School Description

Santa Ana High School (SAHS) is situated in a densely populated urban setting surrounded by a mixture of businesses and residences. Located in Santa Ana, California, we are a comprehensive high school with grades 9 - 12. Students typically walk from nearby residential communities. The majority of the students attending SAHS come to us from Willard, Mendez, Sierra, and Lathrop Intermediate Schools in the Santa Ana Unified School District.

Established in 1889, SAHS is the oldest high school in Orange County. SAHS enjoys a positive reputation within the SAUSD and surrounding community for many reasons, including significantly improved student achievement. Recent graduates have attended Harvard, Yale, Stanford, MIT, UC Berkeley, and other fine institutions of higher learning. In the school's 130 year history, many certificated and classified staff members are alumni. As the oldest and largest of the six comprehensive high schools, the district looks to SAHS for leadership in implementing strategies to strengthen student proficiency in language arts and math. SAHS has developed a school-wide focus on academic achievement in these areas based on standards-based instruction, data-driven planning and targeted intervention programs.

Vision Statement:

At Santa Ana High School our vision is to empower our students to be critical thinkers and confident communicators who are college and career ready.

Mission Statement:

At Santa Ana High School our mission is to build personal connections with our students while providing opportunities and a rigorous academic environment so they recognize their capacity to contribute to their community while creating a plan for success in high school and beyond.

District Profile

Santa Ana Unified School District (SAUSD) is the eleventh largest district in the state, currently serving nearly 45,576 students in grades K-12, residing in the city of Santa Ana. As of 2019-20, SAUSD operates 36 elementary schools, 8 intermediate schools, 7 high schools, 4 educational options-secondary schools, and 1 dependent charter school. The student population is comprised of 81% enrolled in the Free or Reduced Price Meal program, 38% qualifying for English language learner support, and approximately 13% receiving special education services. Our district's schools have received California Distinguished Schools, National Blue Ribbon Schools, California Model School, Title I Academic Achieving Schools, and Governor's Higher Expectations awards in honor of their outstanding programs. In addition, 20 schools have received the Golden Bell Award since 1990.

Each of Santa Ana Unified School District's staff members, parent, and community partners have developed and maintained high expectations to ensure every student's intellectual, creative, physical, emotional, and social development needs are met. The district's commitment to excellence is achieved through a team of professionals dedicated to delivering a challenging, high-quality educational program. Consistent success in meeting student performance goals is directly attributed to the district's energetic teaching staff and strong parent and community support.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2020-21)

All textbooks used in the core curriculum throughout Santa Ana Unified School District are aligned to the California Content Standards and Frameworks. Instructional materials for grades K-8 are selected from the state's list of standards-based materials and adopted by the State Board of Education. Instructional materials for grades 9-12 are standards based and approved by the district's Board of Trustees. On September 22, 2020, the Santa Ana Unified School District's Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted Resolution No. 20/21-3370 which certifies as required by Education Code §60119 that for the 2020-2021 school year, the Santa Ana Unified School District has provided sufficient textbooks or instructional materials, or both, that are consistent with the content and cycles of the curriculum frameworks adopted by the State Board, to each pupil including those enrolled in a foreign language or health course, and that sufficient laboratory science equipment applicable to science laboratory courses offered in grades 9-12, inclusive, is available to pupils.

School Facility Conditions and Planned Improvements (Most Recent Year)

School custodial staff and the district maintenance department work together to ensure classrooms and campus grounds are well-maintained and kept safe and functioning for students, staff, and visitors. Maintenance and Operations (M&O) employs an electronic work order system enabling school staff to communicate unscheduled maintenance needs, urgent repairs, or special projects. Most of the school's repairs and maintenance projects are performed by the district's highly qualified, professional trade specialists. Emergency situations are immediately resolved either by the school custodian or district maintenance staff, based upon the nature of the situation. Day and evening custodians work closely as a team and with the principal designee for routine maintenance, daily custodial duties, and special events preparations. The principal/designee and day custodian communicate daily to discuss campus cleaning needs and safety concerns. Every morning before school begins, the custodian, principal/designee inspect facilities for safety hazards, graffiti, and other conditions that require removal prior to students and staff entering school grounds. School safety and cleanliness are the custodians highest priority and strongly emphasized as a component of their daily routines. Custodians are trained by M&O administrators on proper cleaning procedures, use of chemicals, and use of equipment. The day custodians are responsible for following an established set of cleaning standards and prioritization procedures for general campus maintenance. The day custodian checks restrooms twice a day as a proactive measure in keeping facilities well stocked, safe, and sanitary. The evening custodians are responsible for thorough cleaning of classrooms, office areas, and restrooms. Groundskeepers are dispatched by the district office to perform general maintenance of landscaping, gardening, sports fields, and irrigation systems.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-21)

