School Description

James A. Garfield Elementary School (Garfield Elementary) is located on Brown Street, southeast of Santa Ana Boulevard in the "Station District." Garfield Elementary is comprised of TK through 5th grade as well as hosting two State preschool classes on site. We believe that parents are our partners in education and are key to our students' success in school.

Garfield is a community of learners preparing its students for college, career, citizenship, and success in the 21st Century. In order to increase critical thinking skills, we embed AVID systematically in all 2nd-5th grade classrooms throughout the day and utilize Thinking Maps to help students visualize their thinking, participate orally, and in writing. Developing key foundational skills in English Language Arts (ELA), English Language Development (ELD) and Math, are key in striving to meet this goal. In order to propel all students to read on grade level by third grade, one of our primary foci is on early literacy skills integrated with blended and personalized learning. Utilizing both the ELA and ELD Frameworks, in conjunction with Benchmark Advance, our English Learners (ELs) are supported throughout the day with both designated and integrated ELD. This will help us achieve our goal of all EL students to be reclassified as English proficient within 5 years. In mathematics, in order to ensure that all student are algebra ready, we are implementing Math Expressions and the online component Think Central. This State adopted program embeds all of the eight mathematical practices found in our Common Core State Standards (CCSS). In science, we are utilizing practices found in "STEAM" (Science-Technology-Engineering-Arts-Mathematics) focused lessons. All of our teachers have been trained in Project Lead the Way (PLTW) and in the Next Generation Science Standards (NGSS) and all grade levels are implementing at least one Project Based Learning (PBL) unit.

From summer enrichment programs, to Saturday "Elementary is Engineering" sessions, to Meet the Masters and partnering with Disney Musicals in Schools -- Garfield is committed to ensuring that our students are given opportunities, experiences, and programs that are culturally relevant and bring learning to life. Garfield partners closely with our parents during family STEAM nights, math nights, and literacy events throughout the year. Our older students also have opportunities to participate on the Speech and Debate Team, Math Team, National History Day, and Student Council. Our Gators are taught to be safe, respectful, and responsible through the implementation of the Positive Behavioral Interventions and Supports (PBIS) framework and Restorative Practices. We pride ourselves on being recognized as a Platinum PBIS school and for the 19-20 school year we received the PBIS Community Cares Award for our work and contribution to the support and care of students during the COVID-19 Pandemic. We are dedicated to developing a Growth Mindset and self-management skills in order to ensure that students are socially and emotionally well-adjusted and prepared for the 21st Century.

School Mission:

Garfield Elementary is dedicated to providing a safe, responsible, and respectful learning environment. Students are encouraged to be productive citizens, active participants, and contributors on campus and in our community. Through differentiated instruction and parent involvement, students participate in diverse and innovative experiences, where critical thinking, collaboration, creativity, and communication are fostered. Through collaboration, all stakeholders ensure that students attain competency in the CCSS and 21st Century Skills.

School's Vision:

We are a community of resilient, confident learners who will persevere to be successful in college, career, and global citizenship.

District Profile

Santa Ana Unified School District (SAUSD) is the eleventh largest district in the state, currently serving nearly 45,576 students in grades K-12, residing in the city of Santa Ana. As of 2019-20, SAUSD operates 36 elementary schools, 8 intermediate schools, 7 high schools, 4 educational options-secondary schools, and 1 dependent charter school. The student population is comprised of 81% enrolled in the Free or Reduced Price Meal program, 38% qualifying for English language learner support, and approximately 13% receiving special education services. Our district's schools have received California Distinguished Schools, National Blue Ribbon Schools, California Model School, Title I Academic Achieving Schools, and Governor's Higher Expectations awards in honor of their outstanding programs. In addition, 20 schools have received the Golden Bell Award since 1990.

