### School Description

Godinez Fundamental High School is located at South Fairview Street and Centennial Road in the city of Santa Ana.

The most recent graduation rate for Godinez High School was 96.8%. 95% of our seniors are enrolled in Colleges and Universities. 61 students completed college courses, 900 students are enrolled in 20 different AP courses. 2016-2017 and 2017-2018 U.S. News and World Report Best High School. #2 in California 2018-2019 Race to Summit Statewide Campaign.

The mission of Godinez Fundamental High School is to provide a safe, supportive environment with clear, consistent expectations and high academic standards as well as preparing our students with 21st Century Skills. Technology is used school wide and at home to support the core curriculum. All students have a school issued electronic device and access to numerous programs and databases that enrich and enhance core instruction. Teachers were issued a Mac Laptop and iPad minis which allows them to use Google Classroom, Google Applications (Classrooms, Drive, Meet, etc.), Apple TV for instructional purposes as well as mobility during instruction, engaging students and modifying curriculum to meet the individual needs of students. Godinez Fundamental High School is a community in which all are engaged in academic achievement and character development. Each of us chooses to be a part of Godinez Fundamental High School; knowing this entails a commitment to academic excellence both during school hours and at home. As such, there are high expectations for all of us. The teachers are committed to preparation and presentation of strong, standards-based instructional programs, and to the assistance of students in meeting the goals of each course of study. The students are committed to high standards of attendance, behavior and academic rigor. The parents are committed to supporting their student's academic study by providing a place and time at home for students to complete their assignments and to meet with teachers as necessary or requested. An after school program runs daily from 3-6:00 pm and offers academic tutoring and social activities. The program averages 150 students per day and the majority attend for the academic strands of the program. This speaks volumes to the academic commitment of our students and staff.

Students are involved in school outside of the school day. Over 1,000 students are involved in athletics and over 1,000 are involved in Visual and Performing Arts.

District Profile Santa Ana Unified School District (SAUSD) is the seventh largest district in the state, currently serving nearly 49,300 students in grades K-12, residing in the city of Santa Ana. As of 2017-18, SAUSD operates 36 elementary schools, 9 intermediate schools, 7 high schools, 3 alternative high schools, and 5 charter schools. The student population is comprised of 80% enrolled in the Free or Reduced Price Meal program, 39% qualifying for English language learner support, and approximately 13% receiving special education services. Our district's schools have received California Distinguished Schools, National Blue Ribbon Schools, California Model School, Title I Academic Achieving Schools, and Governor's Higher Expectations awards in honor of their outstanding programs. In addition, 20 schools have received the Golden Bell Award since 1990. Each of Santa Ana Unified School District's staff members, parent, and community partners have developed and maintained high expectations to ensure every student's intellectual, creative, physical, emotional, and social development needs are met. The district's commitment to excellence is achieved through a team of professionals dedicated to delivering a challenging, high quality educational program. Consistent success in meeting student performance goals is directly attributed to the district's energetic teaching staff and strong parent and community support.

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

### Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2018-19)

All textbooks used in the core curriculum throughout Santa Ana Unified School District are aligned to the California Content Standards and Frameworks. Instructional materials for grades K-8 are selected from the state's list of standards-based materials and adopted by the State Board of Education. Instructional materials for grades 9-12 are standards based and approved by the district's Board of Trustees. On October 9, 2018, the Santa Ana Unified School District's Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted Resolution No. 18/19-3253 which certifies as required by Education Code §60119 that for the 2018-2019 school year, the Santa Ana Unified School District has provided sufficient textbooks or instructional materials, or both, that are consistent with the content and cycles of the curriculum frameworks adopted by the State Board, to each pupil including those enrolled in a foreign language or health course, and that sufficient laboratory science equipment applicable to science laboratory courses offered in grades 9-12, inclusive, is available to pupils.

### School Facility Conditions and Planned Improvements (Most Recent Year)

School custodial staff and the district's maintenance department work together to ensure classrooms and campus grounds are well-maintained and kept safe and functioning for students, staff, and visitors. Maintenance and Operations (M&O) employs an electronic work order system enabling school staff to communicate unscheduled maintenance needs, urgent repairs, or special projects. Most of the school's repairs and maintenance projects are performed by the district's highly qualified, professional trade specialists. Emergency situations are immediately resolved either by the school custodian or district maintenance staff, based upon the nature of the situation. Day and evening custodians work closely as a team and with administration for routine maintenance, daily custodial duties, and special events preparations. The day custodian and administration communicate daily to discuss campus cleaning needs and safety concerns. Every morning before school begins, the custodian and/or administrator inspect facilities for safety hazards, graffiti, and other conditions that require removal prior to students and staff entering school grounds. School safety and cleanliness are the custodians' highest priority and strongly emphasized as a component of their daily routines. Custodians are trained by M&O's administrators on proper cleaning procedures, use of chemicals, and use of equipment. The day custodians are responsible for following an established set of cleaning standards and prioritization procedures for general campus maintenance. The day custodian checks restrooms twice a day as a proactive measure in keeping facilities well stocked, safe, and sanitary. The evening custodians are responsible for thorough cleaning of classrooms, office areas, and restrooms. Groundskeepers are dispatched by the district office to perform general maintenance of landscaping, gardening, sports fields, and irrigation systems.

