School Description

Segerstrom High School (Segerstrom) is a fundamental school, defined by both philosophy and expectations. As both a "school of choice" and a neighborhood school, Segerstrom students come from two sources. Priority enrollment is given to those students residing inside the school attendance boundaries. Remaining availability is allotted through a district lottery system. All parents, students and staff must sign an agreement and abide by that agreement in completing assignments, maintaining good attendance habits and complying with the various other policies of the school. As a fundamental high school, Segerstrom provides a comprehensive, standards-based core curriculum grounded on high expectations and accountability for all. Primary emphasis is on a highly structured program of basic academic literacy skills and enrichment with additional emphasis on the establishment of strong study and organizational skills. The school seeks to instill within each student a sense of responsibility, patriotism, positive self-image and pride in accomplishment. Literacy is the focal point, with students expected to be effective communicators, engaged learners and exceptional citizens (SLO's). All staff has made a commitment to create a college-bound culture where academic excellence meets student accountability, dedicated to ensuring that every student meet or exceed four-year university entrance requirements. Underlying this commitment is extensive assistance through multiple interventions and support systems throughout the school. Teachers work in partnership in professional learning communities to continuously improve instructional practices and also develop smaller learning communities that allow students to receive more individualized attention. Segerstrom has developed a new Home Room which serves to motivate students to engage them in learning. Four components of Home Room include Jaguar Spirit, Jaguar Culture, Student Support, and Office Hours. Office Hours is a 45 minute intervention block where students can retake tests or learn a skill or activity. Segerstrom prides itself on college readiness and has implemented the ACT for Junior year and SAT for Seniors. The lower grades have opportunities for PSAT to practice for the tests.

Vision Statement:

To create a community where all students do their best learning and all staff do their best teaching.

Mission Statement:

To maintain a community that provides a challenging and supportive environment which empowers students to develop skills and strategies necessary for post-secondary success.

District Profile

Santa Ana Unified School District (SAUSD) is the tenth largest district in the state, currently serving nearly 51,482 students in grades K-12, residing in the city of Santa Ana. As of 2018-19, SAUSD operates 36 elementary schools, 9 intermediate schools, 7 high schools, 3 alternative high schools, and 5 charter schools. The student population is comprised of 84% enrolled in the Free or Reduced Price Meal program, 34% qualifying for English language learner support, and approximately 13% receiving special education services. Our district's schools have received California Distinguished Schools, National Blue Ribbon Schools, California Model School, Title I Academic Achieving Schools, and Governor's Higher Expectations awards in honor of their outstanding programs. In addition, 20 schools have received the Golden Bell Award since 1990.

Each of Santa Ana Unified School District's staff members, parent, and community partners have developed and maintained high expectations to ensure every student's intellectual, creative, physical, emotional, and social development needs are met. The district's commitment to excellence is achieved through a team of professionals dedicated to delivering a challenging, high quality educational program. Consistent success in meeting student performance goals is directly attributed to the district's energetic teaching staff and strong parent and community support.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <u>https://www.cde.ca.gov/ta/ac/sa/</u>.
- For more information about the LCFF or LCAP, see the CDE LCFF web
 page at <u>https://www.cde.ca.gov/fg/aa/lc/</u>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

All textbooks used in the core curriculum throughout Santa Ana Unified School District are aligned to the California Content Standards and Frameworks. Instructional materials for grades K-8 are selected from the state's list of standards-based materials and adopted by the State Board of Education. Instructional materials for grades 9-12 are standards based and approved by the district's Board of Trustees. On September 10, 2019, the Santa Ana Unified School District's Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted Resolution No. 19/20-3309 which certifies as required by Education Code §60119 that for the 2019-2020 school year, the Santa Ana Unified School District has provided sufficient textbooks or instructional materials, or both, that are consistent with the content and cycles of the curriculum frameworks adopted by the State Board, to each pupil including those enrolled in a foreign language or health course, and that sufficient laboratory science equipment applicable to science laboratory courses offered in grades 9-12, inclusive, is available to pupils.

School Facility Conditions and Planned Improvements (Most Recent Year)

School custodial staff and the district's maintenance department work together to ensure classrooms and campus grounds are well-maintained and kept safe and functioning for students, staff, and visitors. Maintenance and Operations (MandO) employs an electronic work order system enabling school staff to communicate unscheduled maintenance needs, urgent repairs, or special projects. Most of the school's repairs and maintenance projects are performed by the district's highly qualified, professional trade specialists. Emergency situations are immediately resolved either by the school custodian or district maintenance staff, based upon the nature of the situation. Day and evening custodians work closely as a team and with the principal for routine maintenance, daily custodial duties, and special events preparations. The principal and day custodian communicate daily to discuss campus cleaning needs and safety concerns. Every morning before school begins, the custodian, principal, and assistant principal inspect facilities for safety hazards, graffiti, and other conditions that require removal prior to students and staff entering school grounds. School safety and cleanliness are the custodians' highest priority and strongly emphasized as a component of their daily routines. Custodians are trained by MandO's administrators on proper cleaning procedures, use of chemicals, and use of equipment. The day custodians are responsible for following an established set of cleaning standards and prioritization procedures for general campus maintenance. The day custodian checks restrooms twice a day as a proactive measure in keeping facilities well stocked, safe, and sanitary. The evening custodians are responsible for thorough cleaning of classrooms, office areas, and restrooms. Groundskeepers are dispatched by the district office to perform general maintenance of landscaping, gardening, sports fields, and irrigation systems.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

ELA	55	50	32	35	50	50
Math	29	30	26	28	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

- The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):
- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019-20)

Parents are encouraged to get involved in Segerstrom High School's learning community by volunteering their time, attending school events, or sharing in the decision-making process. Parents are invited to chaperon field trips and assist during special events as well.

