2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

Jim Thorpe Fundamental (Thorpe Fundamental) is located on West Alton Avenue between South Greenville Street and South Raitt Street. Thorpe Fundamental is a school of choice; students residing in the district's attendance boundaries are eligible for enrollment through a lottery system. Santa Ana Unified School District fundamental schools were founded by parents seeking a traditional educational program for their children. Thorpe Fundamental's standards-aligned program is focused on the school wide theme of College Bound Scholars.

School Vision

Jim Thorpe Fundamental Elementary School staff and parents are committed to a K-5 instructional program that provides all students with the opportunity to acquire the knowledge and skills needed to become life-long learners, to develop problem-solving and critical thinking skills, and to gain the cultural understanding, democratic principles and civic values necessary for participation in a democratic society. The success of this program is based on the continuum of learning experiences that addresses the special academic, social, and physical needs of all students; the access of all staff members to staff development opportunities to expand the knowledge and skills required to meet the identified needs of students; and a strong, collaborative school partnership with parents and community.

School Mission

The mission of our school community, comprised of dedicated staff and engaged parents, is to collaboratively build a robust foundation for lifelong learning. We are committed to instilling in our students a profound sense of responsibility and fostering respect for themselves and others. Through nurturing guidance and thoughtful challenges, we empower every student to aspire to lofty goals, take pride in their accomplishments, and strive towards their fullest potential.

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

All textbooks used in the core curriculum throughout Santa Ana Unified School District are aligned to the California Content Standards and Frameworks. Instructional materials for grades K-8 are selected from the state’s list of standards-based materials and adopted by the State Board of Education. Instructional materials for grades 9-12 are standards-based and approved by the district’s Board of Trustees. On September 26, 2023, the Santa Ana Unified School District’s Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted Resolution No. 23/24-3534, which certifies as required by Education Code §60119 that for the 2023-2024 school year, the Santa Ana Unified School District has provided sufficient textbooks or instructional materials, or both, that are consistent with the content and cycles of the curriculum frameworks adopted by the State Board, to each pupil including those enrolled in a foreign language or health course, and that sufficient laboratory science equipment applicable to science laboratory courses offered in grades 9-12, inclusive, is available to pupils.

School Facility Conditions and Planned Improvements

School custodial staff and the district's maintenance department work together to ensure classrooms and campus grounds are well-maintained and kept safe and functioning for students, staff, and visitors. Maintenance and Operations (M&O) employs an electronic work order system enabling school staff to communicate unscheduled maintenance needs, urgent repairs, or special projects. Most of the school's repairs and maintenance projects are performed by the district's highly qualified, professional trade specialists. Emergency situations are immediately resolved either by the school custodian or district maintenance staff, based upon the nature of the situation. Day and evening custodians work closely as a team and with the principal for routine maintenance, daily custodial duties, and special events preparations. The principal and day custodian communicate daily to discuss campus cleaning needs and safety concerns. Every morning before school begins, the custodian, principal, and assistant principal inspect facilities for safety hazards, graffiti, and other conditions that require removal prior to students and staff entering school grounds. School safety and cleanliness are the custodians' highest priority and strongly emphasized as a component of their daily routines. Custodians are trained by M&O's administrators on proper cleaning procedures, use of chemicals, and use of equipment. The day custodians are responsible for following an established set of cleaning standards and prioritization procedures for general campus maintenance. The day custodian checks restrooms twice a day as a proactive measure in keeping facilities well stocked, safe, and sanitary. The evening custodians are responsible for thorough cleaning of classrooms, office areas, and restrooms. Groundskeepers are dispatched by the district office to perform general maintenance of landscaping, gardening, sports fields, and irrigation systems.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Parents are encouraged to get involved in Thorpe Fundamental Elementary School's learning community by volunteering their time, attending school events, and sharing feedback during decision-making opportunities. The school welcomes assistance in the classrooms, library/media center, and on field trips when possible.

Thorpe Fundamental Elementary School provides a wide range of opportunities for parents to interact with school staff while supporting their child's academic efforts; these may include:

- Monthly Parent and ELAC meetings with administration
- Back to School Night
- Open House
- Student performances
- PTA Fundraisers
- Music/choir performances
- Classroom and campus volunteer work
- 5th Grade Promotion activities
- Student recognition assemblies
- Parent education training and/or workshops
- Wellness Center - FACE worker to connect with parents and community
- Family Fun Nights
- Lunch with a Loved One
- Family Literacy Events
- Family STEAM Nights

The following campus organizations provide opportunities for parents to have input on curricular programs, activities, and the development of the School Plan:

- School Site Council (SSC)
- English Language Advisory Council (ELAC)
- Parent Teacher Association (PTA)

2023-24 Opportunities for Parental Involvement

Parents seeking more information about becoming an active member in the school community may contact the office staff, assistant principals, or principal at (714) 430-5800 or FACE worker at (657) 595 5199.

School-to-home communication is provided in both English and Spanish. Through routine correspondence and special announcements, parents are kept informed on school news, student activities, schedules, policy changes, and class curriculum updates. The following list includes ways through which parent communication is disseminated.

- ParentSquare Messaging System and text messaging/Class Dojo
- Principal and/or Assistant Principal personalized phone calls/invitations to parents
- School website
- Public Service Channel 31
- School and/or Class newsletters/Class Dojo
- Flyers
- Letters
- School Marquee/Banners
- New Student Orientations
- Email
- Phone Calls

2023-24 School Safety Plan

Safety Plan Approval Date: Apr. 10, 2023

The Comprehensive School Site Safety Plan (CSSP) was developed in collaboration with law enforcement and the District Office to fulfill Senate Bill 187 requirements. The CSSP is managed by the District via Doc-Tracking. The school's most current plan is reviewed and updated to address safety, security and emergency preparedness. Schools are required to review and update their Comprehensive School Safety Plan (CSSP) with their School Site Councils and/or Safety Committees. Each school also meets with Santa Ana Unified School Police annually to discuss egress/ingress, crime data and other factors related to Crime Prevention Through Environmental Design (CPTED).

Professional Development

Professional development (PD) activities in Santa Ana Unified School District are focused on increasing student achievement and proficiency. PD concentrations are selected and identified based on student assessment results, teacher input, Common Core State Standards, professional development surveys, and district initiatives. During the 2022-2023 school year, our staff participated in 18 partial days of staff development opportunities that were offered through the year in the form of after-school workshops, grade-level focus sessions, and individual mentoring.

For the 2023-24 school year, the instructional leadership team has committed to focusing PD on writing, SIPPS, Integration of ELA standards with new Social Studies Curriculum and math instruction. The professional development plan for 23-24 includes 24 partial modified days (two 1-hr PD sessions per month), three full day PD days, and three half day pull outs with curriculum specialists and/or consultants. Additionally, we have ongoing training with district curriculum specialists and future ready coach on math talks, and early literacy (SIPPS) and How English Works (ELD).

Staff Professional Development topics along with the estimated amount of time for each training at Thorpe may include the following:

- Math includes Irvine Math Project, Unfinished Learning, and Strategic Thinking.
- Writing, integration of Social Studies and ELA standards.
- Thinking Maps
- Positive Behavioral Interventions and Supports (PBIS)
- Gifted and Talented Education (GATE)
- MAP data analysis and Using Data to Drive Instruction
- Differentiated Instruction - small group instruction
- Designated ELD
- Smarter Balanced Assessments (SBAC)
- English Language Proficiency Assessment for California (ELPAC)

Santa Ana Unified School District offers supplemental training and support for new and ongoing program implementation. Thorpe staff members have access to these professional development opportunities provided throughout the school year and are encouraged to attend.
