School Description

Herbert Hoover Elementary School (Hoover Elementary) serves 321 students in grades TK-5. Our school is located at 408 E. Santa Clara Avenue, in the northwest neighborhood of the city of Santa Ana. We strongly support our Hoover motto, "At Hoover, all students can and will learn," and have built a cooperative culture in which all stakeholders, students, parents, and staff, play a key role in the success of our school programs. We pride ourselves in developing the "whole" child. At Hoover Elementary, we embrace our PBIS program and our students are safe, responsible, and respectful in their learning and in their actions around campus. We monitor and measure student achievement through multiple formative assessments (DIBELS, MAP, STAR), as well as summative assessments (ELPAC, CAASPP). The results of these assessments inform instructional practices and provide students with feedback to set achievement goals. We are excited to provide all students access to an equitable and inclusive learning environment with a high quality standards-based curriculum that prepares them to be college and career ready in the 21st century.

School Mission:

It is the mission of Hoover Elementary to build a community of lifelong learners who will strive to achieve their highest academic potential in a safe environment using a rigorous curriculum, based on the Common Core State Standards. All Hoover staff, parents, and community members pursue and explore every resource available to meet the intellectual, physical, and emotional needs of all students so that they become successful, productive, and contributing members of the community.

District Profile

Santa Ana Unified School District (SAUSD) is the eleventh largest district in the state, currently serving nearly 45,576 students in grades K-12, residing in the city of Santa Ana. As of 2019-20, SAUSD operates 36 elementary schools, 8 intermediate schools, 7 high schools, 4 educational options-secondary schools, and 1 dependent charter school. The student population is comprised of 81% enrolled in the Free or Reduced Price Meal program, 38% qualifying for English language learner support, and approximately 13% receiving special education services. Our district's schools have received California Distinguished Schools, National Blue Ribbon Schools, California Model School, Title I Academic Achieving Schools, and Governor's Higher Expectations awards in honor of their outstanding programs. In addition, 20 schools have received the Golden Bell Award since 1990.

Each of Santa Ana Unified School District's staff members, parent, and community partners have developed and maintained high expectations to ensure every student's intellectual, creative, physical, emotional, and social development needs are met. The district's commitment to excellence is achieved through a team of professionals dedicated to delivering a challenging, high-quality educational program. Consistent success in meeting student performance goals is directly attributed to the district's energetic teaching staff and strong parent and community support.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2020-21)

All textbooks used in the core curriculum throughout Santa Ana Unified School District are aligned to the California Content Standards and Frameworks. Instructional materials for grades K-8 are selected from the state’s list of standards-based materials and adopted by the State Board of Education. Instructional materials for grades 9-12 are standards based and approved by the district’s Board of Trustees. On September 22, 2020, the Santa Ana Unified School District’s Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted Resolution No. 20/21-3370 which certifies as required by Education Code §60119 that for the 2020-2021 school year, the Santa Ana Unified School District has provided sufficient textbooks or instructional materials, or both, that are consistent with the content and cycles of the curriculum frameworks adopted by the State Board, to each pupil including those enrolled in a foreign language or health course, and that sufficient laboratory science equipment applicable to science laboratory courses offered in grades 9-12, inclusive, is available to pupils.

School Facility Conditions and Planned Improvements (Most Recent Year)

School custodial staff and the district's maintenance department work together to ensure classrooms and campus grounds are well-maintained and kept safe and functioning for students, staff, and visitors. Maintenance and Operations (M&O) employs an electronic work order system enabling school staff to communicate unscheduled maintenance needs, urgent repairs, or special projects. Most of the school's repairs and maintenance projects are performed by the district's highly qualified, professional trade specialists. Emergency situations are immediately resolved either by the school custodian or district maintenance staff, based upon the nature of the situation. Day and evening custodians work closely as a team and with the principal for routine maintenance, daily custodial duties, and special events preparations. The principal and day custodian communicate daily to discuss campus cleaning needs and safety concerns. Every morning before school begins, the custodian and principal inspect facilities for safety hazards, graffiti, and other conditions that require removal prior to students and staff entering school grounds. School safety and cleanliness are the custodians' highest priority and strongly emphasized as a component of their daily routines. Custodians are trained by M&O's administrators on proper cleaning procedures, use of chemicals, and use of equipment. The day custodians are responsible for following an established set of cleaning standards and prioritization procedures for general campus maintenance. The day custodian checks restrooms twice a day as a proactive measure in keeping facilities well stocked, safe, and sanitary. The evening custodians are responsible for thorough cleaning of classrooms, office areas, and restrooms. Groundskeepers are dispatched by the district office to perform general maintenance of landscaping, gardening, sports fields, and irrigation systems.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-21)

Parents are encouraged to get involved in Hoover Elementary School's learning community by volunteering their time, attending school events, and sharing in the decision-making process. The school welcomes assistance in the classroom, library, and/or media center, and on special days. Hoover Elementary School provides a wide range of opportunities for parents to interact with school staff while supporting their child's academic efforts. These may include:

- Back to School Night
- Open House
- Monthly Parent Meetings offered in the mornings and evenings
- Parent Classes: Parenting, Nutrition, Safety
- Student performances
- Music/choir and/or theatre performances
- Hoover Movie Night
- Jog-A-Thon
- Promotion activities
- Monthly student recognition assemblies, monthly writing awards, and trimester awards assemblies

