Willard Intermediate
2020-2021 School Accountability Report Card

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at www.cde.ca.gov/ta/ac/sa/

For more information about the LCFF or the LCAP, see the CDE LCFF web page at www.cde.ca.gov/fg/aa/lc/

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2021-22 School Overview

Willard Intermediate is an intermediate school serving approximately 445 students in grades 6 - 8. It is located at 1342 North Ross Street, Santa Ana, California. Approximately, 100% of the students qualify for free and reduced lunch. Approximately, 97% of the students are Latino. Approximately 20% of the students qualify for Special Education services. The staff, students, and parents of Willard Intermediate School are dedicated to promoting a school climate of respect, responsibility, high academic expectations, and rigor. Willard teachers work very hard to provide a rigorous, standards-based instructional program that utilizes research-based instructional practices, standards-aligned curriculum, arts integration. Our highly trained teaching staff ensures that all students reach their optimum potential by utilizing differentiation with a focus on student engagement strategies throughout lessons. To ensure academic and personal success, a culture of positive social, emotional, cultural, and intellectual development is fostered using PBIS (Positive Behavior Interventions and Supports).

The academic school year is divided into two semesters with three, 6-week grading periods within each semester. Willard's non-modified master schedule consists of six academic periods per day. Each period is about 53 minutes in length. To provide staff with the support needed to improve instruction, every Wednesday is a modified day that allows teachers time to collaborate and participate in relevant professional development activities. Additionally, the instructional staff is given opportunities to review data and discuss best practices during departmental collaboration days and through personal data chats with administrators. To ensure that students are exposed to current technology, every student is provided with a Chromebook to support their learning and if needed, a hot spot for connection to the internet. Every classroom has an LCD projector and a Smartboard which enhances the delivery of well-designed lessons. Willard has two fully functioning computer labs. To ensure that students quarantined do not fall behind in instruction, some teachers teach using the hy-flex model while others provide asynchronous instruction via google classroom or canvas. Each classroom has been equipped with smart TVs to accommodate the hy-flex model. Approximately 74 students participate in the AVID (Advancement Via Individual Determination) program.

Vision Statement:
Willard Intermediate School is committed to cultivating the growth of our scholars by teaching skills for lifelong achievement.

Mission Statement:
WIS community differentiates learning for all students to become self-reflective, content-literate, critical thinkers who understand the world around them.

2021-22 School Overview

Unique Things About Willard:
1) A robust music and art program offering Band, Mariachi, and Arts creating a direct pathway into the arts program at Santa Ana High School
2) All Core areas integrate the arts for more engaging lessons and rigor for all students while still teaching the standards
3) Emphasis on social-emotional learning as well as academics for all students to ensure student success
4) Promotes student engagement through electives, family art events, speech and debate participation, and virtual field trip opportunities

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp

2021-22 Quality, Currency, Availability of Textbooks and Other Instructional Materials

All textbooks used in the core curriculum throughout Santa Ana Unified School District are aligned to the California Content Standards and Frameworks. Instructional materials for grades K-8 are selected from the state's list of standards-based materials and adopted by the State Board of Education. Instructional materials for grades 9-12 are standards-based and approved by the district's Board of Trustees. On September 14, 2021, the Santa Ana Unified School District's Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted Resolution No. 21/22-3421, which certifies as required by Education Code §60119 that for the 2021-2022 school year, the Santa Ana Unified School District has provided sufficient textbooks or instructional materials, or both, that are consistent with the content and cycles of the curriculum frameworks adopted by the State Board, to each pupil including those enrolled in a foreign language or health course, and that sufficient laboratory science equipment applicable to science laboratory courses offered in grades 9-12, inclusive, is available to pupils.

School Facility Conditions and Planned Improvements

School custodial staff and the district's maintenance department work together to ensure classrooms and campus grounds are well-maintained and kept safe and functioning for students, staff, and visitors. Maintenance and Operations (M&O) employs an electronic work order system enabling school staff to communicate unscheduled maintenance needs, urgent repairs, or special projects. Most of the school's repairs and maintenance projects are performed by the district's highly qualified, professional trade specialists. Emergency situations are immediately resolved either by the school custodian or district maintenance staff, based upon the nature of the situation. Day and evening custodians work closely as a team and with the principal for routine maintenance, daily custodial duties, and special events preparations. The principal and day custodian communicate daily to discuss campus cleaning needs and safety concerns. Every morning before school begins, the custodian, principal, and assistant principal inspect facilities for safety hazards, graffiti, and other conditions that require removal prior to students and staff entering school grounds. School safety and cleanliness are the custodians' highest priority and strongly emphasized as a component of their daily routines. Custodians are trained by M&O's administrators on proper cleaning procedures, use of chemicals, and use of equipment. The day custodians are responsible for following an established set of cleaning standards and prioritization procedures for general campus maintenance. The day custodian checks restrooms twice a day as a proactive measure in keeping facilities well stocked, safe, and sanitary. The evening custodians are responsible for thorough cleaning of classrooms, office areas, and restrooms. Groundskeepers are dispatched by the district office to perform general maintenance of landscaping, gardening, sports fields, and irrigation systems.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments
(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

SARC Reporting in the 2020-2021 School Year Only
Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options
Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2021-22 Opportunities for Parental Involvement

The Willard Intermediate School Community supports parents by providing a comprehensive set of educational options. These activities include one-night workshops, family nights, social-emotional supports, and connections with outside agencies. These efforts are to foster and increase parent involvement in the school and to assist parents in developing their children into becoming successful students and contributing members of their community.

