### School Description

Santiago Elementary, a California Distinguished School, is located on the corner of North Baker Street and West 22nd Street in the city of Santa Ana. We are committed to provide an enriching learning environment for all students: kindergarten through eighth grade.

#### Our students begin each day with a focus on our 3Rs:

- Ready for school
- Responsible for learning
- Respectful with words and actions

We believe that high academic standards, together with high behavior expectations create a learning environment that is supportive, rigorous and enriching. We have embraced the state standards, focusing on the 4Cs', empowering our students with the skills and tools necessary to be successful in college and careers in the 21st century:

- Communication: Sharing thoughts, questions, ideas and solutions
- Collaboration: Working together to reach a goal; putting talent, expertise and smarts to work
- Critical Thinking: Looking at problems in a new way, linking learning across subjects and disciplines
- Creativity: Trying new approaches to get things done equals innovation and invention

#### School Mission:

At Santiago Elementary, staff, parents, and community will work together with a clear focus to promote academic excellence. It is our belief that collaborative efforts among staff, students, and parents ensure that all students thrive within an environment that fosters academic success, empowering our students with the skills and tools necessary to be successful in college and careers in the 21st century.

#### School Vision:

Each student is a unique and precious individual, entrusted to us to nurture and develop. All students are capable not only of learning, but also of exceeding expectations when provided the opportunities. Academic excellence in student achievement is our focus. Each teacher and staff member possesses strengths and gifts that, when shared, serve to enrich the education and service that we provide. Parents and community are partners with us in the education of our students.

District Profile Santa Ana Unified School District (SAUSD) is the seventh largest district in the state, currently serving nearly 49,300 students in grades K-12, residing in the city of Santa Ana. As of 2017-18, SAUSD operates 36 elementary schools, 9 intermediate schools, 7 high schools, 3 alternative high schools, and 5 charter schools. The student population is comprised of 80% enrolled in the Free or Reduced Price Meal program, 39% qualifying for English language learner support, and approximately 13% receiving special education services. Our district's schools have received California Distinguished Schools, National Blue Ribbon Schools, California Model School, Title I Academic Achieving Schools, and Governor's Higher Expectations awards in honor of their outstanding programs. In addition, 20 schools have received the Golden Bell Award since 1990. Each of Santa Ana Unified School District's staff members, parent, and community partners have developed and maintained high expectations to ensure every student's intellectual, creative, physical, emotional, and social development needs are met. The district's commitment to excellence is achieved through a team of professionals dedicated to delivering a challenging, high quality educational program. Consistent success in meeting student performance goals is directly attributed to the district's energetic teaching staff and strong parent and community support.

### About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

### A. Conditions of Learning

#### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

### Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2018-19)

All textbooks used in the core curriculum throughout Santa Ana Unified School District are aligned to the California Content Standards and Frameworks. Instructional materials for grades K-8 are selected from the state's list of standards-based materials and adopted by the State Board of Education. Instructional materials for grades 9-12 are standards based and approved by the district's Board of Trustees. On October 9, 2018, the Santa Ana Unified School District's Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted Resolution No. 18/19-3253 which certifies as required by Education Code §60119 that for the 2018-2019 school year, the Santa Ana Unified School District has provided sufficient textbooks or instructional materials, or both, that are consistent with the content and cycles of the curriculum frameworks adopted by the State Board, to each pupil including those enrolled in a foreign language or health course, and that sufficient laboratory science equipment applicable to science laboratory courses offered in grades 9-12, inclusive, is available to pupils.

### School Facility Conditions and Planned Improvements (Most Recent Year)

School custodial staff and the district's maintenance department work together to ensure classrooms and campus grounds are well-maintained and kept safe and functioning for students, staff, and visitors. Maintenance and Operations (M&O) employs an electronic work order system enabling school staff to communicate unscheduled maintenance needs, urgent repairs, or special projects. Most of the school's repairs and maintenance projects are performed by the district's highly qualified, professional trade specialists. Emergency situations are immediately resolved either by the school custodian or district maintenance staff, based upon the nature of the situation. Day and evening custodians work closely as a team and with the principal for routine maintenance, daily custodial duties, and special events preparations. The principal and day custodian communicate daily to discuss campus cleaning needs and safety concerns. Every morning before school begins, the custodian, principal, and assistant principal inspect facilities for safety hazards, graffiti, and other conditions that require removal prior to students and staff entering school grounds. School safety and cleanliness are the custodians' highest priority and strongly emphasized as a component of their daily routines. Custodians are trained by M&O's administrators on proper cleaning procedures, use of chemicals, and use of equipment. The day custodians are responsible for following an established set of cleaning standards and prioritization procedures for general campus maintenance. The day custodian checks restrooms twice a day as a proactive measure in keeping facilities well stocked, safe, and sanitary. The evening custodians are responsible for thorough cleaning of classrooms, office areas, and restrooms. Groundskeepers are dispatched by the district office to perform general maintenance of landscaping, gardening, sports fields, and irrigation systems.

