## 2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2023-24 School Description and Mission Statement

César E. Chávez High School's Vision is to meet the unique educational, physical, and social-emotional needs of our diverse student population in a safe and nurturing environment, while encouraging students to develop an enthusiasm for lifelong learning and the desire to pursue college and career opportunities.

César E. Chávez High School's Mission is to provide a second chance for students to achieve academic success that leads to graduation, college and career readiness. Through trauma-informed practices, rigorous instruction tailored according to students' needs, multi-tiered intervention, and the implementation of WHOLE student strategies, carried out by a caring and nurturing staff, our school will meet both the social-emotional and academic needs of our students. With this approach and in collaboration with community partners, our students will graduate high school and be equipped with the skills needed for college success and beyond.

César E. Chávez High School is a continuation school with the Santa Ana Unified School District. In a small setting, César E. Chávez offers a student-centered second chance at success with the goal of helping struggling students by serving the whole student. César E. Chávez High School has three main areas of focus: 1. Create a positive and supportive culture with trauma-informed care, a therapeutic web, positive and restorative relationships, social-emotional learning, schoolwide learning outcomes, and parent engagement; 2. Provide meaningful and engaging instruction through blended classrooms, project-based learning, reading, writing and math literacy, tutoring and academic support, and preparing students for college and career opportunities; and 3. Deliver a chance for accelerated academic achievement with accelerated credit opportunities, competency-based opportunities, credit recovery, APEX courses, college readiness, and small class sizes. César E. Chávez High School places a heavy emphasis on making students WHOLE through the processes of Wellness, Hopefulness, Organization, Literacy, and Empowerment.

To begin with, César E. Chávez focuses on student Wellness, with the belief that a healthy mind, body, and spirit are requirements for an engaged and productive learner. Next, César E. Chávez believes Hopefulness gives students the will to discover a purpose and thus develop their desired goals. Once students have found hope and wellness, the focus moves to Organization and Literacy. By creating and maintaining systems for order and increasing academic competence and knowledge, students open pathways for success. Through these interventions and supports, students at César E. Chávez will ultimately become Empowered, understanding how to effectively communicate their needs, and succeed in any environment. By becoming WHOLE, students will not only find success at César E. Chávez, but will find success in college, career, and life.

## A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

## 2020-21 Teacher Preparation and Placement

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## 2021-22 Teacher Preparation and Placement

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

<b>Misassignments</b>	0.10	0.00
<b>Vacant Positions</b>	0.00	0.00
<b>Total Teachers Without Credentials and Misassignments</b>	0.10	0.00

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

## Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21	2021-22
<b>Credentialed Teachers Authorized on a Permit or Waiver</b>	0.00	0.00
<b>Local Assignment Options</b>	0.00	0.20
<b>Total Out-of-Field Teachers</b>	0.00	0.20

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

## Class Assignments

Indicator	2020-21	2021-22
<b>Misassignments for English Learners</b> (a percentage of all the classes with English learners taught by teachers that are misassigned)	0.5	0
<b>No credential, permit or authorization to teach</b> (a percentage of all the classes taught by teachers with no record of an authorization to teach)	0	0

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

## 2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

All textbooks used in the core curriculum throughout Santa Ana Unified School District are aligned to the California Content Standards and Frameworks. Instructional materials for grades K-8 are selected from the state’s list of standards-based materials and adopted by the State Board of Education. Instructional materials for grades 9-12 are standards-based and approved by the district’s Board of Trustees. On September 26, 2023, the Santa Ana Unified School District’s Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted Resolution No. 23/24-3534, which certifies as required by Education Code §60119 that for the 2023-2024 school year, the Santa Ana Unified School District has provided sufficient textbooks or instructional materials, or both, that are consistent with the content and cycles of the curriculum frameworks adopted by the State Board, to each pupil including those enrolled in a foreign language or health course, and that sufficient laboratory science equipment applicable to science laboratory courses offered in grades 9-12, inclusive, is available to pupils.

## School Facility Conditions and Planned Improvements

School custodial staff and the district's maintenance department work together to ensure classrooms and campus grounds are well-maintained and kept safe and functioning for students, staff, and visitors. Maintenance and Operations (M&O) employs an electronic work order system enabling school staff to communicate unscheduled maintenance needs, urgent repairs, or special projects. Most of the school's repairs and maintenance projects are performed by the district's highly qualified, professional trade specialists. Emergency situations are immediately resolved either by the school custodian or district maintenance staff, based upon the nature of the situation. Day and evening custodians work closely as a team and with the principal for routine maintenance, daily custodial duties, and special events preparations. The principal and day custodian communicate daily to discuss campus cleaning needs and safety concerns. Every morning before school begins, the custodian, principal, and assistant principal inspect facilities for safety hazards, graffiti, and other conditions that require removal prior to students and staff entering school grounds. School safety and cleanliness are the custodians' highest priority and strongly emphasized as a component of their daily routines. Custodians are trained by M&O's administrators on proper cleaning procedures, use of chemicals, and use of equipment. The day custodians are responsible for following an established set of cleaning standards and prioritization procedures for general campus maintenance. The day custodian checks restrooms twice a day as a proactive measure in keeping facilities well stocked, safe, and sanitary. The evening custodians are responsible for thorough cleaning of classrooms, office areas, and restrooms. Groundskeepers are dispatched by the district office to perform general maintenance of landscaping, gardening, sports fields, and irrigation systems.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

#### College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23
English Language Arts/Literacy (grades 3-8 and 11)	6	8	31	32	47	46
Mathematics (grades 3-8 and 11)	1	1	19	20	33	34

## 2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## 2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

## CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. ## 2022-23 Career Technical Education Programs

The SAUSD Career Technical Education (CTE) program offers innovative and challenging courses with equitable access to prepare all students for college and career readiness. Students participate in courses within the regular instructional day, during after-school expanded learning programs, and through virtual learning programs. CTE classes are vertically aligned from TK-12 starting with career awareness in TK-5th grades, career exploration in 6th-8th grades, while culminating with work-based learning experiences in high school.