Each of Santa Ana Unified School District's staff members, parent, and community partners have developed and maintained high expectations to ensure every student's intellectual, creative, physical, emotional, and social development needs are met. The district's commitment to excellence is achieved through a team of professionals dedicated to delivering a challenging, high-quality educational program. Consistent success in meeting student performance goals is directly attributed to the district's energetic teaching staff and strong parent and community support.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2020-21)

All textbooks used in the core curriculum throughout Santa Ana Unified School District are aligned to the California Content Standards and Frameworks. Instructional materials for grades K-8 are selected from the state’s list of standards-based materials and adopted by the State Board of Education. Instructional materials for grades 9-12 are standards based and approved by the district’s Board of Trustees. On September 22, 2020, the Santa Ana Unified School District’s Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted Resolution No. 20/21-3370 which certifies as required by Education Code §60119 that for the 2020-2021 school year, the Santa Ana Unified School District has provided sufficient textbooks or instructional materials, or both, that are consistent with the content and cycles of the curriculum frameworks adopted by the State Board, to each pupil including those enrolled in a foreign language or health course, and that sufficient laboratory science equipment applicable to science laboratory courses offered in grades 9-12, inclusive, is available to pupils.

School Facility Conditions and Planned Improvements (Most Recent Year)

Due to construction, the school was not inspected for the 2020-21 school year.

School custodial staff and the district's maintenance department work together to ensure classrooms and campus grounds are well-maintained and kept safe and functioning for students, staff, and visitors. Maintenance and Operations (M&O) employs an electronic work order system enabling school staff to communicate unscheduled maintenance needs, urgent repairs, or special projects. Most of the school's repairs and maintenance projects are performed by the district's highly qualified, professional trade specialists. Emergency situations are immediately resolved either by the school custodian or district maintenance staff, based upon the nature of the situation. Day and evening custodians work closely as a team and with the principal for routine maintenance, daily custodial duties, and special events preparations. The principal and day custodian communicate daily to discuss campus cleaning needs and safety concerns. Every morning before school begins, the custodian and principal inspect facilities for safety hazards, graffiti, and other conditions that require removal prior to students and staff entering school grounds. School safety and cleanliness are the custodians' highest priority and strongly emphasized as a component of their daily routines. Custodians are trained by M&O's administrators on proper cleaning procedures, use of chemicals, and use of equipment. The day custodians are responsible for following an established set of cleaning standards and prioritization procedures for general campus maintenance. The day custodian checks restrooms twice a day as a proactive measure in keeping facilities well stocked, safe, and sanitary. The evening custodians are responsible for thorough cleaning of classrooms, office areas, and restrooms. Groundskeepers are dispatched by the district office to perform general maintenance of landscaping, gardening, sports fields, and irrigation systems.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-21)

Parents are encouraged to get involved in Garfield Elementary School's learning community by volunteering their time, attending school events, or sharing in the decision-making process. The school welcomes assistance in the classroom, library and/or media center on special days. Parents are always invited to help chaperon field trips. Garfield Elementary School provides a wide range of opportunities for parents to become engaged and interact with school staff, while supporting their child and academic efforts; these may include:

- Back to school night
- Open house
- Fundraisers
- Music/choir and/or student performances
- Disney Musicals In Schools
- Promotion activities
- Student recognition assemblies
- Parent education training and/or workshops with each grade level team
- Parenting support classes provided by Padres Unidos
- Parent workshops through Raising Highly Capable Kids Curriculum
- Technology classes for parents
- Raising A Reader program
- Site LCAP Meeting
- Kids Run the OC
- Meet the Masters Art Program
- Monthly parent meetings
- Disciplina Positiva
- Kaiser Permanente Workshops
- PTA
- Family STEAM and Math Nights
- Targeted Literacy Workshops

The following campus organizations provide opportunities for parents to have input on curricular programs, activities, and the design of the School Plan:

- School Site Council (SSC)
- English Language Advisory Council (ELAC)
- Parent Teacher Association (PTA)
- Padres en Acción
- Wellness Committee
- Site LCAP Meeting
- Safety Committee
- SAELI-NLT (Santa Ana Early Learning Initiative)
- Padres Unidos

Parents seeking more information about becoming an active member in the school community may contact the principal or Teacher on Special Assignment (TOSA) at (714) 972-5300.

