### School Description

César E. Chávez High School's Vision is to meet the unique educational, physical, and social-emotional needs of our diverse student population in a safe and nurturing environment, while encouraging students to develop an enthusiasm for lifelong learning and the desire to pursue college and career opportunities.

César E. Chávez High School's Mission is to provide a second chance for students to achieve academic success that leads to graduation, college and career readiness. Through trauma-informed practices, rigorous instruction tailored according to students' needs, multi-tiered intervention, and the implementation of WHOLE student strategies, carried out by a caring and nurturing staff, our school will meet both the social-emotional and academic needs of our students. With this approach and in collaboration with community partners, our students will graduate high school and be equipped with the skills needed for college success and beyond.

César E. Chávez High School is a continuation school with the Santa Ana Unified School District. In a small setting, César E. Chávez offers a student-centered second chance at success with the goal of helping struggling students by serving the whole student. César E. Chávez High School has three main areas of focus: 1. Create a positive and supportive culture with trauma-informed care, a therapeutic web, positive and restorative relationships, social-emotional learning, schoolwide learning outcomes, and parent engagement; 2. Provide meaningful and engaging instruction through blended classrooms, project-based learning, reading, writing and math literacy, tutoring and academic support, and preparing students for college and career opportunities; and 3. Deliver a chance for accelerated academic achievement with accelerated credit opportunities, competency-based opportunities, credit recovery, APEX courses, college readiness, and small class sizes. César E. Chávez High School places a heavy emphasis on making students WHOLE through the processes of Wellness, Hopefulness, Organization, Literacy, and Empowerment.

To begin with, César E. Chávez focuses on student Wellness, with the belief that a healthy mind, body, and spirit are requirements for an engaged and productive learner. Next, César E. Chávez believes Hopefulness gives students the will to discover a purpose and thus develop their desired goals. Once students have found hope and wellness, the focus moves to Organization and Literacy. By creating and maintaining systems for order and increasing academic competence and knowledge, students open pathways for success. Through these interventions and supports, students at César E. Chávez will ultimately become Empowered, understanding how to effectively communicate their needs, and succeed in any environment. By becoming WHOLE, students will not only find success at César E. Chávez, but will find success in college, career, and life.

## District Profile

Santa Ana Unified School District (SAUSD) is the eleventh largest district in the state, currently serving nearly 45,576 students in grades K-12, residing in the city of Santa Ana. As of 2019-20, SAUSD operates 36 elementary schools, 8 intermediate schools, 7 high schools, 4 educational options-secondary schools, and 1 dependent charter school. The student population is comprised of 81% enrolled in the Free or Reduced Price Meal program, 38% qualifying for English language learner support, and approximately 13% receiving special education services. Our district's schools have received California Distinguished Schools, National Blue Ribbon Schools, California Model School, Title I Academic Achieving Schools, and Governor's Higher Expectations awards in honor of their outstanding programs. In addition, 20 schools have received the Golden Bell Award since 1990.

Each of Santa Ana Unified School District's staff members, parent, and community partners have developed and maintained high expectations to ensure every student's intellectual, creative, physical, emotional, and social development needs are met. The district's commitment to excellence is achieved through a team of professionals dedicated to delivering a challenging, high-quality educational program. Consistent success in meeting student performance goals is directly attributed to the district's energetic teaching staff and strong parent and community support.

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

### Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2020-21)

All textbooks used in the core curriculum throughout Santa Ana Unified School District are aligned to the California Content Standards and Frameworks. Instructional materials for grades K-8 are selected from the state's list of standards-based materials and adopted by the State Board of Education. Instructional materials for grades 9-12 are standards based and approved by the district's Board of Trustees. On September 22, 2020, the Santa Ana Unified School District's Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted Resolution No. 20/21-3370 which certifies as required by Education Code §60119 that for the 2020-2021 school year, the Santa Ana Unified School District has provided sufficient textbooks or instructional materials, or both, that are consistent with the content and cycles of the curriculum frameworks adopted by the State Board, to each pupil including those enrolled in a foreign language or health course, and that sufficient laboratory science equipment applicable to science laboratory courses offered in grades 9-12, inclusive, is available to pupils.

