2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

Santa Ana High School (SAHS) is situated in a densely populated urban setting surrounded by a mixture of businesses and residences. Located in Santa Ana, California, we are a comprehensive high school with grades 9 - 12. Students typically walk from nearby residential communities. The majority of the students attending SAHS come to us from Willard, Mendez, Sierra, and Lathrop Intermediate Schools in the Santa Ana Unified School District (SAUSD).

Established in 1889, SAHS is the oldest high school in Orange County. SAHS enjoys a positive reputation within the SAUSD and surrounding community for many reasons, including significantly improved student achievement. Recent graduates have attended Harvard, Yale, Stanford, MIT, UC Berkeley, and other fine institutions of higher learning. In the school's 130 year history, many certificated and classified staff members are alumni. As the oldest and largest of the six comprehensive high schools, the district looks to SAHS for leadership in implementing strategies to strengthen student proficiency in language arts and math. SAHS has developed a school-wide focus on academic achievement in these areas based on standards-based instruction, data-driven planning and targeted intervention programs.

Vision Statement:

At Santa Ana High School our vision is to empower our students to be critical thinkers and confident communicators who are college and career ready.

Mission Statement:

At Santa Ana High School our mission is to build personal connections with our students while providing opportunities and a rigorous academic environment so they recognize their capacity to contribute to their community while creating a plan for success in high school and beyond.

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

2020-21 Teacher Preparation and Placement

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2021-22 Teacher Preparation and Placement

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2020-21	2021-22
Permits and Waivers	0.00	0.10
Misassignments	3.20	6.80
Vacant Positions	0.00	0.00
Total Teachers Without Credentials and Misassignments	3.20	6.90

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21	2021-22
Credentialed Teachers Authorized on a Permit or Waiver	0.00	0.00
Local Assignment Options	0.80	1.00
Total Out-of-Field Teachers	0.80	1.00

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Class Assignments

Indicator	2020-21	2021-22
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)	2.4	4.7
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)	0	0.4

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

All textbooks used in the core curriculum throughout Santa Ana Unified School District are aligned to the California Content Standards and Frameworks. Instructional materials for grades K-8 are selected from the state’s list of standards-based materials and adopted by the State Board of Education. Instructional materials for grades 9-12 are standards-based and approved by the district’s Board of Trustees. On September 26, 2023, the Santa Ana Unified School District’s Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted Resolution No. 23/24-3534, which certifies as required by Education Code §60119 that for the 2023-2024 school year, the Santa Ana Unified School District has provided sufficient textbooks or instructional materials, or both, that are consistent with the content and cycles of the curriculum frameworks adopted by the State Board, to each pupil including those enrolled in a foreign language or health course, and that sufficient laboratory science equipment applicable to science laboratory courses offered in grades 9-12, inclusive, is available to pupils.

School Facility Conditions and Planned Improvements

School custodial staff and the district maintenance department work together to ensure classrooms and campus grounds are well-maintained and kept safe and functioning for students, staff, and visitors. Maintenance and Operations (M&O) employs an electronic work order system enabling school staff to communicate unscheduled maintenance needs, urgent repairs, or special projects. Most of the school's repairs and maintenance projects are performed by the district's highly qualified, professional trade specialists. Emergency situations are immediately resolved either by the school custodian or district maintenance staff, based upon the nature of the situation. Day and evening custodians work closely as a team and with the principal designee for routine maintenance, daily custodial duties, and special events preparations. The principal/designee and day custodian communicate daily to discuss campus cleaning needs and safety concerns. Every morning before school begins, the custodian, principal/designee inspect facilities for safety hazards, graffiti, and other conditions that require removal prior to students and staff entering school grounds. School safety and cleanliness are the custodians highest priority and strongly emphasized as a component of their daily routines. Custodians are trained by M&O administrators on proper cleaning procedures, use of chemicals, and use of equipment. The day custodians are responsible for following an established set of cleaning standards and prioritization procedures for general campus maintenance. The day custodian checks restrooms twice a day as a proactive measure in keeping facilities well stocked, safe, and sanitary. The evening custodians are responsible for thorough cleaning of classrooms, office areas, and restrooms. Groundskeepers are dispatched by the district office to perform general maintenance of landscaping, gardening, sports fields, and irrigation systems.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

Mathematics (grades 3-8 and 11)	10	10	19	20	33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

2022-23 Career Technical Education Programs

The SAUSD Career Technical Education (CTE) program offers innovative and challenging courses with equitable access to prepare all students for college and career readiness. Students participate in courses within the regular instructional day, during after-school expanded learning programs, and through virtual learning programs. CTE classes are vertically aligned from TK-12 starting with career awareness in TK-5th grades, career exploration in 6th-8th grades, while culminating with work-based learning experiences in high school.