### B. Pupil Outcomes

**State Priority: Pupil Achievement**

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

2017-18 CAASPP Results for All Students						
Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	16-17	17-18	16-17	17-18	16-17	17-18
ELA	37.0	42.0	31.0	32.0	48.0	50.0
Math	26.0	27.0	25.0	26.0	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students						
Subject	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)

Science	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

**State Priority: Other Pupil Outcomes**

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

Grade Level	2017-18 Percent of Students Meeting Fitness Standards		
	4 of 6	5 of 6	6 of 6
5	17.6	25.4	35.9

### C. Engagement

#### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

#### Opportunities for Parental Involvement (School Year 2018-19)

Parents are encouraged to get involved in Santiago TK-8 School's learning community by volunteering their time, attending school events, and sharing in the decision-making process. The school welcomes assistance in the classroom, library and/or media center. Parents are invited to chaperon field trips. Santiago Elementary provides a wide range of opportunities for parents to interact with school staff while supporting their child's academic efforts; these include:

- Back to School Night
- Open House
- Theatrical Performances
- Fundraisers
- Scholastic Book Fair
- Music and choir performances
- Art Masters
- School-wide Assemblies
- Red Ribbon Week
- 3rd Grade Country Fair
- Science Fairs
- Sports Events
- Principal's Honor Roll Assemblies
- 8th Grade Promotion
- Monthly Student Recognition
- Parent Education Training and/or Workshops

- Family Movie Nights
- Science/STEAM Nights
- Read Across America
- Monthly Parent Meetings
- Raising Highly Capable Kids Parent Class

The following campus organizations provide opportunities for parents to have input on curricular programs, activities, and the design of the School's Plan:

- School Site Council
- English Language Advisory Council
- Parent Teacher Association (PTA)
- Padres En Acción (Kid Healthy - Parents in Action)
- Raising Highly Capable Kids Parenting Classes
- 10 Commandments Parenting Classes
- Olive Crest Parenting Classes

Parents seeking more information about becoming an active member in the school community may contact the principal or assistant principal at (714) 564-8400.

School-to-home communication is provided in both English and Spanish. Through routine correspondence and special announcements, parents are kept informed on school news, student activities, schedules, policy changes, and class curriculum updates including the following formats:

- Blackboard Automated Phone Messaging System
- School Website
- Public Service Channel 31 or 51
- School and/or Class Newsletters
- Flyers/Letters
- School Marquee/Banners
- New Student Orientations
- Online News Blast
- Social Media/ Facebook/ Twitter/ Instagram

**State Priority: School Climate**

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

**School Safety Plan**

The Comprehensive School Site Safety Plan (CSSP) was developed in collaboration with law enforcement and the district office to fulfill Senate Bill 187 requirements. The school's most current plan is reviewed and updated to address safety, security and emergency preparedness. Schools are required to review and update their Comprehensive School Safety Plan (CSSP) with their School Site Councils and/or Safety Committees. Each School Safety Plan is forwarded to the District Office for review annually.

### Professional Development provided for Teachers

All curriculum and instructional improvement activities at Santa Ana Unified School District are aligned to Common Core State Standards. Staff development concentrations are selected and identified based upon student assessment results, teacher input, state content standards, and professional development surveys.

All staff development activities at Santa Ana Unified School District are focused on increasing student learning and proficiency. During the 2016-17 school year, our school/district sponsored three days of staff development. Staff training topics included: Common Core English Language Arts Units, Common Core Math Units, Common Core Grade Level Standards, Common Core Assessments, Standards-Based Instruction, Writing Across the Curriculum, Thinking Maps, Progress Monitoring, Researched-Based Interventions, and Guided Language Acquisition Design.

Santa Ana Unified School District offers supplemental training and support for new and ongoing program implementation. Training activities take place throughout the school year, after school, and during the summer and generally focus on curriculum, teaching strategies, and methodologies. During the 2018-19 school year, district and site training opportunities focused on the following:

- Making Meaning with Writing
- California Reading and Literature Project Results (K-3)
- AVID (Advancement Via Individual Determination)
- Project Lead the Way (Science)
- Project Based Learning
- CTAP Technology Training (California Technology Assistance Project)
- Chromebook, iPad and SmartBoard Training
- Common Core English Language Arts aligned with Open Court Curriculum
- Academic Language

- Systematic English Language Development
- Front loading
- CPM Math Adoption and ELA Benchmark Advance Adoption
- ST Math
- Differentiated and Personalized Instruction
- Multi-Tiered Support Systems (MTSS)
- Student Study Teams (SST)
- Thinking Maps
- Gifted and Talented Education
- Data Analysis and Using Data to Drive Instruction
- Benchmark Assessments in Language Arts and Math
- ELD Modules
- Silicon Math
- Irvine Math Project (IMP)

New teachers are supported by experienced teachers, resource staff, and extensive staff development. The TIPS Induction Program (Teacher Induction and Professional Support) is a state-approved program that offers additional support and assistance to newly credentialed teachers. All new teachers are assigned to a Support Provider (mentor teacher) and provided individualized support over a two-year period. More information about the TIPS Induction Program is available on [www.sausdtips.org](http://www.sausdtips.org).

To support veteran teachers as well as new teachers to the district, Santa Ana Unified School District offers Peer Assistance and Review (PAR) which is easily defined as teachers helping teachers. Experienced and knowledgeable veteran teachers, referred to as Consulting Teachers, provide ongoing assistance to teachers who need to improve their instructional skills, classroom management strategies, subject knowledge, and/or related aspects of their teaching performance.

Staff members are encouraged to attend professional workshops and conferences. New teachers, experienced teachers, mentor/ teacher leaders, administrators, and support staff are encouraged to participate in workshops sponsored by the Orange County Office of Education and courses offered by community colleges and universities. Classified support staff may receive additional job-related training from vendors, department supervisors, and district representatives.

### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### **Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