### School Facility Conditions and Planned Improvements (Most Recent Year)

School custodial staff and the district's maintenance department work together to ensure classrooms and campus grounds are well-maintained and kept safe and functioning for students, staff, and visitors. Maintenance and Operations (M&O) employs an electronic work order system enabling school staff to communicate unscheduled maintenance needs, urgent repairs, or special projects. Most of the school's repairs and maintenance projects are performed by the district's highly qualified, professional trade specialists. Emergency situations are immediately resolved either by the school custodian or district maintenance staff, based upon the nature of the situation. Day and evening custodians work closely as a team and with the principal for routine maintenance, daily custodial duties, and special events preparations. The principal and day custodian communicate daily to discuss campus cleaning needs and safety concerns. Every morning before school begins, the custodian, principal, and assistant principal inspect facilities for safety hazards, graffiti, and other conditions that require removal prior to students and staff entering school grounds. School safety and cleanliness are the custodians' highest priority and strongly emphasized as a component of their daily routines. Custodians are trained by M&O's administrators on proper cleaning procedures, use of chemicals, and use of equipment. The day custodians are responsible for following an established set of cleaning standards and prioritization procedures for general campus maintenance. The day custodian checks restrooms twice a day as a proactive measure in keeping facilities well stocked, safe, and sanitary. The evening custodians are responsible for thorough cleaning of classrooms, office areas, and restrooms. Groundskeepers are dispatched by the district office to perform general maintenance of landscaping, gardening, sports fields, and irrigation systems.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Math	0	N/A	28	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

### C. Engagement

#### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

#### Opportunities for Parental Involvement (School Year 2020-21)

Parents are encouraged to get involved in César E. Chávez High School's learning community by volunteering their time, attending school events, or sharing in the decision-making process. There is an active parent leadership group which formally meets weekly. Parents are always invited to help chaperone field trips. César E. Chávez High School provides a wide range of opportunities for parents to interact with school staff while supporting their child's academic efforts. These may include: Back to School Night; Open House; School Site Council; Field Trips; Graduation activities; Student performances; Student recognition assemblies; Academic and college advisement; and Parent education training and/or workshops.

The following campus organizations provide opportunities for parents to have input on curricular programs, activities, and the design of the School's Plan: School Site Council; School Safety Committee; English Language Advisory Council; and WASC's Parent Focus Groups

A Parent Leadership Group meets every Friday at 10:00 a.m. and is coordinated by the school's Family and Community Engagement Liaison. Parents seeking more information about becoming an active member in the school community may contact the school at (714) 430-5700.

School-to-home communication is provided in both English and Spanish. Through routine correspondence and special announcements, parents are kept informed on school news, student activities, schedules, policy changes, and class curriculum updates including the following formats: Blackboard Automated Phone Messaging System; School web site and/or Parent Portal; Public Service Channel 31 or 51; School and/or class newsletters; Flyers; Letters; School Banners; and Student Orientations.

**State Priority: School Climate**

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

**School Safety Plan (School Year 2020-2021)**

2019-20 CSSP Approval Date: 2/26/2020

The Comprehensive School Site Safety Plan (CSSP) was developed in collaboration with law enforcement and the District Office to fulfill Senate Bill 187 requirements. The CSSP is managed by the District via Doc-Tracking. The school's most current plan is reviewed and updated to address safety, security and emergency preparedness. Schools are required to review and update their Comprehensive School Safety Plan (CSSP) with their School Site Councils and/or Safety Committees. Each school also meets with Santa Ana Unified School Police annually to discuss egress/ingress, crime data and other factors related to Crime Prevention Through Environmental Design (CPTED).

