School Description

Lorin Griset Academy is located at 1915 West McFadden Avenue in the city of Santa Ana. Lorin Griset Academy provides both a learning environment that enhances our students' achievement through a challenging and standards-based curriculum, and the support necessary to promote their social and emotional development. In 2017, the school was recognized by the California PBIS Coalition with a State recognition of Gold Status for its implementation of the core features of Positive Behavioral Interventions and Supports. In 2014, Lorin Griset Academy received a six-year term with a one-day revisit of accreditation from Western Association of Schools and Colleges (WASC). The College Board approved the rigor of our standards-based course offerings to meet four-year university admission requirements. Each year, over 70% of Lorin Griset Academy's graduates enroll in institutions of higher learning.

Students from throughout the district who are at least 16 years old enroll at Lorin Griset Academy so that they can earn high school course credits at an accelerated pace. The small-school setting allows students the opportunity to participate in a comprehensive yet individualized program. Currently in operation are many programs for students at risk of graduation, English learners, pregnant minors, teen parents, students with special needs, migrant education students and gifted and talented students. Enrollment in the school is arranged through a referral process initiated by site administrators at comprehensive high schools for students who are deficient in credits. Pupil Support Services may refer less than 5% of students for inter-district transfers, involuntary placements, or readmission from expulsions. Students must complete 220 credits in required courses of study to be able to graduate and receive a high school diploma. These are the same graduation requirements as the other high schools within the Santa Ana Unified School District.

Vision Statement

Lorin Griset Academy's vision is that all students will recover their credits with proficiency and the skills necessary to be productive members of the community and a global society. We support academic achievement and responsible citizens by addressing the special academic, social, cultural, emotional, and physical needs of all students.

Mission Statement

Lorin Griset Academy is a community of life-long learners where students, in a positive way, learn to adapt to change.

District ProfileSanta Ana Unified School District (SAUSD) is the seventh largest district in the state, currently serving nearly 49,300 students in grades K-12, residing in the city of Santa Ana. As of 2017-18, SAUSD operates 36 elementary schools, 9 intermediate schools, 7 high schools, 3 alternative high schools, and 5 charter schools. The student population is comprised of 80% enrolled in the Free or Reduced Price Meal program, 39% qualifying for English language learner support, and approximately 13% receiving special education services. Our district's schools have received California Distinguished Schools, National Blue Ribbon Schools, California Model School, Title I Academic Achieving Schools, and Governor's Higher Expectations awards in honor of their outstanding programs. In addition, 20 schools have received the Golden Bell Award since 1990.Each of Santa Ana Unified School District's staff members, parent, and community partners have developed and maintained high expectations to ensure every student's intellectual, creative, physical, emotional, and social development needs are met. The district's commitment to excellence is achieved through a team of professionals dedicated to delivering a challenging, high quality educational program. Consistent success in meeting student performance goals is directly attributed to the district's energetic teaching staff and strong parent and community support.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

2017-18 Student Enrollment by Grade Level				
Grade Level Number of Students				
Grade 10	7			
Grade 11	114			
Grade 12	246			
Total Enrollment	367			

2017-18 Student Enrollment by Group			
Group	Percent of Total Enrollment		
Black or African American	0.3		
American Indian or Alaska Native	0.0		
Asian	0.3		
Filipino	0.0		
Hispanic or Latino	98.4		
Native Hawaiian or Pacific Islander	0.0		
White	0.8		
Socioeconomically Disadvantaged	93.5		
English Learners	37.6		
Students with Disabilities	12.5		
Foster Youth	0.5		

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Credentials					
Lorin Griset Academy High School	16-17	17-18	18-19		
With Full Credential	17	17	17		
Without Full Credential	0	0	0		
Teaching Outside Subject Area of Competence	0	0	0		
Santa Ana Unified School District	16-17	17-18	18-19		
With Full Credential	*	*	1986		
Without Full Credential	*	+	0		
Teaching Outside Subject Area of Competence	*	+	11		

Teacher Misassignments and Vacant Teacher Positions at this School					
Lorin Griset Academy High	16-17	17-18	18-19		
Teachers of English Learners	0	0	0		
Total Teacher Misassignments	0	0	0		
Vacant Teacher Positions	0	0	0		

^{*} Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

^{*}Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2018-19)

All textbooks used in the core curriculum throughout Santa Ana Unified School District are aligned to the California Content Standards and Frameworks. Instructional materials for grades K-8 are selected from the state's list of standards-based materials and adopted by the State Board of Education. Instructional materials for grades 9-12 are standards based and approved by the district's Board of Trustees. On October 9, 2018, the Santa Ana Unified School District's Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted Resolution No. 18/19-3253 which certifies as required by Education Code §60119 that for the 2018-2019 school year, the Santa Ana Unified School District has provided sufficient textbooks or instructional materials, or both, that are consistent with the content and cycles of the curriculum frameworks adopted by the State Board, to each pupil including those enrolled in a foreign language or health course, and that sufficient laboratory science equipment applicable to science laboratory courses offered in grades 9-12, inclusive, is available to pupils.

