School Description

Manuel Esqueda (Esqueda) is located at the corner of South Main Street and West Warner Avenue.

Vision:

Esqueda is focused on increasing student achievement to meet or exceed state standards in all academic areas including proficiency in the English language. Each staff member realizes the potential in all students and works together through collaborative efforts with students, parents, and the community to maintain an environment conducive to academic and personal success. Our students will be prepared to utilize technology to ensure access to the career of their choice. Students, staff, and parents understand their role and responsibility in supporting the classroom instruction, maintaining an educational focus at home and utilizing resources to ensure student success.

Mission:

Esqueda is dedicated to high academic achievement for all students, inspiring students to reach their full potential at school and throughout life by creating an atmosphere that appreciates diversity, maintains high standards for learning and citizenship, incorporates technology, and supports a partnership based on respect between school and community to reach our goals. Esqueda will commit to curriculum and instruction, strategies and interventions, parent and community involvement, staff development and professional collaboration, increased access to technology and extended learning opportunities for all students.

Instructional Focus:

Esqueda's focus for all students, K-8, builds on the foundation of English language instruction, science, mathematics and music. We are committed to the implementation of the Common Core State Standards. Our goal is to have our students college and career ready.

School Profile:

As described in the Mission and Vision statements, created jointly by staff and parents, the school community believes that all students can learn and reach their highest personal and academic potentials. To this end, Esqueda staff will focus on student engagement through curriculum implementation, teaching methodology and pedagogy, and student data analysis.

The school's action plan indicates that staff will integrate the core curriculum adopted programs with appropriate research based strategies in teaching methodologies and pedagogy. Teachers and administrators will use the Benchmark Advance Assessments, District Writing Assessments, MAP (Measures of Academic Progress), the ELPAC assessments, the Math Expressions assessments, the Content subjects' program assessments, the California Common Core State assessments and other assessments to review student progress and teaching practices. At Esqueda, student performance data will drive the instructional decision making. In-class interventions will be utilized to meet the individual needs of all students. Teachers will engage students in whole class, small group and one-on-one instruction. A strict adherence to the state approved curriculum with a focus on instructional pedagogy and methodology will ensure that the academic standards in each grade level are being met. Esqueda will implement designated ELD times at each grade level using ELD resources from the Benchmark Advance ELD program. Moreover, Esqueda's Tutoring Programs will target students who are "Below Standard" or "Nearly Met Standard" in English language arts.

During the 2017-18 school year, Esqueda received Platinum level recognition for its implementation of Positive Behavioral Interventions and Supports (PBIS) standards.

District Profile Santa Ana Unified School District (SAUSD) is the seventh largest district in the state, currently serving nearly 49,300 students in grades K-12, residing in the city of Santa Ana. As of 2017-18, SAUSD operates 36 elementary schools, 9 intermediate schools, 7 high schools, 3 alternative high schools, and 5 charter schools. The student population is comprised of 80% enrolled in the Free or Reduced Price Meal program, 39% qualifying for English language learner support, and approximately 13% receiving special education services. Our district's schools have received California Distinguished Schools, National Blue Ribbon Schools, California Model School, Title I Academic Achieving Schools, and Governor's Higher Expectations awards in honor of their outstanding programs. In addition, 20 schools have received the Golden Bell Award since 1990. Each of Santa Ana Unified School District's staff members, parent, and community partners have developed and maintained high expectations to ensure every student's intellectual, creative, physical, emotional, and social development needs are met. The district's commitment to excellence is achieved through a team of professionals dedicated to delivering a challenging, high quality educational program. Consistent success in meeting student performance goals is directly attributed to the district's energetic teaching staff and strong parent and community support.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2018-19)

All textbooks used in the core curriculum throughout Santa Ana Unified School District are aligned to the California Content Standards and Frameworks. Instructional materials for grades K-8 are selected from the state's list of standards-based materials and adopted by the State Board of Education. Instructional materials for grades 9-12 are standards based and approved by the district's Board of Trustees. On October 9, 2018, the Santa Ana Unified School District's Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted Resolution No. 18/19-3253 which certifies as required by Education Code §60119 that for the 2018-2019 school year, the Santa Ana Unified School District has provided sufficient textbooks or instructional materials, or both, that are consistent with the content and cycles of the curriculum frameworks adopted by the State Board, to each pupil including those enrolled in a foreign language or health course, and that sufficient laboratory science equipment applicable to science laboratory courses offered in grades 9-12, inclusive, is available to pupils.