Parents are encouraged to get involved in Santa Ana High School's learning community by volunteering their time, attending school events, or sharing in the decision-making process. The establishment of the Family Wellness Center in counseling affords many new opportunities for parents to meet with school personnel, keep up with student progress and to learn new skills. We have staff who work exclusively on promoting parent involvement by creating a welcoming and sharing atmosphere on our campus. Parents are always invited to help chaperone field trips, become members of the School Site Council, and be part of the Padres Saints/ELAC. Santa Ana High School provides a wide range of opportunities for parents to interact with school staff while supporting their child's academic efforts.

To increase parent involvement and ensure understanding of the high school education system in order to improve student learning at home and at school:

- The Parent Liaison, Outreach Consultant, ELD Coordinator and site ELAC representatives will facilitate monthly Padres Saints/ELAC meetings.
- Counselors and administration will conduct regular meetings to present information to parents.
- Parent access to student information through Aeries Parent Portal has increased parent awareness and provided a new focus on topics for parent meetings.
- Facilitate timely parent meetings in which parents are taught to read and analyze test results (ELPAC, MAP, ACT, SAT, PSAT, SBAC, AP, etc). Help parents understand how this will affect the academic future of their children.

To accomplish this we will maintain a Family Wellness Center to ensure that parents, students and community members have access to support and resources.

- The Parent Liaison, Outreach Consultant and other staff members will maintain the Family Wellness Center, providing hospitable surroundings for parents, including a small area for children.
- The Parent Liaison, Outreach Consultant and other staff members will facilitate communication with teachers and administrators for non-English speaking parents.
- Extra space for larger meetings has been provided by the school, as parent participation continues to grow.

The school will provide ongoing educational opportunities for parents to increase engagement, partnership and student success:

- The Parent Liaison, Outreach Consultant, ELD Coordinator, counseling staff and administration will schedule information sessions and classes for parents.
- These will include but not be limited to site-conducted Aeries access training, Higher Education workshops, ELPAC testing, academic presentations on site programs such as Accelerated Reader, iLit, Saints Academy, the English Learner Saturday Academy and AP tutoring.
- Counselors will conduct parent information sessions on graduation and college attendance and Partnership activities.
- SAHS will promote parent membership and leaders in the English Learner Advisory Committee and School Site Council to serve as advisors to the Principal.
- SAHS parent leaders will work collaboratively with parent leaders of feeder schools.
- The Parent Liaison and the counseling staff will ensure that parents are made aware of extracurricular programs and academic programs available to students; i.e., CTE, AVID, Talent Search, CSF, Nicholas Center, HALOs, student selections process, registration deadlines, etc.
- Provide mental health services to students as needed - Safety of Students (SOS) program, conducted through the psychologist's office, We Care suicide prevention
- Provide Restorative Practices and Violence Prevention programs to students as needed to maintain a safe and positive "Way of the Saints" culture on campus.
- Workshops, such as Disciplina Positiva, are held regularly to provide tools and resources for positive parenting.
- Offer Turning Point counseling services (off-site)

Parents will embrace and take an active part in defining the school culture through participation in "Padres Saints"/ELAC and SSC

- Portions of the SPSA will be translated for parents and presented during "Padres Saints" ELAC meetings. Their questions and input are indicative of the high level of interest and a growing understanding of the functioning of the school.
- Parent Liaison and other staff will continue to develop ways for parents to become more involved in a school culture of support and learning, and actively recruit and welcome more Padres Saints volunteers to support the "Way of the Saints" (PBIS) programs.
- Parent Liaison and other staff will track parent attendance at school meetings and workshops, work on developing high expectations for parents to attend at least one parent meeting per semester and schedule flexible times to accommodate parent needs.
- Parent Liaison and other staff will continue to build capacity in training parents to understand the principles of "Way of the Saints" (PBIS) and how they can be implemented at home.

Parents seeking more information about becoming an active member in the school community may contact the principal or assistant principal at (714) 567-4900.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2020-2021)

2019-20 CSSP Approval Date: 12/2/2019

The Comprehensive School Site Safety Plan (CSSP) was developed in collaboration with law enforcement and the District Office to fulfill Senate Bill 187 requirements. The CSSP is managed by the District via Doc-Tracking. The school's most current plan is reviewed and updated to address safety, security and emergency preparedness. Schools are required to review and update their Comprehensive School Safety Plan (CSSP) with their School Site Councils and/or Safety Committees. Each school also meets with Santa Ana Unified School Police annually to discuss egress/ingress, crime data and other factors related to Crime Prevention Through Environmental Design (CPTED).