Students complete an integrated CTE sequence of courses referred to as a career pathway that focuses on an industry-specific program of study over a two to four-year period. SAUSD's CTE courses include a wide range of high-wage, high-skill, and high-demand career choices in the areas of science, technology, engineering, arts, and math (STEAM). CTE regional, county, and state competitions help students build industry skills and leadership skills through participation in career technical student organizations (CTSO). SAUSD CTE continues to focus on expanding relevant industry recommended certifications and with providing students work-based learning opportunities at partner businesses within our community through internships, field trips, and guest speakers.

SAUSD CTE courses combine real-world relevance with academic rigor and are aligned to meet both academic and California State CTE Standards. CTE courses also meet "A-G" entrance requirements for the University of California (UC) and California State University (CSU) systems. In addition, many of our high school CTE courses offer either articulated or dual enrollment credit with local colleges that allow students to earn credit for both high school and college classes.

2022-23 Career Technical Education (CTE) Participation

Measure	CTE Program Participation

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2022-23 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Parents are encouraged to get involved in Santa Ana High School's learning community by volunteering their time, attending school events, or sharing in the decision-making process. The establishment of the Family Wellness Center in counseling affords many new opportunities for parents to meet with school personnel, keep up with student progress and to learn new skills. We have staff who work exclusively on promoting parent involvement by creating a welcoming and sharing atmosphere on our campus. Parents are always invited to help chaperone field trips, become members of the School Site Council, and be part of the Padres Saints/ELAC. Santa Ana High School provides a wide range of opportunities for parents to interact with school staff while supporting their child's academic efforts.

To increase parent involvement and ensure understanding of the high school education system in order to improve student learning at home and at school:

- The Parent Liaison, Outreach Consultant, ELD Coordinator and site ELAC representatives will facilitate monthly Padres Saints/ELAC meetings.
- Counselors and administration will conduct regular meetings to present information to parents.
- Parent access to student information through Aeries Parent Portal has increased parent awareness and provided a new focus on topics for parent meetings.
- Facilitate timely parent meetings in which parents are taught to read and analyze test results (ELPAC, MAP, ACT, SAT, PSAT, SBAC, AP, etc). Help parents understand how this will affect the academic future of their children.

To accomplish this we will maintain a Family Wellness Center to ensure that parents, students and community members have access to support and resources.

- The Parent Liaison, Outreach Consultant and other staff members will maintain the Family Wellness Center, providing hospitable surroundings for parents, including a small area for children.
- The Parent Liaison, Outreach Consultant and other staff members will facilitate communication with teachers and administrators for non-English speaking parents.
- Extra space for larger meetings has been provided by the school, as parent participation continues to grow.

2023-24 Opportunities for Parental Involvement

The school will provide ongoing educational opportunities for parents to increase engagement, partnership and student success:

- The Parent Liaison, Outreach Consultant, ELD Coordinator, counseling staff and administration will schedule information sessions and classes for parents.
- These will include but not be limited to site-conducted Aeries access training, Higher Education workshops, ELPAC testing, academic presentations on site programs such as Accelerated Reader, iLit, Saints Academy, the English Learner Saturday Academy and AP tutoring.
- Counselors will conduct parent information sessions on graduation and college attendance and Partnership activities.
- SAHS will promote parent membership and leaders in the English Learner Advisory Committee and School Site Council to serve as advisors to the Principal.
- SAHS parent leaders will work collaboratively with parent leaders of feeder schools.
- The Parent Liaison and the counseling staff will ensure that parents are made aware of extracurricular programs and academic programs available to students; i.e., CTE, AVID, Talent Search, CSF, Nicholas Center, HALOs, student selections process, registration deadlines, etc.
- Provide mental health services to students as needed - Safety of Students (SOS) program, conducted through the psychologist's office, We Care suicide prevention
- Provide Restorative Practices and Violence Prevention programs to students as needed to maintain a safe and positive "Way of the Saints" culture on campus.
- Workshops, such as Disciplina Positiva, are held regularly to provide tools and resources for positive parenting.
- Offer Turning Point counseling services (off-site)

Parents will embrace and take an active part in defining the school culture through participation in "Padres Saints"/ELAC and SSC

- Portions of the SPSA will be translated for parents and presented during "Padres Saints" ELAC meetings. Their questions and input are indicative of the high level of interest and a growing understanding of the functioning of the school.
- Parent Liaison and other staff will continue to develop ways for parents to become more involved in a school culture of support and learning, and actively recruit and welcome more Padres Saints volunteers to support the "Way of the Saints" (PBIS) programs.
- Parent Liaison and other staff will track parent attendance at school meetings and workshops, work on developing high expectations for parents to attend at least one parent meeting per semester and schedule flexible times to accommodate parent needs.
- Parent Liaison and other staff will continue to build capacity in training parents to understand the principles of "Way of the Saints" (PBIS) and how they can be implemented at home.