School Facility Conditions and Planned Improvements (Most Recent Year)

School custodial staff and the district's maintenance department work together to ensure classrooms and campus grounds are well-maintained and kept safe and functioning for students, staff, and visitors. Maintenance and Operations (M&O) employs an electronic work order system enabling school staff to communicate unscheduled maintenance needs, urgent repairs, or special projects. Most of the school's repairs and maintenance projects are performed by the district's highly qualified, professional trade specialists. Emergency situations are immediately resolved either by the school custodian or district maintenance staff, based upon the nature of the situation. Day and evening custodians work closely as a team and with the principal for routine maintenance, daily custodial duties, and special events preparations. The principal and day custodian communicate daily to discuss campus cleaning needs and safety concerns. Every morning before school begins, the custodian, principal, and assistant principal inspect facilities for safety hazards, graffiti, and other conditions that require removal prior to students and staff entering school grounds. School safety and cleanliness are the custodians' highest priority and strongly emphasized as a component of their daily routines. Custodians are trained by M&O's administrators on proper cleaning procedures, use of chemicals, and use of equipment. The day custodians are responsible for following an established set of cleaning standards and prioritization procedures for general campus maintenance. The day custodian checks restrooms twice a day as a proactive measure in keeping facilities well stocked, safe, and sanitary. The evening custodians are responsible for thorough cleaning of classrooms, office areas, and restrooms. Groundskeepers are dispatched by the district office to perform general maintenance of landscaping, gardening, sports fields, and irrigation systems.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

Note: The 2016-17 and 2017-18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018-19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016-17 and 2017-18) and the CAA for Science will be field-tested in 2018-19.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2018-19)

Parents are encouraged to get involved in Esqueda Elementary School's learning community by volunteering their time, attending school events, or sharing in the decision-making process. The school welcomes assistance in the classroom, and library and/or media center on special days. Parents are always invited to help chaperone field trips. Esqueda Elementary School provides a wide range of opportunities for parents to interact with school staff while supporting their child's academic efforts; these may include:

- Back to School Night
- Open House
- Student performances
- Parent/Wellness Center
- Neighborhood Leadership Team
- Fundraisers
- Jogathon
- Talent Show
- Music performances
- STEM nights
- Sports events - Cross Country, Volleyball, Flag Football, Basketball, Soccer, Hockey, Track and Field, Cheerleading
- Speech and Debate Tournaments
- Promotion activities
- Student recognition assemblies
- Parent education training and/or workshops
- Parent Reflective Learning Walks

- English instruction classes for parents

The following campus organizations provide opportunities for parents to have input on curricular programs, activities, and the design of the School's Plan:

- School Site Council
- English Language Advisory Council
- Parent Teacher Association (PTA)
- Padres Unidos
- Disciplina Positiva

Parents seeking more information about becoming an active member in the school community may contact the principal or assistant principal at (714) 431-1500.

School-to-home communication is provided in both English and Spanish. Through routine correspondence and special announcements, parents are kept informed on school news, student activities, schedules, policy changes, and class curriculum updates including the following formats:

- Blackboard Automated Phone Messaging System
- School web site
- Facebook page
- Instagram page
- Public Service Channel 31 or 51
- School and/or Class newsletters
- Flyers
- Letters
- School Marquee/Banners
- New Student Orientations
- Social Media Links

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

The Comprehensive School Site Safety Plan (CSSP) was developed in collaboration with law enforcement and the district office to fulfill Senate Bill 187 requirements. The school's most current plan is reviewed and updated to address safety, security and emergency preparedness. Schools are required to review and update their Comprehensive School Safety Plan (CSSP) with their School Site Councils and/or Safety Committees. Each School Safety Plan is forwarded to the District Office for review annually.

