School Description

Greenville Fundamental Elementary School (Greenville Fundamental) is located at the corner of South Raitt Street and West MacArthur Boulevard in the city of Santa Ana. As a school of choice, students residing in the district's attendance boundaries are eligible for enrollment through a district-run lottery system. Students that live outside the district are also able to attend once the lottery or waitlist of students that reside in the district has been exhausted. Staff and parents of Greenville Fundamental are committed to a K-5 instructional program that provides all students with the opportunity to acquire the knowledge and skills needed to become life-long learners, to develop problem-solving and critical thinking skills, and to gain the cultural understanding, principles, and civic values necessary for participation in a democratic society. The success of this program is based on a continuum of learning experiences that address the special academic, social, and physical needs of all students; the access of all staff members to staff development opportunities to expand the knowledge and skills required to meet the identified needs of all students; and a strong collaborative school partnership with parents and community. Greenville Fundamental students are prepared to be college and career ready.

Mission Statement:

At Greenville Fundamental, staff and parents will work together to establish an excellent foundation for life-long learning, a strong sense of responsibility and respect for self and others by nurturing, guiding, and challenging all of our students to aim high, take pride in their achievements and to reach their maximum potential.

PBIS Statement:

Greenville Fundamental School is a community of SMART scholars who strive for academic and social success.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2020-21)

All textbooks used in the core curriculum throughout Santa Ana Unified School District are aligned to the California Content Standards and Frameworks. Instructional materials for grades K-8 are selected from the state's list of standards-based materials and adopted by the State Board of Education. School Facility Conditions and Planned Improvements (Most Recent Year)

School custodial staff and the district's maintenance department work together to ensure classrooms and campus grounds are well-maintained and kept safe and functioning for students, staff, and visitors. Maintenance and Operations (M&O) employs an electronic work order system enabling school staff to communicate unscheduled maintenance needs, urgent repairs, or special projects. Most of the school's repairs and maintenance projects are performed by the district's highly qualified, professional trade specialists. Emergency situations are immediately resolved either by the school custodian or district maintenance staff, based upon the nature of the situation. Day and evening custodians work closely as a team and with the principal for routine maintenance, daily custodial duties, and special events preparations. The principal and day custodian communicate daily to discuss campus cleaning needs and safety concerns. Every morning before school begins, the custodian, principal, and assistant principal inspect facilities for safety hazards, graffiti, and other conditions that require removal prior to students and staff entering school grounds. School safety and cleanliness are the custodians' highest priority and strongly emphasized as a component of their daily routines. Custodians are trained by M&O's administrators on proper cleaning procedures, use of chemicals, and use of equipment. The day custodians are responsible for following an established set of cleaning standards and prioritization procedures for general campus maintenance. The day custodian checks restrooms twice a day as a proactive measure in keeping facilities well stocked, safe, and sanitary. The evening custodians are responsible for thorough cleaning of classrooms, office areas, and restrooms. Groundskeepers are dispatched by the district office to perform general maintenance of landscaping, gardening, sports fields, and irrigation systems.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

School Safety Plan (School Year 2020-2021)

2019-20 CSSP Approval Date: 2/25/2020

The Comprehensive School Site Safety Plan (CSSP) was developed in collaboration with law enforcement and the District Office to fulfill Senate Bill 187 requirements. The CSSP is managed by the District via Doc-Tracking. The school’s most current plan is reviewed and updated to address safety, security and emergency preparedness. Schools are required to review and update their Comprehensive School Safety Plan (CSSP) with their School Site Councils and/or Safety Committees. Each school also meets with Santa Ana Unified School Police annually to discuss egress/ingress, crime data and other factors related to Crime Prevention Through Environmental Design (CPTED).

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	2	2	4

All curriculum and instructional improvement activities at Santa Ana Unified School District are aligned to the Common Core State Standards and strategies to help engage students in their learning. Staff development concentrations are selected and identified based on student assessment results, LCAP requirements, teacher input, state content standards, and professional development surveys.

All staff development activities in Santa Ana Unified School District are focused on increasing student learning and proficiency.

For 2018-19 we have a newly adopted English Language Arts program called Benchmark Advanced. Staff development predominantly focused on the newly adopted ELA curriculum along with the review of our safety protocols. Teachers were provided 2 days of staff development prior to the start of school. Classified were provided a half-day, as most at our site were half day.

For the 2019-20 school year, we again revisited and updated our Safety protocols, revisited the Math adoption, and also explored the Multi-tiered Systems of Supports System or MTSS. 2 days of professional development were provided to teachers prior to the start of school. Classified staff were provided a half-day, as most at our school site are employed half day.

For the 2020-21 school year, there was extensive staff development prior to the start of school that focused on remote teaching and learning for students, 4 days. Due to the pandemic, the district was able to extend the number of staff development days for teachers which began with a basic platform in how to prepare a Google classroom for students to access their assignments for both synchronous and asynchronous learning, to understanding students Socio-emotional status and how to respond. In addition, or the first 12 weeks of school teachers were given 1 hour a week to continue with their professional development and to deepen their understanding of distance learning and how to meet the needs of students.