Parents seeking more information about becoming an active member in the school community may contact the principal or assistant principal at (714) 567-4900.

2023-24 School Safety Plan

Safety Plan Approval Date: Apr. 10, 2023

The Comprehensive School Site Safety Plan (CSSP) was developed in collaboration with law enforcement and the District Office to fulfill Senate Bill 187 requirements. The CSSP is managed by the District via Doc-Tracking. The school's most current plan is reviewed and updated to address safety, security and emergency preparedness. Schools are required to review and update their Comprehensive School Safety Plan (CSSP) with their School Site Councils and/or Safety Committees. Each school also meets with Santa Ana Unified School Police annually to discuss egress/ingress, crime data and other factors related to Crime Prevention Through Environmental Design (CPTED).

Professional Development

Santa Ana High School professional development (PD) is a combination of teacher-driven need and district need. On-site professional developments are also provided prior to school starting and continuing throughout the year. Ongoing PD on "Way of the Saints" Positive Behavioral Interventions and Supports (PBIS) focuses on creating a positive school culture, and supporting students social/emotional needs. Expert teachers provide the staff with training on Google Classroom and Google Suite, Smart board, Aeries and MAP. Since every student is now issued a chromebook, ongoing PD in the effective integration of this technology into the classroom is vital. While some PD opportunities are voluntary, other PD that is required is offered via monthly staff meetings. Santa Ana High School staff has adopted the Professional Learning Community (PLC) model. Teacher teams by department collaborate to align course content to state standards and to develop common assessments. They share lesson plans, best practices and effective teaching strategies with their colleagues. Each department developed their own action plans for implementing standards-based instruction and assessment and these plans are revisited throughout the year for progress and revision. The Department Chairs are integral members of the Instructional Leadership Team. The ILT/Department Chairs meet monthly, prior to department meetings, to share progress and discuss next steps, and often are given professional learning tasks to take back and share with their departments.

SAHS developed an instructional focus which is ongoing, based on three key questions:

1. What do we want the students to know?
2. How will we know that they learned it?
3. What will we do if they did not learn it?

On-site professional development focuses on "The Five Classroom Practices," which help to address those three key questions. "The Five" are:

1. Learning Targets and Rigor
2. Academic Language
3. Student Engagement
4. Checking for Understanding.
5. Closure

The on-site professional development plan focuses on Multi-Tiered System of Support (MTSS) Tier 1 - across all areas, focusing on all students:

1. "The Five Classroom Practices" (listed above) and building lesson plans that include specifically identified scaffolding strategies for EL learners.
2. Lesson Study - where groups of teachers select a problem of practice, create a research question, then collaboratively develop a lesson to address the research question; the teachers then observe their peers delivering the lesson and focus on the student response - they meet to review and revise, then deliver the lesson again to see how the revisions work.
3. Content specific pull out days for data analysis, best practices and collaborative development of lessons and assessments.
4. The Way of the Saints (PBIS) Tier 1 supports for all students, specific focus on classroom interventions.
5. Social-emotional Learning (SEL)

Santa Ana High School is focused on developing PD that is purposeful and student driven. The purpose of this PD is to work with teachers to deliver engaging lessons that will improve the academic achievement of all students with a focus on our English Learners and Special Education students. New teachers and teachers not yet fully credentialed are supported by peer coaching and extensive staff development. The TIPS Induction Program (Teacher Induction and Professional Support) is a state-approved program that offers additional support and assistance to newly credentialed teachers. All new teachers are assigned to a Support Provider (mentor teacher) and provided individualized support over a two-year period. More information about the TIPS Induction Program is available on the www.sausdtips.org. To support veteran teachers as well as new teachers to the district, Santa Ana Unified School District offers Peer Assistance and Review (PAR) which is easily defined as teachers helping teachers. Experienced and knowledgeable veteran teachers, referred to as Consulting Teachers, provide ongoing assistance to teachers who need to improve their instructional skills, classroom management strategies, subject knowledge, and/or related aspects of their teaching performance.