Professional Development provided for Teachers

All curriculum and instructional improvement activities at Santa Ana Unified School District are aligned to the California Common Core State Standards and Frameworks. Staff development concentrations are selected and identified based upon student assessment results, teacher input, state content standards, and professional development surveys. All staff development activities at Santa Ana Unified School District are focused on increasing student learning and proficiency. During the 2018-19 school year there were two days of staff development added to the beginning of the school year. The trainings focused on safety and math instruction.

The Esqueda Instructional Leadership Team and grade level leaders provide guidance and direction on instructional focus and practice. Both teams will continue to meet with the school administration and all teachers to further develop and enhance the instructional program for all students. All teachers will participate in modified Wednesday collaboration meetings twice a month. In addition, teachers and administration will participate in a monthly, school-wide collaboration meeting as well as a monthly staff meeting. Esqueda will conduct vertical collaboration meetings in key subject areas within our K-8 School. Teachers in grades K-8 will discuss and implement a school-wide plan to improve student achievement across all grade levels. During this time teachers will analyze and use test data to help guide goals for future instruction. Teachers will have data chats within their collaborative groups to analyze and discuss modifications to the curriculum. AVID instruction will be incorporated in classrooms schoolwide with monthly introductions of AVID strategies throughout the year. Other staff training topics at Esqueda included: SIPPS, Common Core Strategies through text complexity, collaborative academic conversations, and academic language, Thinking Maps, PBIS (Positive Behavior Intervention Support), effective teaching strategies from Marzano, et al., effective grading practices, etc.

Santa Ana Unified School District offers supplemental training and support for new and ongoing program implementation. Training activities take place throughout the school year, after school, and during the summer and generally focus on curriculum, teaching strategies, and methodologies. During the school years from 2016-2019, district training opportunities focused on the following:

- Spark Training (various topics)
- CORE Reading
- SIPPS (1st-3rd grades)
- Math Expressions Training
- Irvine Math Project Training
- Common Core Strategies: text complexity and collaborative academic conversations
- Making Meaning Through Writing
- AVID
- Canvas
- Report card and grading
- Google Classroom
- Purposeful Use of Technology
- MTSS
- Framework for Teaching and Learning
- Differentiated Instruction
- PBIS (Positive Behavior Intervention and Support)
- Gifted and Talented Education
- Working with Parents
- Restorative Practice Training
- Run, Hide, Fight
- Social and Emotional Learning
- Special Education
- MAP Data Analysis and Using Data to Drive Instruction
- Reflective Learning Walks
- Thinking Maps

New teachers and teachers not yet fully credentialed are supported by peer coaching and extensive staff development. The TIPS Induction Program (Teacher Induction and Professional Support) is a state-approved program that offers additional support and assistance to newly credentialed teachers. All new teachers are assigned to a Support Provider (mentor teacher) and provided individualized support over a two-year period. More information about the TIPS Induction Program is available on www.sausdtips.org.

To support veteran teachers as well as new teachers to the district, Santa Ana Unified School District offers Peer Assistance and Review (PAR) which is easily defined as teachers helping teachers. Experienced and knowledgeable veteran teachers, referred to as Consulting Teachers, provide ongoing assistance to teachers who need to improve their instructional skills, classroom management strategies, subject knowledge, and/or related aspects of their teaching performance.

Staff members are encouraged to attend professional workshops and conferences. New teachers, experienced teachers, mentor/ teacher leaders, administrators, and support staff are encouraged to participate in workshops sponsored by the Orange County Office of Education and courses offered by community colleges and universities. Classified support staff may receive additional job-related training from vendors, department supervisors, and district representatives.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
