School Description

George Washington Carver Elementary School (Carver Elementary) opened in 1991 as a K-5 elementary school, located on the corner of West Santa Ana Boulevard in Santa Ana, CA. In 1998, Carver converted into a K-2 school and in July 1999, the site added grade 3. In the course of two school years, Carver transitioned into a TK-5 Elementary school, adding 4th grade in the 19-20 school year and 5th grade in the 20-21 school year. In addition to being a TK-5 grade elementary school, Carver also accommodates one State Preschool Program. In addition to the re-expansion of grade levels, the common grounds and building facilities underwent construction adding new classrooms and up-to date classroom technology.

The school's instructional program is structured around Common Core state standards and District approved curriculum. Teachers use Benchmark Advance for English Language Arts and Math Expressions for Mathematics. All English Learners participate in a 60-minute period of instruction in English Language Development (ELD) - 30 minutes of which are directly interwoven within the Language Arts teaching block and 30 minutes at their designated ELD level. To assist with the individual growth of our students, Carver is one of the first elementary schools to implement 1:1 technology and mounted interactive screen panels in every classroom. These devices assist teachers with blended learning and aid in personalized learning and small group instruction. As a school, we continue to focus on the individual growth of each student; taking every student at their own level and growing from there. Students who are not proficient in English Language Arts, Math, or English Language Development receive support during the school day, as well as before and after school. In addition, we believe that extracurricular activities in Visual and Performing arts are an essential component of teaching the whole child and developing a love for school. Every student on our campus receives weekly music instruction from a credentialed music teacher, as well as art instruction, and opportunities for on and off site music, theater and drama.

Carver Elementary is a welcoming and committed learning environment where all students are motivated to continue growing and learning. Our core values of respect, responsibility and safety are embedded into every school day. Teachers work collaboratively and have necessary resources to offer a clean and safe environment. Competent and caring staff welcome parent involvement. There is evidence of mutual trust and respect between district, community and school that all stakeholders' input is valued as an integral part of decision making. We offer our students and community a kindergarten readiness pre-school, after-school program, parenting classes, Zumba, onsite Family and Community Engagement worker, as well as before and after school tutoring services to assist in the overall development of their well-being. Carver has a licensed nurse one day a week that works collaboratively with our school team.

The mission of Carver Elementary School is to successfully educate all students through high expectations, a commitment to excellence, and equal access to a comprehensive program, emphasizing the belief that all students will learn and become responsible, literate, thinking and contributing members of society.

District Profile

Santa Ana Unified School District (SAUSD) is the eleventh largest district in the state, currently serving nearly 45,576 students in grades K-12, residing in the city of Santa Ana. As of 2019-20, SAUSD operates 36 elementary schools, 8 intermediate schools, 7 high schools, 4 educational options-secondary schools, and 1 dependent charter school. The student population is comprised of 81% enrolled in the Free or Reduced Price Meal program, 38% qualifying for English language learner support, and approximately 13% receiving special education services. Our district's schools have received California Distinguished Schools, National Blue Ribbon Schools, California Model School, Title I Academic Achieving Schools, and Governor's Higher Expectations awards in honor of their outstanding programs. In addition, 20 schools have received the Golden Bell Award since 1990.

Each of Santa Ana Unified School District's staff members, parent, and community partners have developed and maintained high expectations to ensure every student's intellectual, creative, physical, emotional, and social development needs are met. The district's commitment to excellence is achieved through a team of professionals dedicated to delivering a challenging, high-quality educational program. Consistent success in meeting student performance goals is directly attributed to the district's energetic teaching staff and strong parent and community support.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2020-21)

All textbooks used in the core curriculum throughout Santa Ana Unified School District are aligned to the California Content Standards and Frameworks. Instructional materials for grades K-8 are selected from the state's list of standards-based materials and adopted by the State Board of Education. Instructional materials for grades 9-12 are standards based and approved by the district's Board of Trustees. On September 22, 2020, the Santa Ana Unified School District's Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted Resolution No. 20/21-3370 which certifies as required by Education Code §60119 that for the 2020-2021 school year, the Santa Ana Unified School District has provided sufficient textbooks or instructional materials, or both, that are consistent with the content and cycles of the curriculum frameworks adopted by the State Board, to each pupil including those enrolled in a foreign language or health course, and that sufficient laboratory science equipment applicable to science laboratory courses offered in grades 9-12, inclusive, is available to pupils.

School Facility Conditions and Planned Improvements (Most Recent Year)

School custodial staff and the district's maintenance department work together to ensure classrooms and campus grounds are well-maintained and kept safe and functioning for students, staff, and visitors. Maintenance and Operations (M&O) employs an electronic work order system enabling school staff to communicate unscheduled maintenance needs, urgent repairs, or special projects. Most of the school's repairs and maintenance projects are performed by the district's highly qualified, professional trade specialists. Emergency situations are immediately resolved either by the school custodian or district maintenance staff, based upon the nature of the situation. Day and evening custodians work closely as a team and with the principal for routine maintenance, daily custodial duties, and special events preparations. The principal and day custodian communicate daily to discuss campus cleaning needs and safety concerns. Every morning before school begins, the custodian and principal inspect facilities for safety hazards, graffiti, and other conditions that require removal prior to students and staff entering school grounds. School safety and cleanliness are the custodians' highest priority and strongly emphasized as a component of their daily routines. Custodians are trained by M&O's administrators on proper cleaning procedures, use of chemicals, and use of equipment. The day custodians are responsible for following an established set of cleaning standards and prioritization procedures for general campus maintenance. The day custodian checks restrooms twice a day as a proactive measure in keeping facilities well stocked, safe, and sanitary. The evening custodians are responsible for thorough cleaning of classrooms, office areas, and restrooms. Groundskeepers are dispatched by the district office to perform general maintenance of landscaping, gardening, sports fields, and irrigation systems.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

- Other local measures on the sense of safety.

School Safety Plan (School Year 2020-2021)

2019-20 CSSP Approval Date: 10/24/2019

The Comprehensive School Site Safety Plan (CSSP) was developed in collaboration with law enforcement and the District Office to fulfill Senate Bill 187 requirements. The CSSP is managed by the District via Doc-Tracking. The school's most current plan is reviewed and updated to address safety, security and emergency preparedness. Schools are required to review and update their Comprehensive School Safety Plan (CSSP) with their School Site Councils and/or Safety Committees. Each school also meets with Santa Ana Unified School Police annually to discuss egress/ingress, crime data and other factors related to Crime Prevention Through Environmental Design (CPTED).
