## **School Description**

John C. Fremont Elementary School (Fremont Elementary) is located on the corner of West 10th Street and English Street, just north of West Civic Center Drive. Fremont Elementary is a self-contained, open space building with partitions serving as room dividers. There are 25 classroom spaces, a library, a music room, a computer lab, and a variety of offices. All classrooms have a SMART Board, 4 student computer stations and each room has at least 2 data drops for internet access. Every student in grades K-5 has their own assigned Chromebook. In addition, Kinders have access to 60 iPads. Our school computer lab has 50 computer stations. Fremont Elementary School is a thriving and exciting place for students to learn. It is the goal of all staff members to provide each child with the academic, social, and emotional tools necessary to becoming competent, capable, and concerned 21st Century citizens. Everyone is committed to providing all students with the best and sound instructional education and are passionate about ensuring academic success for all.

In the 2017-18 school year, Fremont Elementary's focus was to use instructional strategies that engage students in learning activities that help them meet the Common Core State Standards in both English Language Arts and Mathematics preparing them for college and career. Through data analysis of student assessments, the instructional staff has identified the need for a literacy campaign to increase reading comprehension and fluency. The staff is committed to creating a positive and safe school climate through Positive Behavior Interventions and Supports (PBIS). In the 2017-18 school year, Fremont Elementary increased by 11% proficient in English Language Arts and 13% proficient in Mathematics on the Smarter Balanced Assessment (SBAC) and is recognized as a Platinum School by the California PBIS Coalition for implementing PBIS with fidelity to the national framework.

Fremont Elementary students are offered a variety of programs that provide them with both enrichment and intervention. All students use technology for personalized learning through Spacial-Temporal Math (ST Math - also known as JiJi), Accelerated Reader (AR), Lexia and/or Reading Plus. Throughout the school year, teachers offer students before or after school tutoring or enrichment. The school provides a full inclusion Mild-to-Moderate Special Education program in several service models, pull-out and/or push in collaboration with a specialist. The Engage 360 after-school program offers academic enrichment, homework support, and physical activity to approximately 200 students. During the summer break, students can participate in Engage 360, Summer Enrichment, or Extended School Year. Students are given the opportunity to develop their leadership skills through student council and a variety of school based programs. In addition, students in grades 2-5 are provided with music classes and students in grades TK-5 are provided art classes. There is a preschool program and an early literacy mommy and me class offered on campus to help prepare young children for kindergarten. Parents are our partners and are always welcome on our school campus as parent leaders, volunteers, or participants in the learning opportunities being offered. There is a community worker 3 days per week and a counselor 2 days per week to assist and help meet the social and emotional needs of our students and their family.

## **School Mission**

Fremont Elementary School promotes high academic achievement through an integrated, California Common Core State Standards based curriculum. To accomplish this, accountability will be consistently monitored through a systematic assessment process. Parent and community partnerships will form another integral component that maximizes every child's individual academic, social, and emotional growth.

#### **School Vision**

Fremont Elementary School expects that all students will achieve high academic success, enabling them to prepare for college and career and to develop into socially responsible, contributing members of society with a life-long commitment to learning.

#### **Statement of Behavior Purpose**

Fremont Elementary is a community of scholars whose goal is to learn and to help each other to be good citizens. District ProfileSanta Ana Unified School District (SAUSD) is the seventh largest district in the state, currently serving nearly 49,300 students in grades K-12, residing in the city of Santa Ana. As of 2017-18, SAUSD operates 36 elementary schools, 9 intermediate schools, 7 high schools, 3 alternative high schools, and 5 charter schools. The student population is comprised of 80% enrolled in the Free or Reduced Price Meal program, 39% qualifying for English language learner support, and approximately 13% receiving special education services. Our district's schools have received California Distinguished Schools, National Blue Ribbon Schools, California Model School, Title I Academic Achieving Schools, and Governor's Higher Expectations awards in honor of their outstanding programs. In addition, 20 schools have received the Golden Bell Award since 1990. Each of Santa Ana Unified School District's staff members, parent, and community partners have developed and maintained high expectations to ensure every student's intellectual, creative, physical, emotional, and social development needs are met. The district's commitment to excellence is achieved through a team of professionals dedicated to delivering a challenging, high quality educational program. Consistent success in meeting student performance goals is directly attributed to the district's energetic teaching staff and strong parent and community support.