The following campus organizations provide opportunities for parents to have input on curricular programs, activities, and the design of the School's Plan:
- School Site Council
- English Language Advisory Council
- District English Language Advisory Council (DELAC)
- District Advisory Committee (DAC)
- Open door policy maintained by the principal
- PBIS TEAM

Parents are encouraged to get involved in Willard Intermediate School's learning community by volunteering their time, attending school events, or sharing in the decision-making process. The school, when opportunities come up, welcomes the assistance of our parents during special days or events. Parents are always invited to help chaperone and be part of school activities. Willard Intermediate School provides a wide range of opportunities for parents to interact with school staff while supporting their child's academic efforts. These opportunities may include:
- Back to School Night
- Open House
- Parent Conferences
- Student Performances
- Career Day
- Sports events
- Promotion activities
- Student recognition assemblies

2021-22 Opportunities for Parental Involvement

- Parent education training and/or workshops
- LCAP meetings
- Campus Volunteers
- School Beautification
- Chaperones
- Special Community Events
- Coffee Chats
- Monthly morning and evening parent meetings
- Family Movie Nights
- Community Hour / Chats
- Vaccine Clinics

Parents seeking more information about becoming active members of the school community may contact the principal, assistant principal, or parent liaison at (714) 480-4800.

School-to-home communication is provided in both English and Spanish. Through routine correspondence and special announcements, parents are kept informed on school news, student activities, schedules, policy changes, and class curriculum updates in the following formats:

- School website
- Public Service Channel 31 or 51
- School and/or Class newsletters
- Flyers
- Letters
- School Marquee/Banners
- ParentSquare Messaging System
- Home visitations
- New Student Orientations
- Monthly parent training
- Aeries Parent Portal
- Social media: Facebook, Twitter, Instagram, and Snapchat by WillardInt

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2018-19	School 2020-21	District 2018-19	District 2020-21	State 2018-19	State 2020-21
Suspensions	16.82	0.00	3.17	0.02	3.47	0.20
Expulsions	0.53	0.00	0.04	0.00	0.08	0.00

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

2021-22 School Safety Plan

CSSPs were waived due to closure during COVID from March 2020 to August 2021

2021-22 School Safety Plan

The Comprehensive School Site Safety Plan (CSSP) was developed in collaboration with law enforcement and the District Office to fulfill Senate Bill 187 requirements. The CSSP is managed by the District via Doc-Tracking. The school's most current plan is reviewed and updated to address safety, security and emergency preparedness. Schools are required to review and update their Comprehensive School Safety Plan (CSSP) with their School Site Councils and/or Safety Committees. Each school also meets with Santa Ana Unified School Police annually to discuss egress/ingress, crime data and other factors related to Crime Prevention Through Environmental Design (CPTED).

Professional Development

All curriculum and instructional improvement activities at Santa Ana Unified School District are aligned to the Common Core State Standards. Staff development concentrations are selected and identified based on student assessment results, LCAP requirements, teacher input, state content standards, and professional development surveys. All staff development activities at Santa Ana Unified School District are focused on increasing student learning and proficiency. Willard Intermediate School teachers participate in staff development at the beginning of the school year as well as numerous hours throughout the school year. Staff training topics at our site include Positive Behavior Interventions and Supports (PBIS), Data-driven curricular planning, student engagement strategies, effective use of technology, implementation of the Common Core State Standards, and Visual Thinking Strategies.

Santa Ana Unified School District offers supplemental training and support for new and ongoing program implementation. Training activities take place throughout the school year, after school, and during the summer, and generally focus on the curriculum, teaching strategies, and methodologies. In previous years and in the 2019 - 2020 school year, district training opportunities focused on the following:
- Language Arts
- AVID Training (Advancement Via Individual Determination)
- TIPS Induction Training (Beginning Teachers Support and Assessment)
- CTAP Technology Training (California Technology Assistance Project)
- AIM (Administration Induction Mentoring)
- Working with Parents
- Customer Service Training
- SAUSD Logistics/Printshop Training
- GATE Training (Gifted and Talented Education)
- Special Education
- Inclusion Training
- Data Analysis and Using Data to Drive Instruction
- Curriculum Mapping
- Critical reading strategies
- Social Studies textbook adoption
- Science textbook adoption
- Technology Tools for Teaching
- PBIS Strategies Implementation
- Social Emotional Learning techniques and resources
- Universal Design for Learning

New teachers are supported by peer and instructional coaching alongside extensive staff development. The TIPS Induction Program (Teacher Induction and Professional Support) is a state-approved program that offers additional support and assistance to newly credentialed teachers. All new teachers are assigned to a Support Provider (mentor teacher) and provided individualized support over a two-year period.

Staff members are encouraged to attend professional workshops and conferences through our district-wide GO-PD selection. New teachers, experienced teachers, mentor/teacher leaders, administrators, and support staff are encouraged to participate in workshops sponsored by the Orange County Office of Education and courses offered by community colleges, universities, and private programs. Classified support staff may receive additional job-related training from vendors, department supervisors, and district representatives.

Willard Intermediate School teachers participate in professional development that focuses on developing rigorous academic implementation with arts integration. Teachers were provided PD to develop smart goals and change ideas for their departments.