Year Adopted	High School Textbook Publisher	Grades
	Mathematics	
2017	CPM Math	9-12
2008	McDougal Littell, Precalculus with Limits: A Graphing Approach	9-12
2008	McDougal Littell, Calculus of a Single Variable	9-12
2008	Addison Wesley, College Algebra-Elementary and Intermediate Algebra Concepts and Applications	9-12
2008	Prentice Hall, Probability & Statistics	9-12
	Language Arts	
2010	Pearson Longman, Keystone (KL, BB, D, E F)	9
2003	Holt, Rinehart, Winston Literature & Language Arts	9-12

2007	Holt Earth Science	9-12
2007	Glencoe Biology	9-12
2007	Prentice Hall Chemistry	9-12
2007	Prentice Hall Essentials of Human Anatomy & Physiology	9-12
2007	Prentice Hall Conceptual Physics	9-12
2007	Holt-Mcdougal, Physics Honor – Algebra/Trig	12
	Social Science	
2006	McDougal-Littell Modern World History	9-12
2006	Prentice Hall American Government - Magruders	9-12
2006	Prentice Hall Economics: Principles in Action	9-12
2006	McDougal-Littell The Americans - Reconstruction to the 21st Century	9-12
2006	Glencoe/McGraw-Hill, Psychology – Understanding Psychology	9-12
2006	Holt. Sociology – The Study of Human Relationships	9-12
2006	Oxford University, Mexican American Studies – The course of Mexican History	9-12

School Facility Conditions and Planned Improvements (Most Recent Year)

School custodial staff and the district's maintenance department work together to ensure classrooms and campus grounds are well-maintained and kept safe and functioning for students, staff, and visitors. Maintenance and Operations (M&O) employs an electronic work order system enabling school staff to communicate unscheduled maintenance needs, urgent repairs, or special projects. Most of the school's repairs and maintenance projects are performed by the district's highly qualified, professional trade specialists. Emergency situations are immediately resolved either by the school custodian or district maintenance staff, based upon the nature of the situation. Day and evening custodians work closely as a team and with the principal for routine maintenance, daily custodial duties, and special events preparations. The principal and day custodian communicate daily to discuss campus cleaning needs and safety concerns. Every morning before school begins, the custodian, principal, and assistant principal inspect facilities for safety hazards, graffiti, and other conditions that require removal prior to students and staff entering school grounds. School safety and cleanliness are the custodians' highest priority and strongly emphasized as a component of their daily routines. Custodians are trained by M&O's administrators on proper cleaning procedures, use of chemicals, and use of equipment. The day custodians are responsible for following an established set of cleaning standards and prioritization procedures for general campus maintenance. The day custodian checks restrooms twice a day as a proactive measure in keeping facilities well stocked, safe, and sanitary. The evening custodians are responsible for thorough cleaning of classrooms, office areas, and restrooms. Groundskeepers are dispatched by the district office to perform general maintenance of landscaping, gardening, sports fields, and irrigation systems.

School Facility Good Repair Status (Most Recent Year) Year and month in which data were collected: 8/10/2018				
System Inspected	Repair Status	Repair Needed and Action Taken or Planned		
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good			
Interior: Interior Surfaces	Good			
Cleanliness: Overall Cleanliness, Pest/ Vermin Infestation	Good			
Electrical: Electrical	Good			
Restrooms/Fountains: Restrooms, Sinks/ Fountains	Good			
Safety: Fire Safety, Hazardous Materials	Good			
Structural: Structural Damage, Roofs	Good			
External: Playground/School Grounds, Windows/ Doors/Gates/Fences	Good			
Overall Rating	Exemplary			

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

2017-18 CAASPP Results for All Students						
	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
Subject	Sch	ool	District		State	
	16-17	17-18	16-17	17-18	16-17	17-18
ELA	2.0	3.0	31.0	32.0	48.0	50.0
Math	0.0	1.0	25.0	26.0	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the

total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students						
	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)					
Subject	School District				State	
	16-17	17-18	16-17	17-18	16-17	17-18
Science	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

