This is an automated email from Duo Security.

Your organization invites you to set up a user account for Duo. You will find instructions from your Duo administrator below. If you have questions, please reach out to your organization's IT or help desk team.

Hello,

Santa Ana Unified School District is now rolling out Duo Security, a friendly and secure way for you to log into your applications. Your administrator has invited you to set up your account for Duo so you can start logging in.

To begin, click this link to enroll a phone, tablet, or other device:

<https://api-efa310dd.duosecurity.com/frame/portal/v4/enroll?code=eace0dd351b3ebed&akey=DA6Y6TWZ9X15C6SO0VO8>

Duo Security is a two-factor authentication service that strives to be easy to use and

2. Click "Start setup"

Protect Your Santa Ana Unified School District Account

Two-factor authentication enhances the security of your account by using a secondary device to verify your identity. This prevents anyone but you from accessing your account, even if they know your password.

This process will help you set up your account with this added layer of security.

[Start setup](#)

3. Select “Mobile phone” or “Tablet”, then continue. The below steps show “Mobile phone” option.