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	1.1	2.3	
Expulsions	0.1	0.0	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	17	26	17

Santa Ana High School professional development (PD) is a combination of teacher-driven need and district need. On-site professional developments are also provided prior to school starting and continuing throughout the year. Ongoing PD on "Way of the Saints" (PBIS) focuses on creating a positive school culture, and supporting students social/emotional needs. Expert teachers provide the staff with training on Google Classroom and Google Suite, Smart board, Aeries and MAP. Since every student is now issued a chromebook, ongoing PD in the effective integration of this technology into the classroom is vital. While some PD opportunities are voluntary, other PD that is required is offered via monthly staff meetings. Santa Ana High School staff has adopted the Professional Learning Community (PLC) model. Teacher teams by department collaborate to align course content to state standards and to develop common assessments. They share lesson plans, best practices and effective teaching strategies with their colleagues. Each department developed their own action plans for implementing standards-based instruction and assessment and these plans are revisited throughout the year for progress and revision. The Department Chairs are integral members of the Instructional Leadership Team. The ILT/Department Chairs meet monthly, prior to department meetings, to share progress and discuss next steps, and often are given professional learning tasks to take back and share with their departments.

SAHS developed an instructional focus for 2018-21, which is ongoing, based on three key questions:

1. What do we want the students to know?
2. How will we know that they learned it?
3. What will we do if they did not learn it?

On-site professional development, starting in 2018-21 and continuing through the present, focuses on "The Five Classroom Practices," which help to address those three key questions. "The Five" are:

1. Learning Targets and Rigor
2. Academic Language
3. Student Engagement
4. Checking for Understanding.
5. Closure

The on-site professional development plan for 2018-21, focuses on Multi-Tiered System of Support (MTSS) Tier 1 - across all areas, focusing on all students:

1. "The Five Classroom Practices" (listed above) and building lesson plans that include specifically identified scaffolding strategies for EL learners
2. Lesson Study - where groups of teachers select a problem of practice, create a research question, then collaboratively develop a lesson to address the research question; the teachers then observe their peers delivering the lesson and focus on the student response - they meet to review and revise, then deliver the lesson again to see how the revisions work.
3. Content specific pull out days for data analysis, best practices and collaborative development of lessons and assessments
4. The Way of the Saints (PBIS) Tier 1 supports for all students, specific focus on classroom interventions
5. Social-emotional Learning (SEL)

Santa Ana High School is focused on developing PD that is purposeful and student driven. The purpose of this PD is to work with teachers to deliver engaging lessons that will improve the academic achievement of all students with a focus on our English Learners and Special Education students. New teachers and teachers not yet fully credentialed are supported by peer coaching and extensive staff development. The TIPS Induction Program (Teacher Induction and Professional Support) is a state-approved program that offers additional support and assistance to newly credentialed teachers. All new teachers are assigned to a Support Provider (mentor teacher) and provided individualized support over a two-year period. More information about the TIPS Induction Program is available on the www.sausdtips.org. To support veteran teachers as well as new teachers to the district, Santa Ana Unified School District offers Peer Assistance and Review (PAR) which is easily defined as teachers helping teachers. Experienced and knowledgeable veteran teachers, referred to as Consulting Teachers, provide ongoing assistance to teachers who need to improve their instructional skills, classroom management strategies, subject knowledge, and/or related aspects of their teaching performance.

Career Technical Education Programs

The SAUSD Career Technical Education (CTE) program offers innovative and challenging courses with equitable access to prepare all students to be college and career ready through on-site, after-school, and virtual learning. Students take an integrated CTE course sequence called a CTE Pathway that focuses on an industry-specific program of study over a two to four-year period. SAUSD's CTE courses include a wide range of high-wage, high-skill, and high-demand career choices in the areas of science, technology, engineering, arts, and math (STEAM). CTE regional, county, and state competitions build industry skills and leadership through CTE student organizations. We continue to focus on adding pertinent industry recommended certifications and providing students the chance to work with businesses in our community through internships, field trips, and guest speaker opportunities.

CTE courses in Santa Ana combine real-world and work-based relevance with academic rigor and are aligned to meet both academic and California State CTE Standards. CTE courses also meet the rigorous "A-G" entrance requirements for the University of California (UC) and California State University (CSU) systems. In addition, many of our high school CTE courses offer either articulated or dual enrollment credit with local colleges that allow students to earn credit for both high school and college classes.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
