2020-2021 School Accountability Report Card

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at www.cde.ca.gov/ta/ac/sa/

For more information about the LCFF or the LCAP, see the CDE LCFF web page at www.cde.ca.gov/fg/aa/lc/

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2021-22 School Overview

Thomas A. Edison Elementary (Edison) is located on Orange Avenue, east of South Main Street and north of East Warner Avenue.

Edison is a completely renovated and modernized facility with two-story buildings containing 42 classrooms. The original building was built in 1937 and in 1951 it was modernized prior to the last modernization. A staff parking lot was added to the last modernization with new landscaping throughout the entire campus. All classrooms have a complete technology package that include Viewsonic Viewboard, Juno Speaker System, E-glass, Logitech Webcam, MXL class microphone, Anycart, wireless microphones, wireless pointer, tripod, Hue Camera, Clevertouch Interactive Board, Epson projector, iPad, and two laptop computers. The school also has two computer technology labs and one-to-one chrome books in grade TK-5. Edison is well equipped to prepare students for college and career in the 21st Century.

Edison incorporates 8 Keys of Excellence to increase student motivation by creating a positive school climate. By applying the 8 keys of Excellence daily, students develop the skills needed for success in their academic and personal lives along with the development of leadership characteristics. Our goal is to help all students find their own leadership abilities that they can apply throughout their lives. These leadership skills will prepare our students to communicate with others, work collaboratively, and to be proactive. Students are given many opportunities in and out of the classroom to apply and practice their leadership skills throughout the day. Along with the 8 Keys of Excellence, we incorporate Positive Behavioral Interventions and Supports (PBIS). This is a decision making framework that guides selection, integration, and implementation of the best evidence-based academic and behavioral practices for improving important academic and behavior outcomes for all students. Edison received Platinum status in the implementation of the program goals. Edison embeds the AVID framework and strategies to accelerate learning growth and ensure all students are college ready. A SAUSD District Run after-school program (Engaged 360) is available for Edison's students in grades K-5 between 2:05 p.m. and 6:00 p.m. A portion of this time is devoted to homework completion and tutoring. The remaining time is spent engaging students in fun, organized activities and structured enrichment programs (music, dance, art, physical activity, etc.). Edison also offers a Head Start preschool program on campus. Preschool students are prepared with early literacy skills so they will enter kindergarten ready to learn. Three full-time preschool classes are offered to families in the SAUSD community.

School Motto: Working collaboratively to ensure every student achieves academically, socially, and emotionally.

2021-22 School Overview

School Mission Statement:

To develop students ready for the 21st century who knows how to:

- Be responsible
- Show initiative and creativity
- Set goals and meet them
- Get along with people of various backgrounds and cultures
- Work collaboratively and individually to solve problems
- Understand how to resolve conflicts

Values:

- 1) Students engage in Problem Based Learning tasks and building knowledge through inquiry based research. During "Genius Hour" students in grades 4-5 focus research on their own area of interest to solve real world problems.
- 2) A college bound culture permeates the campus where students infuse scholarly behaviors in all learning tasks. Students utilize AVID strategies and processes to accelerate learning outcomes for college readiness.
- 3) Emphasis on healthy living and character development fosters leadership qualities in students which prepares them to be leaders of tomorrow.
- 4) A vibrant parent school community is emphasized and a strong component of success at Edison. Numerous family activities build strong relationships in our school community.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2021-22 Quality, Currency, Availability of Textbooks and Other Instructional Materials

All textbooks used in the core curriculum throughout Santa Ana Unified School District are aligned to the California Content Standards and Frameworks. Instructional materials for grades K-8 are selected from the state’s list of standards-based materials and adopted by the State Board of Education. Instructional materials for grades 9-12 are standards-based and approved by the district’s Board of Trustees. On September 14, 2021, the Santa Ana Unified School District’s Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted Resolution No. 21/22-3421, which certifies as required by Education Code §60119 that for the 2021-2022 school year, the Santa Ana Unified School District has provided sufficient textbooks or instructional materials, or both, that are consistent with the content and cycles of the curriculum frameworks adopted by the State Board, to each pupil including those enrolled in a foreign language or health course, and that sufficient laboratory science equipment applicable to science laboratory courses offered in grades 9-12, inclusive, is available to pupils.