Students complete an integrated CTE sequence of courses referred to as a career pathway that focuses on an industry-specific program of study over a two to four-year period. SAUSD's CTE courses include a wide range of high-wage, high-skill, and high-demand career choices in the areas of science, technology, engineering, arts, and math (STEAM). CTE regional, county, and state competitions help students build industry skills and leadership skills through participation in career technical student organizations (CTSO). SAUSD CTE continues to focus on expanding relevant industry recommended certifications and with providing students work-based learning opportunities at partner businesses within our community through internships, field trips, and guest speakers.

SAUSD CTE courses combine real-world relevance with academic rigor and are aligned to meet both academic and California State CTE Standards. CTE courses also meet "A-G" entrance requirements for the University of California (UC) and California State University (CSU) systems. In addition, many of our high school CTE courses offer either articulated or dual enrollment credit with local colleges that allow students to earn credit for both high school and college classes.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

#### 2023-24 Opportunities for Parental Involvement

Parents are encouraged to get involved in César E. Chávez High School's learning community by volunteering their time, attending school events, or sharing in the decision-making process. There is an active parent group that formally meets bi-monthly. Parents are always invited to help chaperone field trips. César E. Chávez High School provides a wide range of opportunities for parents to interact with school staff while supporting their child's academic efforts. These may include: Back to School Night; Open House; School Site Council; Field Trips; Graduation activities; Student performances; Student recognition assemblies; Academic and college advisement; and Parent education training and/or workshops.

The following campus organizations provide opportunities for parents to have input on curricular programs, activities, and the design of the School's Plan: School Site Council; School Safety Committee; English Language Advisory Council; and WASC's Parent Focus Groups

A parent group meets every other Friday at 10:00 a.m. and is coordinated by the school's FACE - Family and Community Engagement Liaison. Parents seeking more information about becoming an active member in the school community may contact the school at (714) 430-5700.

School-to-home communication is provided in both English and Spanish. Through routine correspondence and special announcements, parents are kept informed on school news, student activities, schedules, policy changes, and class curriculum updates including the following formats: Parent Square; School web site and/or Parent Portal; Digital Marquee, Public Service Channel 31 or 51; School and/or class newsletters; Flyers; Letters; School Banners; and Student Orientations.

## 2023-24 School Safety Plan

Safety Plan Approval Date: Feb. 24, 2023

The Comprehensive School Site Safety Plan (CSSP) was developed in collaboration with law enforcement and the District Office to fulfill Senate Bill 187 requirements. The CSSP is managed by the District via Doc-Tracking. The school's most current plan is reviewed and updated to address safety, security and emergency preparedness. Schools are required to review and update their Comprehensive School Safety Plan (CSSP) with their School Site Councils and/or Safety Committees. Each school also meets with Santa Ana Unified School Police annually to discuss egress/ingress, crime data and other factors related to Crime Prevention Through Environmental Design (CPTED).

## Professional Development

All curricular and instructional improvement activities at César E. Chávez High School are aligned to the Common Core State Standards. Staff development concentrations are selected and identified based upon student assessment results, Local Control and Accountability Plan (LCAP) requirements, teacher input, state content standards, professional development surveys, the Western Association of Schools and Colleges (WASC)-Action Plan, the School Plan for Student Achievement (SPSA), and the school wide area of focus.

Professional development activities at César E. Chávez High School are focused on meeting School-Wide Student Learning Outcomes, School Plan for Student Achievement (SPSA) Goals, Local Control and Accountability Plan (LCAP) Goals, and helping students to become WHOLE, thus improving teaching and learning, improving engagement, improving the safety and culture of the school, and beginning to implement a Multi-Tiered System of Support (MTSS).

The Santa Ana Unified School District offers supplemental training and support for new and ongoing program implementation. Training activities take place throughout the school year, after school, and during the summer and generally focus on curriculum, teaching strategies, and methodologies. New teachers and teachers not yet fully credentialed are supported by peer coaching and extensive staff development. The Teacher Induction & Professional Support Program (TIPS) is a state-approved program that offers additional support and assistance to newly credentialed teachers. All new teachers are assigned to a Support Provider (mentor teacher) and provided individualized support over a two-year period. More information about the TIPS Induction Program is available on [www.sausdtips.org](http://www.sausdtips.org).

To support veteran teachers as well as new teachers to the district, Santa Ana Unified School District offers Peer Assistance and Review (PAR) which is easily defined as teachers helping teachers. Experienced and knowledgeable veteran teachers, referred to as Consulting Teachers, provide ongoing assistance to teachers who need to improve their instructional skills, classroom management strategies, subject knowledge, and/or related aspects of their teaching performance.

Staff members are encouraged and supported when possible to attend professional workshops and conferences. New teachers, experienced teachers, mentor/ teacher leaders, administrators, and support staff are encouraged to participate in workshops sponsored by the Orange County Department of Education and courses offered by community colleges and universities. Classified support staff may receive additional job-related training from vendors, department supervisors, and district representatives.
