Connecting and communicating with parents is a primary goal a

access information for their children online through a Parent Portal. The portal is a feature that allows for real-time access to student data using any modern Web browser. The portal supports the education and safety of students by facilitating communication between school and home. It provides details on items such as student attendance, grades, and test scores.

Parents access the Parent Portal through a link on their child's school Web page.

Information for using the Aeries Parent Portal is available below, and additional support for parents in establishing and using the Parent Portal is available at your child's school.

Before setting up your accounts you should have received a letter from your child's school to get you started.

get you

To see a sample of the letter from the school select one of the following: **English Sample Letter**