Pupil outcomes in the subject area of physical education

School Year 2017-18 CAASPP Assessment Results - English Language Arts (ELA) Disaggregated by Student Groups, Grades Three through Eight and Eleven					
Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded	
All Students	197	156	79.19	3.21	
Male	126	102	80.95	2.94	
Female	71	54	76.06	3.70	
Black or African American					
Asian					
Hispanic or Latino	193	152	78.76	3.29	
White					
Socioeconomically Disadvantaged	182	144	79.12	2.78	
English Learners	101	80	79.21	0.00	
Students with Disabilities	12	10	83.33	0.00	
Students Receiving Migrant Education Services					
Foster Youth					

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

School Year 2017-18 CAASPP Assessment Results - Mathematics Disaggregated by Student Groups, Grades Three through Eight and Eleven

Disaggregated by Student Groups, Grades Three through Eight and Eleven					
Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded	
All Students	202	160	79.21	0.63

Students with Disabilities	14	11	78.57	0	
Students Receiving Migrant Education Services					
Foster Youth					

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3—Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2018-19)

Parents are encouraged to get involved in Lorin Griset Academy's learning community by volunteering their time, attending school events, or sharing in the decision-making process. The school welcomes assistance in the classroom, library and/or media center on special days. Parents are always invited to help chaperon field trips. Lorin Griset Academy provides a wide range of opportunities for parents to interact with school staff while supporting their child's academic efforts; these may include:

- Back to School Night
- Open House
- · Career Day
- Promotion activities
- Student recognition assemblies
- Parent education training and/or workshops

The following campus organizations provide opportunities for parents to have input on curricular programs, activities, and the design of the School's Plan:

- School Site Council (SSC)
- English Language Advisory Council (ELAC)
- Puma Parents

There are weekly Parent Workshops and trainings each Tuesday in the Library covering a range of topics by site, district and community representatives. Parents seeking more information about becoming an active member in the school community may contact the Community Liaison at (714) 648-2900.

School-to-home communication is provided in both English and Spanish. Through routine correspondence and special announcements, parents are kept informed on school news, student activities, schedules, policy changes, and class curriculum updates including the following formats:

- School web site
- School and/or class newsletters
- Flyers
- Letters
- New Student Orientations
- Aeries parent portal

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- · Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

The Comprehensive School Site Safety Plan (CSSP) was developed in collaboration with law enforcement and the district office to fulfill Senate Bill 187 requirements. The school's most current plan is reviewed and updated to address safety, security and emergency preparedness. Schools are required to review and update their Comprehensive School Safety Plan (CSSP) with their School Site Councils and/or Safety Committees. Each School Safety Plan is forwarded to the District Office for review annually.

Suspensions and Expulsions					
School	2015-16	2016-17	2017-18		
Suspensions Rate	2.2	4.0	8.5		
Expulsions Rate	0.0	0.0	0.4		
District	2015-16	2016-17	2017-18		
Suspensions Rate	3.0	3.1	3.1		
Expulsions Rate	0.1	0.1	0.0		
State	2015-16	2016-17	2017-18		
Suspensions Rate	3.7	3.7	3.5		
Expulsions Rate	0.1	0.1	0.1		

D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

Academic Counselors and Other Support Staff at this School			
Number of Full-Time Equivalent (FTE)			
Academic Counselor	1		
Counselor (Social/Behavioral or Career Development)	1		
Library Media Teacher (Librarian)	0		
Library Media Services Staff (Paraprofessional)	0		
Psychologist	.2		
Social Worker	0		
Nurse	.2		
Speech/Language/Hearing Specialist	0		
Resource Specialist (non-teaching)	0		
Other	0		
Average Number of Students per Staff Member			
Academic Counselor	350		

One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Average Class Size and Class Size Distribution (Secondary)												
	Number of Classrooms*											
Average Class Size				1-22		23-32 33+						
Subject	2015-16	2016-17	2017-18	2015-16	2016-17	2017-18	2015-16	2016-17	2017-18	2015-16	2016-17	2017-18
English	12.0	12.0	12.0	25	27	27	14	11	12			
Mathematics	14.0	12.0	14.0	14	18	18	5	2	4			
Science	18.0	15.0	19.0	6	10	6	4	4	4			
Social Science	14.0	12.0	15.0	18	22	16	14	7	10			

Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Professional Development provided for Teachers

All curricular and instructional improvement activities at Lorin Griset Academy are aligned to the Common Core State Standards. Staff development concentrations are selected and identified based upon student assessment results, LCAP requirements, teacher input, professional development surveys, the Western Association of Schools and Colleges (WASC)-Action Plan, the School Plan for Student Achievement (SPSA), and the school wide area of focus. Professional development activities at Lorin Griset Academy are focused on meeting the school wide student learning outcomes and implementing the School Plan for Student Achievement, thus increasing student learning, attendance, and the number of students who graduate high school and ready for their post-secondary learning experiences. Professional development at the site is implemented during the school's early-release Wednesdays where two Wednesdays a month are for teacher and committee collaboration, one Wednesday is for Faculty Meeting, and one Wednesday is for professional development. In addition, there are two full-days of teacher duty days that are set aside for data analysis, teacher collaboration, and site-leadership determined staff development.