## **About the SARC**

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <a href="https://www.cde.ca.gov/fg/aa/lc/">https://www.cde.ca.gov/fg/aa/lc/</a>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

## A. Conditions of Learning

#### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

## Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2018-19)

All textbooks used in the core curriculum throughout Santa Ana Unified School District are aligned to the California Content Standards and Frameworks. Instructional materials for grades K-8 are selected from the state's list of standards-based materials and adopted by the State Board of Education. Instructional materials for grades 9-12 are standards based and approved by the district's Board of Trustees. On October 9, 2018, the Santa Ana Unified School District's Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted Resolution No. 18/19-3253 which certifies as required by Education Code §60119 that for the 2018-2019 school year, the Santa Ana Unified School District has provided sufficient textbooks or instructional materials, or both, that are consistent with the content and cycles of the curriculum frameworks adopted by the State Board, to each pupil including those enrolled in a foreign language or health course, and that sufficient laboratory science equipment applicable to science laboratory courses offered in grades 9-12, inclusive, is available to pupils.

## School Facility Conditions and Planned Improvements (Most Recent Year)

School custodial staff and the district's maintenance department work together to ensure classrooms and campus grounds are well-maintained and kept safe and functioning for students, staff, and visitors. Maintenance and Operations (M&O) employs an electronic work order system enabling school staff to communicate unscheduled maintenance needs, urgent repairs, or special projects. Most of the school's repairs and maintenance projects are performed by the district's highly qualified, professional trade specialists. Emergency situations are immediately resolved either by the school custodian or district maintenance staff, based upon the nature of the situation. Day and evening custodians work closely as a team and with the principal for routine maintenance, daily custodial duties, and special events preparations. The principal and day custodian communicate daily to discuss campus cleaning needs and safety concerns. Every morning before school begins, the custodian and principal inspect facilities for safety hazards, graffiti, and other conditions that require removal prior to students and staff entering school grounds. School safety and cleanliness are the custodians' highest priority and strongly emphasized as a component of their daily routines. Custodians are trained by M&O's administrators on proper cleaning procedures, use of chemicals, and use of equipment. The day custodians are responsible for following an established set of cleaning standards and prioritization procedures for general campus maintenance. The day custodian checks restrooms twice a day as a proactive measure in keeping facilities well stocked, safe, and sanitary. The evening custodians are responsible for thorough cleaning of classrooms, office areas, and restrooms. Groundskeepers are dispatched by the district office to perform general maintenance of landscaping, gardening, sports fields, and irrigation systems.

## **B. Pupil Outcomes**

#### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

2017-18 CAASPP Results for All Students						
Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)				Standards	
	School		District		State	
	16-17	17-18	16-17	17-18	16-17	17-18
ELA	13.0	25.0	31.0	32.0	48.0	50.0
Math	14.0	27.0	25.0	26.0	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter

Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Science	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

## **State Priority: Other Pupil Outcomes**

## C. Engagement

#### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

Efforts the school district makes to seek parent input in making decisions for the school district and each school site

#### Opportunities for Parental Involvement (School Year 2018-19)

Parents are highly encouraged to get involved in Fremont Elementary School's learning community by volunteering their time, attending school-sponsored events, and/or sharing in the decision-making process. The school welcomes assistance in the classrooms, library, office, and during special school events, chaperone educational field trips, etc. Fremont Elementary School provides a wide range of opportunities for parents to interact with school staff while supporting their child's academic efforts, which include:

- Monthly Parent Meetings
- Back-to-School Night and Open House
- Friday Morning flag assemblies
- Student performances
- Fundraisers
- Music and choir performances
- Promotion activities
- · Student recognition assemblies
- Parent education classes, training and/or workshops

The following campus organizations provide opportunities for parents to have input on curricular programs, activities, and the design of the School's Plan:

- School Site Council
- LCAP Meeting
- English Learner Advisory Committee
- Parent Teacher Association (PTA)
- Padres en Accion
- GRIP Greeter Program
- Padres Unidos

Parents seeking more information about becoming an active member in the school community may contact the school office at (714) 972-4300. The school's Parental Involvement Policy (PIP) provides more details about how parents can partner with the school. A copy is sent home at the beginning of the school year in the student information packet but copies are always available in the school office.

