range of opportunities for parents to interact with school staff while supporting their child's academic efforts. These may include:

- Back to School Night
- Open House
- Student performances
- School Site Council
- Career Speaker's Forum
- Field Trips
- Graduation activities
- Student recognition assemblies
- Academic and college advisement
- Parent education training and/or workshops

The following campus organizations provide opportunities for parents to have input on curricular programs, activities, and the design of the School's Plan:

- School Site Council
- School Safety Committee
- English Language Advisory Council
- WASC's Parent Focus Groups

A Parent Leadership Group meets every Friday at 10:00 a.m. and is coordinated by the school's Community Liaison. Parents seeking more information about becoming an active member in the school community may contact the school at (714) 430-5700.

School-to-home communication is provided in both English and Spanish. Through routine correspondence and special announcements, parents are kept informed on school news, student activities, schedules, policy changes, and class curriculum updates including the following formats:

- Blackboard Automated Phone Messaging System
- School web site and/or Parent Portal
- Public Service Channel 31 or 51
- School and/or class newsletters
- Flyers
- Letters
- School Banners
- New Student Orientations

# **State Priority: School Climate**

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- · Pupil expulsion rates; and
- Other local measures on the sense of safety.

### **School Safety Plan**

The Comprehensive School Site Safety Plan (CSSP) was developed in collaboration with law enforcement and the district office to fulfill Senate Bill 187 requirements. The school's most current plan is reviewed and updated to address safety, security and emergency preparedness. Schools are required to review and update their Comprehensive School Safety Plan (CSSP) with their School Site Councils and/or Safety Committees. Each School Safety Plan is forwarded to the District Office for review annually.

Suspensions and Expulsions								
School 2015-16 2016-17 20								
Suspensions Rate	2.7	2.4	0.9					
Expulsions Rate	0.0	0.3	0.4					
District	2015-16	2016-17	2017-18					
Suspensions Rate	3.0	3.1	3.1					
Expulsions Rate	0.1	0.1	0.0					
State	2015-16	2016-17	2017-18					
Suspensions Rate	3.7	3.7	3.5					
Expulsions Rate	0.1	0.1	0.1					

### D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

Academic Counselors and Other Support Staff at this School							
Number of Full-Time Equivalent (FTE)							
Academic Counselor	1						
Counselor (Social/Behavioral or Career Development)	1						
Library Media Teacher (Librarian)	0						
Library Media Services Staff (Paraprofessional)	0						
Psychologist	.05						
Social Worker	0						
Nurse	.05						
Speech/Language/Hearing Specialist	0						
Resource Specialist (non-teaching)	0						
Other	0						
Average Number of Students per Staff Me	Average Number of Students per Staff Member						
Academic Counselor	308						

<sup>\*</sup> One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

	Average Class Size and Class Size Distribution (Secondary)											
Number of Classrooms*  Average Class Size												
	AV	rerage Class Si	ze		1-22			23-32			33+	
Subject	2015-16	2016-17	2017-18	2015-16	2016-17	2017-18	2015-16	2016-17	2017-18	2015-16	2016-17	2017-18
English	16.0	11.0	14.0	16	33	28	7	1	4			
Mathematics	19.0	11.0	14.0	11	22	16	5	1	2			
Science	13.0	12.0	9.0	11	13	19			1			
Social Science	14.0	12.0	12.0	12	23	27	7	4	8			

<sup>\*</sup> Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

# **Professional Development provided for Teachers**

All curricular and instructional improvement activities at César E. Chávez High School are aligned to the Common Core State Standards. Staff development concentrations are selected and identified based upon student assessment results, LCAP requirements, teacher input, state content standards, professional development surveys, the Western Association of Schools and Colleges (WASC)-Action Plan, the School Plan for Student Achievement (SPSA), and the school wide area of focus.

Professional development activities at César E. Chávez High School are focused on meeting the school wide student learning outcomes and implementing the School Plan for Student Achievement, thus increasing student learning, attendance, and the number of students who graduate high school and ready for their post-secondary learning experiences. During the 2017-2018 school year, Kaiser Permanenté selected César E. Chávez High School to be one of 20 RISE (Resiliency in School Environments) schools to continue its training and development of best practices for being a Model Trauma Informed School Culture.

The Santa Ana Unified School District offers supplemental training and support for new and ongoing program implementation. Training activities take place throughout the school year, after school, and during the summer and generally focus on curriculum, teaching strategies, and methodologies. New teachers and teachers not yet fully credentialed are supported by peer coaching and extensive staff development. The Teacher Induction & Professional Support Program (TIPS) is a state-approved program that offers additional support and assistance to newly credentialed teachers. All new teachers are assigned to a Support Provider (mentor teacher) and provided individualized support over a two-year period. More information about the TIPS Induction Program is available on www.sausdtips.org.

To support veteran teachers as well as new teachers to the district, Santa Ana Unified School District offers Peer Assistance and Review (PAR) which is easily defined as teachers helping teachers. Experienced and knowledgeable veteran teachers, referred to as Consulting Teachers, provide ongoing assistance to teachers who need to improve their instructional skills, classroom management strategies, subject knowledge, and/or related aspects of their teaching performance.

Staff members are encouraged and supported when possible to attend professional workshops and conferences. New teachers, experienced teachers, mentor/ teacher leaders, administrators, and support staff are encouraged to participate in workshops sponsored by the Orange County Department of Education and courses offered by community colleges and universities. Classified support staff may receive additional job-related training from vendors, department supervisors, and district representatives.

FY 2016-17 Teacher and Administrative Salaries			
Category	District Amount	State Average for Districts In Same Category	
Beginning Teacher Salary	\$56,826	\$47,903	
Mid-Range Teacher Salary	\$86,779	\$74,481

Socioeconomically Disadvantaged	100.0	92.1	88.6
English Learners	96.0	64.9	56.7
Students with Disabilities	100.0	78.4	67.1
Foster Youth	100.0	84.6	74.1

### **Career Technical Education Programs**

The SAUSD Career Technical Education (CTE) program offers cutting-edge, rigorous and relevant courses to prepare all high school students to be both college and career ready. To meet this goal, students have the opportunity to take an integrated sequence of CTE courses called a CTE Pathway that is focused on an industry-specific program of study over a two to four-year period. SAUSD has continued to expand CTE courses to include a wide range of high-wage, high-skill, and high-demand careers is the areas of science, technology, engineering, arts, and math (STEAM) pathways. We continue to focus on adding industry certifications and internship opportunities to many of our pathways. CTE courses and pathways are available to all high school students in the Santa Ana Unified School District.

CTE Pathways in Santa Ana combine academic rigor and real-world work-based relevance. Courses are aligned to both academic and CTE California State Standards with the main goal of preparing students for the workforce of the 21st century. To prepare all students to be both college and career ready, we have updated almost all courses to satisfy the "a-g" entrance requirements for the University of California (UC) and California State University (CSU) systems. In addition, many of our CTE courses offer articulated credit with local colleges that allows students to receive both high school and college credit for the course. Most recently, we have focused on offering dual enrollment community college courses in our pathways. Furthermore, we offer industry internships to students to apply theories and skills acquired in the classroom to an actual job situation, further solidifying a real-world experience.

### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <a href="https://dq.cde.ca.gov/dataquest/">https://dq.cde.ca.gov/dataquest/</a> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### **Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