School-to-home communication is provided in both English and Spanish. Through routine correspondence and special announcements, parents are kept informed on school news, student activities, schedules, policy changes, and class curriculum updates including the following formats:

- ParentSquare Messaging Program
- Email Blasts
- School website
- Public Service Channel 31 or 51
- School and/or Class newsletters
- Flyers
- Letters
- School Marquee/Banners

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2020-2021)

2019-20 CSSP Approval Date: 1/27/2020

The Comprehensive School Site Safety Plan (CSSP) was developed in collaboration with law enforcement and the District Office to fulfill Senate Bill 187 requirements. The CSSP is managed by the District via Doc-Tracking. The school’s most current plan is reviewed and updated to address safety, security and emergency preparedness. Schools are required to review and update their Comprehensive School Safety Plan (CSSP) with their School Site Councils and/or Safety Committees. Each school also meets with Santa Ana Unified School Police annually to discuss egress/ingress, crime data and other factors related to Crime Prevention Through Environmental Design (CPTED).

Suspensions and Expulsions

Suspensions	0.5	0.5	3.1	3.2	3.5	3.5
Expulsions	0.0	0.0	0.0	0.0	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	0.9	2.3	
Expulsions	0	0.0	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	12	8	10

All curriculum and instructional improvement activities at Santa Ana Unified School District are aligned to the California Common Core State Standards and Frameworks. Staff development concentrations are identified and selected based upon the shift to the implementation of the California Common Core State Standards (CCSS), student assessment results, CORE requirements, teacher input, and state content standards. Areas of focus are aligned with Local Control Accountability Plan. All schools are also being supported in establishing Positive Behavioral Interventions and Supports (PBIS) to support the Conditions of Learning goal.

All staff development activities at Santa Ana Unified School District are focused on increasing early literacy, algebra readiness, EL proficiency, and access to additional curriculum for students and parents. During the 2018-19 school year, all staff members have been involved in 4 days of Benchmark Advance ELA/ELD professional development. Staff training topics included: Implementation of Benchmark Advance, ELD, Differentiated Instruction with Foundational Skills, and Writing. Second-fifth grade have attended or are going to attend the AVID Conference or Foundations professional development. Second-fifth grade teachers are committed to implementing AVID for all. By the end of the year, all teachers will have been trained in basic Restorative Practices through the i3 grant through our District. In addition Garfield teachers are revisited 6 times a year by our math coach, who works with grade levels through demonstration lessons, co-teaching, coaching, planning, and content based PD. This year she is provided extensive support with establishing Math Talk communities in all classrooms.

Garfield is continuing to enhance Multi-Tiered Systems of Support (MTSS) with differentiation in Foundational Skills, Positive Behavioral Interventions and Supports (PBIS) including Restorative Practices, and Integration of Technology into Instruction and teachers receive on going professional development throughout the year at a variety of workshops.

Santa Ana Unified School District offers supplemental training and support for new and ongoing program implementation. Additional professional development opportunities take place throughout the school year, after school, and during the summer and generally focus on curriculum, TK-5th grade Reading Academy, TK-5th Grade IMP training, and implementation of Benchmark Advance Interim Assessments in ELA.

Garfield Elementary teachers are supported by district ELA and Early Literacy Curriculum Specialists. Teachers are supported in mathematics by our partnership with the Irvine Math Project, Math Expressions National Trainer, and District specialists. Teachers in need of additional support are assisted by our TOSA, Behavioral Specialists, Pupil Support Services (PSS) specialists, and counselors.

New teachers and teachers not yet fully credentialed are supported by peer coaching and extensive staff development. The TIPS Induction Program (Teacher Induction and Professional Support) is a state-approved program that offers additional support and assistance to newly credentialed teachers. All new teachers are assigned to a Support Provider (mentor teacher) and provided individualized support over a two-year period. More information about the TIPS Induction Program is available on www.sausdtips.org.

To support veteran teachers as well as new teachers to the district, Santa Ana Unified School District offers Peer Assistance and Review (PAR) which is easily defined as teachers helping teachers. Experienced and knowledgeable veteran teachers, referred to as Consulting Teachers, provide ongoing assistance to teachers who need to improve their instructional skills, classroom management strategies, subject knowledge, and/or related aspects of their teaching performance.

Staff members are encouraged to attend professional workshops and conferences. New teachers, experienced teachers, mentor/ teacher leaders, administrators, and support staff are encouraged to participate in workshops sponsored by the Orange County Office of Education and courses offered by community colleges and universities, and online personalized learning. Classified support staff may receive additional job-related training from vendors, department supervisors, and district representatives.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