Parents are kept informed and updated of their child's progress in all curricular areas through:

- Progress Reports
- Report Cards
- ELPAC and CAASPP test results
- Individual district assessment results (DIBELS, MAP, Benchmark Advance Interim Assessments, Renaissance STAR)
- Individual phone calls
- COST meetings
- SST meetings
- Parent-teacher conferences

The following campus organizations provide opportunities for parents to have input on curricular programs, activities, and the design of the School's Plan:

- School Site Council
- English Language Advisory Council

School-to-home communication is provided in both English and Spanish. Through routine correspondence and special announcements, parents are kept informed on school news, student activities, schedules, policy changes, and class curriculum updates, including the following formats:

- ParentSquare
- School web site
- Bilingual monthly newsletters
- Bilingual flyers
- Bilingual letters

Parents seeking more information about becoming an active member in the school community may contact the school at (714) 564-2100.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2020-2021)

2019-20 CSSP Approval Date: 3/9/2020

The Comprehensive School Site Safety Plan (CSSP) was developed in collaboration with law enforcement and the District Office to fulfill Senate Bill 187 requirements. The CSSP is managed by the District via Doc-Tracking. The school's most current plan is reviewed and updated to address safety, security and emergency preparedness. Schools are required to review and update their Comprehensive School Safety Plan (CSSP) with their School Site Councils and/or Safety Committees. Each school also meets with Santa Ana Unified School Police annually to discuss egress/ingress, crime data and other factors related to Crime Prevention Through Environmental Design (CPTED).

Suspensions and Expulsions

Expulsions	0.0	0.0	0.0	0.0	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	0	2.3	
Expulsions	0	0.0	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	13	11	3

All curriculum and instructional improvement activities at Hoover Elementary School are aligned to the California Common Core State Standards. Staff development concentrations are selected and identified based upon student assessment results, teacher input, state content standards, and professional development surveys. Teachers and support staff attend staff development sessions after school, on release days, Saturdays, and on professional development days.

During the 2019-20 school year, our school sponsored 2 days of staff development. Staff training topics at Hoover included: Safety Training, active shooter response, compliance items (child abuse mandated reporting, sexual harassment), California Common Core State Standards, implementation of our new reading Benchmark program, Positive Behavioral Interventions and Expectations, data chats, and utilizing advanced LEXIA reports to inform instruction. Based on achievement data (CAASPP, MAP, and DIBELS results), Hoover's instructional focus continues to be reading and writing, but this year an emphasis was also placed on mathematics to ensure SBAC performance. On release days, teachers met individually with the principal to evaluate MAP assessment results in both reading and math, compare them to CASSPP scores (grades 4-5), and review DIBELS scores (grades TK-3) to inform instruction. Throughout the year, teachers were provided learning opportunities in one hour long staff development meetings, which included state testing administration training (CASSPP and ELPAC), MAP assessment administration, technology areas as needed, GATE identification and referral, Illuminate training by the Research and Evaluation department, maximizing the use of our software, and health training and seizure response. During collaboration meetings and on release days, teachers analyzed student data to inform instruction. In addition, our teachers completed the district-sponsored Benchmark trainings and Irvine Math Project trainings during the summer and release days. As a result of the Covid19 pandemic and ensuing school closure on March 13, 2020, staff development shifted focus to providing effective virtual instruction in all areas of the curriculum.

All staff development activities at Hoover are focused on increasing student achievement. During the 2020-21 school year, staff training will focus on providing effective distance learning opportunities for all of our students. All Hoover teachers participated in the week-long SAUSD Distance Learning Professional Development through Google classroom. Teachers completed a self-assessment survey that guided their learning. The modules included training in foundational technology skills, digital tools, communication, emotional wellbeing, and promoting student engagement in the virtual setting. Teachers were also trained on several platforms that support math, English Language Arts, and English Language Development instruction, and on differentiating instruction during distance learning. Throughout the first trimester, teachers will continue to participate in one hour of staff development a week and track their progress on leveled PD Trackers. During collaboration meetings and on release days, teachers will continuously analyze achievement data and identify areas of need to inform instruction. Under the Hybrid Model, teachers will participate in professional development every Wednesday.

Santa Ana Unified School District offers supplemental training and support for new and ongoing program implementation. Training activities take place throughout the school year, after school, and during the summer, with a focus on curriculum, teaching strategies, and methodologies. During the last three years, district training opportunities focused on the following:

- Distance Learning
- Positive Behavioral Intervention System and Expectations
- Common Core State State Standards
- Math Instruction - Math Expressions and Irvine Math Project
- Reading Instruction - Benchmark Reading
- Gifted and Talented Education
- Working with Parents and Students on Career and College Readiness
- Special Education
- Making Meaning Through Writing
- Cognitive Guided Instruction (Math - CGI)
- Data Analysis and Using Data to Drive Instruction
- MAP Assessments in Reading and Math

Staff members are encouraged to attend professional workshops and conferences. New teachers, experienced teachers, mentor/ teacher leaders, administrators, and support staff are encouraged to participate in workshops provided by SAUSD or sponsored by the Orange County Office of Education throughout the year, as well as courses offered by community colleges and universities. Classified support staff may receive additional job-related training from department supervisors and district representatives.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