During the 2016-2017 school year, the school's focus in using these days was introducing Trauma Informed Practices in working with students. The school partnered with a consultant, along with a partner school to provide professional development on these practices throughout the year. During this year, there were also workshops, and presentations on developing Restorative Practices. All Math teachers at the site along with all teachers in the district went through training for the following years implementation of the new secondary math adopted program, CPM.

During the 2017 - 2018 school year, the Lorin Griset Academy staff focused on preparation for the WASC Mid-Term visit review and spent time during these days reviewing site data, instructional practices, measuring the their individual and site progress in identified growth areas. The school also focused its use of these days on addressing social emotional related structures and protocols. The school worked on Crisis Response protocols, identifying and implementing a Positive Behavior Referral procedure and addressing supports in the classroom and at the site for students with social emotional needs. All English teachers also went through training for the following year's implementation of the new secondary English Language Arts adopted program, Studysync.

During the 2018-2019 school year, the school's focus is on alignment of school practices, and instructional focus on the site's Key Performance Indicators related to the District LCAP. There is also a focus on school safety ensuring that all staff are familiar with lock down, lock out, run-hide-fight, crisis response and other safety procedures. All staff participated in a two-part PBIS refresher training to realign school practices and class procedures with identified positive behavioral expectations. The school also focused on instructional strategies and technology resources presentations by staff with expertise in specific areas.

The Santa Ana Unified School District offers supplemental training and support for new and ongoing program implementation. Training activities take place throughout the school year, after school, and during the summer and generally focus on curriculum, teaching strategies, and methodologies. New teachers and teachers not yet fully credentialed are supported by peer coaching and extensive staff development. The TIPS Induction Program (Teacher Induction and Professional Support) is a state-approved program that offers additional support and assistance to newly credentialed teachers. All new teachers are assigned to a Support Provider (mentor teacher) and provided individualized support over a two-year period.

To support veteran teachers as well as new teachers to the district, Santa Ana Unified School District offers Peer Assistance and Review (PAR) which is easily defined as teachers helping teachers. Experienced and knowledgeable veteran teachers, referred to as Consulting Teachers, provide ongoing assistance to teachers who need to improve their instructional skills, classroom management strategies, subject knowledge, and/or related aspects of their teaching performance.

Staff members are encouraged to attend professional workshops and conferences. New teachers, experienced teachers, mentor/ teacher leaders, administrators, and support staff are encouraged to participate in workshops sponsored by the Orange County Department of Education and courses offered by community colleges and universities. Classified support staff may receive additional job-related training from vendors, department supervisors, and district representatives.

FY 2016-17 Teacher and Administrative Salaries					
Category	District Amount	State Average for Districts In Same Category			
Beginning Teacher Salary	\$56,826	\$47,903			
Mid-Range Teacher Salary	\$86,779	\$74,481

Career Technical Education Programs

The SAUSD Career Technical Education (CTE) program offers cutting-edge, rigorous and relevant courses to prepare all high school students to be both college and career ready. To meet this goal, students have the opportunity to take an integrated sequence of CTE courses called a CTE Pathway that is focused on an industry-specific program of study over a two to four-year period. SAUSD has continued to expand CTE courses to include a wide range of high-wage, high-skill, and high-demand careers is the areas of science, technology, engineering, arts, and math (STEAM) pathways. We continue to focus on adding industry certifications and internship opportunities to many of our pathways. CTE courses and pathways are available to all high school students in the Santa Ana Unified School District.

CTE Pathways in Santa Ana combine academic rigor and real-world work-based relevance. Courses are aligned to both academic and CTE California State Standards with the main goal of preparing students for the workforce of the 21st century. To prepare all students to be both college and career ready, we have updated almost all courses to satisfy the "a-g" entrance requirements for the University of California (UC) and California State University (CSU) systems. In addition, many of our CTE courses offer articulated credit with local colleges that allows students to receive both high school and college credit for the course. Most recently, we have focused on offering dual enrollment community college courses in our pathways. Furthermore, we offer industry internships to students to apply theories and skills acquired in the classroom to an actual job situation, further solidifying a real-world experience.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
