

The LGBT Center OC's Youth Programs

The LGBT Center OC Youth Programs provide Lesbian, Gay, Bisexual, Transgender, Queer and Questioning (LGBTQ) youth and allies a space where they are safe, supported and celebrated. Join us for social drop-in groups, community events, and advocacy and youth leadership programs.

Rainbow Youth Groups

Join us for fun social interaction and engaging discussions where youth make lifelong connections with their peers in a safe and supportive environment. We have many events throughout the year, such as our Queer Youth Prom, beach bonfires, Open Mic Nights, LGBTQ film showings, a Guest Speaker and Poetry Workshop Series, and youth-focused discussions. We also attend community events such as OC Pride, concerts, conferences and more.