School-to-home communication is provided in both English and Spanish. Through routine correspondence and special announcements, parents are kept informed on school news, student activities, schedules, policy changes, and class curriculum updates including the following formats:

- Blackboard Automated Phone Messaging System
- Personal phone calls
- School web site
- Public Service Channel 31 or 51
- School and/or Class newsletters
- Flyers
- Letters
- School Marquee/Banners
- Remind/Class Dojo/Emails/Social Media

#### **State Priority: School Climate**

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

## **School Safety Plan**

The Comprehensive School Site Safety Plan (CSSP) was developed in collaboration with law enforcement and the district office to fulfill Senate Bill 187 requirements. The school's most current plan is reviewed and updated to address safety, security and emergency preparedness. Schools are required to review and update their Comprehensive School Safety Plan (CSSP) with their School Site Councils and/or Safety Committees. Each School Safety Plan is forwarded to the District Office for review annually.

#### **Professional Development provided for Teachers**

All curriculum and instructional improvement activities at Santa Ana Unified School District (SAUSD) are aligned to equip teachers how to provide instruction of the California Common Core State Standards. Staff development concentrations are selected and identified based upon student assessment results, teacher input, state content standards, and professional development surveys.

All staff development activities at SAUSD are focused on increasing student learning and proficiency. During the 2016-17 school year, two (2) days of professional staff development was proffered; furthermore, during the 2017-18 and 2018-19 school years - respectively - SAUSD sponsored optional professional development days for teachers to attend. Staff training topics at the individual school sites may have included: English Language Arts instruction, Mathematics instruction, English Language Development instruction, Data Analysis of student assessments, Reading intervention, etc...

Santa Ana Unified School District offers supplemental training and support for new and ongoing program implementation. Training activities take place throughout the school year, after-school, and during the summer break and generally focus on curriculum, teaching strategies, and methodologies. During the 2016-17 through 2018-19 school years, district training opportunities focused on the following:

#### At the elementary level:

- Implementation of newly adopted Mathematics and English Language Arts curriculum
- English Language Development
- Response-to-Intervention (RtI)
- Reading Intervention Strategies
- Differentiated Instruction
- Gifted-and-Talented Education (GATE)
- MAP Testing
- DIBELS Testing
- CAASPP Testing
- PBIS (Positive Behavior and Intervention Supports)
- Special Education
- Data Analysis and Using Data to Drive Instruction
- PBIS training
- Irvine Mathematics Project trainings
- Math Expressions trainings (2017-18)
- SIPPS trainings (2016 to present)
- NGSS trainings (2016-17)
- No Excuses University
- AVID
- Daily 5

New teachers and teachers not yet fully credentialed are supported by peer coaching and extensive staff development. The TIPS Induction Program (Teacher Induction and Professional Support) is a state-approved program that offers additional support and assistance to newly credentialed teachers. All new teachers are assigned to a Support Provider (mentor teacher) and provided individualized support over a two-year period. More information about the TIPS Induction Program is available on www.sausdtips.org.

To support veteran teachers - as well as new teachers to the district - SAUSD offers Peer Assistance and Review (PAR), which is easily defined as teachers helping teachers. Experienced and knowledgeable veteran teachers - referred to as Consulting Teachers (CTs) - provide ongoing assistance to teachers who need to improve their instructional skills, classroom management strategies, academic subject knowledge, and/or related aspects of their teaching performance.

Staff members are encouraged to attend professional workshops and conferences. New teachers, experienced teachers, mentor/ teacher leaders, administrators, and support staff are encouraged to participate in workshops sponsored by the Orange County Office of Education and courses offered by community colleges and universities. Classified support staff may receive additional job-related training from vendors, department supervisors, and district representatives.

## **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <a href="https://dq.cde.ca.gov/dataquest/">https://dq.cde.ca.gov/dataquest/</a> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### **Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
