## PUPIL SUPPORT SERVICES

Stefanie P. Phillips, Ed.D.  
Superintendent of Schools

In Santa Ana Unified School (SAUSD), we have one primary goal – to prepare students with 21st century skills to graduate from high school and to become productive contributors to our society. We take that to heart in SAUSD where all teachers, staff, and administrators have taken a pledge to believe in ALL students and support them to be successful academically, mentally, and social emotionally. We know that when we have high expectations and believe in our students, they excel.

Please join us in getting to know all the amazing programs provided across the District as well as the resources available to you and your child(ren).