School Facility Conditions and Planned Improvements

School custodial staff and the district's maintenance department work together to ensure classrooms and campus grounds are well-maintained and kept safe and functioning for students, staff, and visitors. Maintenance and Operations (M&O) employs an electronic work order system enabling school staff to communicate unscheduled maintenance needs, urgent repairs, or special projects. Most of the school's repairs and maintenance projects are performed by the district's highly qualified, professional trade specialists. Emergency situations are immediately resolved either by the school custodian or district maintenance staff, based upon the nature of the situation. Day and evening custodians work closely as a team and with the principal for routine maintenance, daily custodial duties, and special events preparations. The principal and day custodian communicate daily to discuss campus cleaning needs and safety concerns. Every morning before school begins, the custodian and principal inspect facilities for safety hazards, graffiti, and other conditions that require removal prior to students and staff entering school grounds. School safety and cleanliness are the custodians' highest priority and strongly emphasized as a component of their daily routines. Custodians are trained by M&O's administrators on proper cleaning procedures, use of chemicals, and use of equipment. The day custodians are responsible for following an established set of cleaning standards and prioritization procedures for general campus maintenance. The day custodian checks restrooms twice a day as a proactive measure in keeping facilities well stocked, safe, and sanitary. The evening custodians are responsible for thorough cleaning of classrooms, office areas, and restrooms. Groundskeepers are dispatched by the district office to perform general maintenance of landscaping, gardening, sports fields, and irrigation systems.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

Subject	School 2019-20	School 2020-21	District 2019-20	District 2020-21	State 2019-20	State 2020-21

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2020-21 California Physical Fitness Test Results

Due to the COVID-19 crisis, the Physical Fitness Test was suspended during the 2020-2021 school year and therefore no data are reported and each cell in this table is populated with "N/A."

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2021-22 Opportunities for Parental Involvement

Parents are encouraged to get involved in Edison Elementary School's learning community by volunteering their time, attending school events, and sharing in the decision-making process. Edison welcomes assistance in the classroom, library, and all school activities and programs. A vibrant school/parent partnership is emphasized and this relationship is what makes Edison School a special place to ensure the success of each student. Parents are encouraged to participate in many parent activities on the campus through Edison's Wellness Center which include: Active Parenting workshops, technology ,exercise, crochet, and nutrition classes. These ongoing programs support health and wellness for Edison families and community. Edison Elementary School provides a wide range of opportunities for parents to interact with school staff while supporting their child's academic efforts; these may include:

- Back to School Night
- Open House
- Student performances
- Fundraisers
- Music/choir and/or theater performances
- Sports events
- Promotion activities
- Student recognition assemblies
- Parent education training and/or workshops
- Fall Festival
- International Day
- Lunch with a Loved One
- Read Across America
- Poem in your Pocket
- Reading on the Lawn
- Running Club
- School Fun Runs
- Olympic Summer Games

Edison provides Parent Education Opportunities that consist of weekly classes focused on Early Literacy and nutrition classes. Monthly parent workshops are provided throughout the school year focused on literacy and academic engagement of students. All parents are welcome to volunteer at school to support their children and teachers. throughout the school year.

The Edison staff and parents work together with the Orange County District Attorney's Office, the Santa Ana Police Department and the SAUSD School Police Department to bring our 5th grade students a Gang Reduction Intervention Program (GRIP). Volunteers from these departments meet regularly with staff, parents and 5th grade students to educate all on how to stay safe in their community. Parents are taught how to identify if their child is getting involved in the wrong groups and how to monitor students for safe use of the internet. Students are taught how to deal with bullying and gang recruitment. Students are motivated by the team to stay in school and focus on their goals. Our GRIP team also created a group of parents called Greeters. These parents station themselves on the streets approaching the school to welcome students and wish them a great day. Greeters provide additional supports around our school neighborhood for our students' safety.

The following campus organizations provide opportunities for parents to have input on curricular programs, activities, and the design of the School's Plan:

- School Site Council
- English Language Advisory Council

Parents seeking more information about becoming an active member in the school community may contact the principal at (714) 479-6900.

2021-22 Opportunities for Parental Involvement

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2018-19	School 2020-21	District 2018-19	District 2020-21	State 2018-19	State 2020-21

Expulsions	0.00	0.00	0.04	0.00	0.08	0.00

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

2021-22 School Safety Plan

CSSPs were waived due to closure during COVID from March 2020 to August 2021

The Comprehensive School Site Safety Plan (CSSP) was developed in collaboration with law enforcement and the District Office to fulfill Senate Bill 187 requirements. The CSSP is managed by the District via Doc-Tracking. The school's most current plan is reviewed and updated to address safety, security and emergency preparedness. Schools are required to review and update their Comprehensive School Safety Plan (CSSP) with their School Site Councils and/or Safety Committees. Each school also meets with Santa Ana Unified School Police annually to discuss egress/ingress, crime data and other factors related to Crime Prevention Through Environmental Design (CPTED).

Professional Development

Staff development is focused on evidenced based practices identified based upon student assessment results, evidence gathered through Instructional Rounds process on Problem of Practice, and professional development staff surveys.

Professional development at Edison is focused on text complexity, collaborative conversations and academic language. Teacher planning has focused on students having opportunities to solve problems creatively, to think critically, working collaboratively with peers, and engaging in inquiry based learning tasks and projects. Staff development at Edison occurs during the instructional day where grade level teams are provided with in-class coaching, lesson studies, Instructional Rounds process, and professional learning.

This table displays the number of school days dedicated to staff development and continuous improvement.