### B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

### Opportunities for Parental Involvement (School Year 2018-19)

Parents are encouraged to become involved in Godinez Fundamental High School's learning community by volunteering their time, attending school events, or sharing in the decision-making process. The school welcomes assistance in the classroom, library and/or media center on special days. Parents are always invited to help chaperon field trips. Godinez Fundamental High School provides a wide range of opportunities for parents to interact with school staff while supporting their child's academic efforts; these may include:

- Monthly Parent Coffee Chats
- Parent Technology Training
- PTSO
- Back to School Night
- Booster Clubs
- Open House
- Student performances
- Fundraisers
- Late Nights for College Applications and Financial Aid Workshops
- College Night
- Parent conferences
- Music/choir and/or theatre performances
- Athletic Events
- Promotion activities
- Student recognition assemblies
- Parent education training and/or workshops
- Parent Leaders Group

- Saturday WIN Program

The following campus organizations provide opportunities for parents to have input on curricular programs, activities, and the design of the School's Plan:

- School Site Council
- English Language Advisory Council
- Parent Teacher Student Organization (PTSO)
- Booster Clubs

Parents seeking more information about becoming an active member in the school community may contact the principal or assistant principal at (714) 433-6600.

School-to-home communication is provided in both English and Spanish. Through routine correspondence and special announcements, parents are kept informed on school news, student activities, schedules, policy changes, and class curriculum updates including the following formats:

- Blackboard Automated Phone Messaging System
- School web site
- Public Service Channel 31 or 51
- School and/or Class newsletters
- Flyers
- Letters
- School Marquee/Banners
- New Student Orientations

**State Priority: School Climate**

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

**School Safety Plan**

The Comprehensive School Site Safety Plan (CSSP) was developed in collaboration with law enforcement and the district office to fulfill Senate Bill 187 requirements. The school's most current plan is reviewed and updated to address safety, security and emergency preparedness. Schools are required to review and update their Comprehensive School Safety Plan (CSSP) with their School Site Councils and/or Safety Committees. Each School Safety Plan is forwarded to the District Office for review annually.

### Professional Development provided for Teachers

All curriculum and instructional improvement activities at Santa Ana Unified School District are aligned to the English learner instruction. Staff development concentrations are selected and identified based upon student assessment results, LCAP requirements, teacher input, state content standards, and professional development surveys.

All staff development activities at Santa Ana Unified School District were focused on increasing student learning and proficiency. During the 2017-2018 school year a staff book club was implemented for both classified and certificated employees that focuses on resiliency and on building relationships with students that will ultimately lead to a higher rate of sensitivity to better understand the social emotional and behavioral needs of our students. For staff development during the year, teachers use a Google Form to submit a Collaboration Plan for the staff meeting time. Teachers note that this time is productive and often extends beyond the required hour. Staff training topics are discussed and selected during ILT meetings, data chats, and grade level meetings.

Santa Ana Unified School District offers supplemental training and support for new and ongoing program implementation. Training activities take place throughout the school year, after school, and during the summer and generally focus on curriculum, teaching strategies, and methodologies. During the 2017-2018 school year, district training opportunities focused on the following:

- Language Arts
- AP Training (Advanced Placement)
- AVID Training (Advancement Via Individual Determination)
- Working with Parents
- GATE Training (Gifted And Talented Education)
- Special Education
- English Learners
- Data Analysis and Using Data to Drive Instruction
- Technology use in the classrooms

Many Godinez teachers actively pursue professional development opportunities that will enrich the classroom experience for our students. We are fortunate to collaborate with local universities and the Orange County Department of Education to provide instructional support and ongoing outreach opportunities designed to enhance instructional methods. Currently, all Godinez teachers have been and/or will be trained on how to effectively use Google Classroom. In addition, Math and Science teachers are working together for implementation of the new state standards. School-wide operations and processes are in place that promote a positive school climate, punctuality, and achievement.

New teachers are supported by peer coaching, site and district level professional development through the TIPS Induction Program (Teacher Induction and Professional Support) is a state-approved program that offers additional support and assistance to newly credentialed teachers. All new teachers are assigned to a Support Provider (mentor teacher) and provided individualized support over a two-year period. More information about the TIPS Induction Program is available on [www.sausdtps.org](http://www.sausdtps.org).

To support veteran teachers, as well as new teachers to the district, Santa Ana Unified School District offers Peer Assistance and Review (PAR) which is easily defined as teachers helping teachers. Experienced and knowledgeable veteran teachers, referred to as Consulting Teachers, provide ongoing assistance to teachers who need to improve their instructional skills, classroom management strategies, subject knowledge, and/or related aspects of their teaching performance.

Staff members are encouraged to attend professional workshops and conferences. New teachers, experienced teachers, mentor/ teacher leaders, administrators, and support staff are encouraged to participate in workshops sponsored by the Orange County Office of Education and courses offered by community colleges and universities. Classified support staff may receive additional job-related training from vendors, department supervisors, and district representatives.

### Career Technical Education Programs

The SAUSD Career Technical Education (CTE) program offers cutting-edge, rigorous and relevant courses to prepare all high school students to be both college and career ready. To meet this goal, students have the opportunity to take an integrated sequence of CTE courses called a CTE Pathway that is focused on an industry-specific program of study over a two to four-year period. SAUSD has continued to expand CTE courses to include a wide range of high-wage, high-skill, and high-demand careers in the areas of science, technology, engineering, arts, and math (STEAM) pathways. We continue to focus on adding industry certifications and internship opportunities to many of our pathways. CTE courses and pathways are available to all high school students in the Santa Ana Unified School District.

CTE Pathways in Santa Ana combine academic rigor and real-world work-based relevance. Courses are aligned to both academic and CTE California State Standards with the main goal of preparing students for the workforce of the 21st century. To prepare all students to be both college and career ready, we have updated almost all courses to satisfy the "A-G" entrance requirements for the University of California (UC) and California State University (CSU) systems. In addition, many of our CTE courses offer articulated credit with local colleges that allows students to receive both high school and college credit for the course. Most recently, we have focused on offering dual enrollment community college courses in our pathways. Furthermore, we offer industry internships to students to apply theories and skills acquired in the classroom to an actual job situation, further solidifying a real-world experience.

### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