Segerstrom High School provides a wide range of opportunities for parents to interact with school staff while supporting their child's academic efforts; these may include:

- Back to School Night
- Open House
- Student performances such as music, choir and/or theater performances
- Fundraisers
- Senior Project Interviews
- Sports events
- Graduation activities
- Wellness Center Parent Meetings and Events
- Student recognition assemblies
- Parent Technology nights
- College Late Nights/FAFSA
- Cafecitos (coffee chats)
- Padres Promotores: high school and college informational workshops
- College application and financial aid workshops

- After School Jags---offering parents the chance to attend technology training, and many other activities.
- LCAP parents meetings
- School Climate Meetings
- District wide school choice faire
- Grade-specific parent meetings
- 8th grade informational parent night
- Individual counseling meetings
- Booster Meetings
- GATE parent nights
- School Site Council
- English Language Advisory Council
- Parent-Teacher-Student Organization (PTSO)
- WASC focus groups
- School climate committee
- Bright-Bytes survey
- Healthy Schools survey

Parents seeking more information about becoming an active member in the school community may contact the principal or assistant principal at (714) 241-5000.

School-to-home communication is provided in both English and Spanish. In addition, the Blackboard automated phone system delivers individually tailored voice and email messages to parents in several home languages. Blackboard can also allow parents to respond to messages by voicemail or email. Through routine correspondence and special announcements, the school keeps parents informed on school news, student activities, schedules, policy changes, and class curriculum updates. To achieve this communication, Segerstrom employs the following media:

- School website
- Social Media: Facebook/Twitter/Instagram
- Public service Channel 31 or 51
- School and/or class newsletters
- Peachjar for electronic distribution of flyers
- Letters
- School banners
- New student orientations
- School emails

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

The Comprehensive School Site Safety Plan (CSSP) was developed in collaboration with law enforcement and the District Office to fulfill Senate Bill 187 requirements. The CSSP is managed by the District via Doc-Tracking. The school's most current plan is reviewed and updated to address safety, security and emergency preparedness. Schools are required to review and update their Comprehensive School Safety Plan (CSSP) with their School Site Councils and/or Safety Committees. Each school also meets with Santa Ana Unified School Police annually to discuss egress/ingress, crime data and other factors related to Crime Prevention Through Environmental Design (CPTED).

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement	18	18	22

All curriculum and instructional improvement activities at Segerstrom are aligned to the districts LCAP and School Plan for Student Achievement. These opportunities include, but are not limited to the following:

- Study Sync Language Arts curriculum training
- College Prep Math (CPM) program
- Advanced Placement (AP) training
- AVID Training (Advancement Via Individual Determination)
- Educational technology through CUE and OCCUE conferences
- Common Core instructional strategies and practical assessments
- English Language Arts training through UCI Writing Project and CA Association of Teachers of English conferences
- ERWC (Expository Reading and Writing Course CSU)
- Science professional development through National Science Teachers Association (NSTA) conference
- Language development training through CA Association of Bilingual Educators conference
- Assessment & data training including MAP, Illuminate and Aeries training
- Data Based Questions (DBQ) training
- CTAP Technology Training (California Technology Assistance Project)
- GATE Training (Gifted and Talented Education)
- Google Apps for Education Training
- Special Education

The majority of these PD days were in pull out day trainings provided at the school site. Professionals on campus and experts from outside the district came to our school to provide the above trainings. AVID strategies are also taught holistically and part of our professional development.

Career Technical Education Programs

The SAUSD Career Technical Education (CTE) program offers innovative and challenging courses with equitable access to prepare all students to be college and career ready. Students have the opportunity to take an integrated sequence of CTE courses called a CTE Pathway that focuses on an industry-specific program of study over a two to four-year period. SAUSD's CTE courses include a wide range of high-wage, high-skill, and high-demand career choices in the areas of science, technology, engineering, arts, and math (STEAM) pathways. We continue to focus on adding pertinent industry certifications and provide students the opportunity to work as interns for businesses within our community.

CTE Pathways in Santa Ana are designed to combine real-world and work-based relevance with academic rigor. Courses are aligned to both academic and CTE California State Standards with the main goal of preparing students for the workforce of the 21st century. To prepare all students to be college and career ready, courses have been updated to satisfy the rigorous "a-g" entrance requirements for the University of California (UC) and California State University (CSU) systems. In addition, many of our high school CTE courses offer either articulated or dual enrollment credit with local colleges that allow students to earn credit for both high school and college classes.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <u>https://dq.cde.ca.gov/dataquest/</u> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
