Chiropractic Benefits

Additional coverage for your HMO Plans

Blue Shield Chiropractic Care coverage lets you self-refer to a network of more than 4,000 licensed chiropractors. Benefits are provided through a contract with American Specialty Health Plans of California, Inc. (ASH Plans).

How the Program Works

You can visit any participating chiropractors in California from the ASH Plans network *without* a referral from your HMO Personal Physician. Simply call a participating provider to schedule an initial exam.

At the time of your first visit, you'll present your Blue Shield identification card and pay only your copayment. Because participating chiropractors bill ASH Plans directly, you'll never have to file claim forms.

If you need further treatment, the participating chiropractor will submit a proposed treatment plan to ASH Plans and obtain the necessary authorization from ASH Plans to continue treatment up to the calendar year maximum of 30 Visits.

What's Covered

The plan covers medically necessary chiropractic services including:

- Initial and subsequent examinations
- Office visits and adjustments (subject to annual limits)
- Adjunctive therapies
- X-rays (chiropractic only)