**Suspensions and Expulsions**

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	0.9	5.8	3.1	3.2	3.5	3.5
Expulsions	0.3	0.3	0.0	0.0	0.1	0.1

**Suspensions and Expulsions for School Year 2019-2020 Only**

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	7.3	2.3	
Expulsions	0	0.0	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

**D. Other SARC Information**

### Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	10	10	16

All curricular and instructional improvement activities at César E. Chávez High School are aligned to the Common Core State Standards. Staff development concentrations are selected and identified based upon student assessment results, Local Control and Accountability Plan (LCAP) requirements, teacher input, state content standards, professional development surveys, the Western Association of Schools and Colleges (WASC)-Action Plan, the School Plan for Student Achievement (SPSA), and the school wide area of focus.

Professional development activities at César E. Chávez High School are focused on meeting School-Wide Student Learning Outcomes, School Plan for Student Achievement (SPSA) Goals, Local Control and Accountability Plan (LCAP) Goals, and helping students to become WHOLE, thus improving teaching and learning, improving engagement, improving the safety and culture of the school, and beginning to implement a Multi-Tiered System of Support (MTSS). During the 2018-2019 school year, all of César E. Chávez High School staff (both certificated and classified) participated in a Restorative Practices and Restorative Circles training, which when partnered with all the Trauma-informed training that the staff have received over that past 4 years only highlights their dedication of helping to make students WHOLE.

The Santa Ana Unified School District offers supplemental training and support for new and ongoing program implementation. Training activities take place throughout the school year, after school, and during the summer and generally focus on curriculum, teaching strategies, and methodologies. New teachers and teachers not yet fully credentialed are supported by peer coaching and extensive staff development. The Teacher Induction & Professional Support Program (TIPS) is a state-approved program that offers additional support and assistance to newly credentialed teachers. All new teachers are assigned to a Support Provider (mentor teacher) and provided individualized support over a two-year period. More information about the TIPS Induction Program is available on [www.sausdtips.org](http://www.sausdtips.org).

To support veteran teachers as well as new teachers to the district, Santa Ana Unified School District offers Peer Assistance and Review (PAR) which is easily defined as teachers helping teachers. Experienced and knowledgeable veteran teachers, referred to as Consulting Teachers, provide ongoing assistance to teachers who need to improve their instructional skills, classroom management strategies, subject knowledge, and/or related aspects of their teaching performance.

Staff members are encouraged and supported when possible to attend professional workshops and conferences. New teachers, experienced teachers, mentor/ teacher leaders, administrators, and support staff are encouraged to participate in workshops sponsored by the Orange County Department of Education and courses offered by community colleges and universities. Classified support staff may receive additional job-related training from vendors, department supervisors, and district representatives.

**Career Technical Education Programs**

The SAUSD Career Technical Education (CTE) program offers innovative and challenging courses with equitable access to prepare all students to be college and career ready through on-site, after-school, and virtual learning. Students take an integrated CTE course sequence called a CTE Pathway that focuses on an industry-specific program of study over a two to four-year period. SAUSD’s CTE courses include a wide range of high-wage, high-skill, and high-demand career choices in the areas of science, technology, engineering, arts, and math (STEAM). CTE regional, county, and state competitions build industry skills and leadership through CTE student organizations. We continue to focus on adding pertinent industry recommended certifications and providing students the chance to work with businesses in our community through internships, field trips, and guest speaker opportunities.

CTE courses in Santa Ana combine real-world and work-based relevance with academic rigor and are aligned to meet both academic and California State CTE Standards. CTE courses also meet the rigorous “A-G” entrance requirements for the University of California (UC) and California State University (CSU) systems. In addition, many of our high school CTE courses offer either articulated or dual enrollment credit with local colleges that allow students to earn credit for both high school and college classes.

**DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

**California School Dashboard**

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California’s new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California’s diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
