benefits

We at the Santa Ana Unified School District believe you are our most important asset. Helping you and your family achieve and maintain good health - physical, emotional, and financial - is the reason we offer you this comprehensive health benefits program.

This year we are pleased to announce minimal changes to your dental plan coverages and minimal increases to your plan cost. However, even though your plans have not changed significantly, you may have different needs than last year.

Open Enrollment is your one-time each year to review your existing elections and make changes to your plans. Add, drop, change plans, or enroll in flexible spending accounts with American Fidelity each year.

While we have made every effort to make sure that this guide is comprehensive, it cannot provide a complete description of all benefit provisions. For detailed information about our plans, you should refer to your plan benefits booklets provided by your insurance provider or summary plan descriptions that are available on our website, www.sausd.us/benefits. The plan benefits booklets provided by your insurance provider determine how all benefits are paid.

The benefits explained in this summary are effective:
July 1, 2021 through June 30, 2022

Who Is Eligible

Full-Time Employees

You are eligible to participate in our benefits program if you are an active permanent or probationary Certificated employee on a contract full-time.

(See Article 15 of the C.B.A. for more details)

Reduced-Time Employees

Certificated employees who voluntarily reduce their contract to less than full-time may receive benefits only if they pay for the difference of their reduce contract.

This is only a summary of the eligibility criteria and is not intended to modify or surpass the requirement of the plan documents and/or the Union contract, and the plan documents/Union contract will govern in the event of any conflict between this summary and the plan documents/Union contract.

When Your Coverage Will Begin

Any **Open Enrollment** elections will begin July 1. Open Enrollment is a window of opportunity, is usually two weeks long, and held near the end of the school year. *Open Enrollment announcements will be sent via email and postcard.*

The plans you choose as a **New Employee** will give you coverage starting on the first day of the following month from your start date. For example, if your start date is on August 14th your coverage will begin on September 1st. *You have 30-days from your start date to enroll or decline in your benefits.*

If you add a **New Family Member** their coverage will begin on the first day of the following month, except for newborn children. Newborn children will be added to your benefits effective their date of birth. *You have 30-days from your marriage or your newborn's birth date to enroll your new family member.*

You Can Enroll During...

Open Enrollment is usually held sometime in April or May and is the one-time each year you can make changes to your benefits without a qualifying event.

Make sure to notify our office right away if you have a **Qualifying Event** and need to make a change to your benefits.

Qualifying events include, but are not limited to, the birth or adoption of a baby or child, loss of other coverage, your eligibility for new coverage, a marriage, or a divorce. You have 30-days to make your changes.

You Can Cover...

Your **Spouse** (the person you are legally married to under State law) including a same-sex spouse. A copy of the County issued marriage certificate is required to add your spouse.

Domestic Partners with proof of a Declaration of Domestic Partnership filed with the California State Secretary. Any premiums paid for by SAUSD for your domestic partner will be deducted on an after-tax basis.

Children including your Domestic Partner's children, adopted children, and/or stepchildren.

Any child over the age of 26 only if they are handicapped and proof of their handicap is provided to our office before they turn 19 years old. *(See Article 15 of the C.B.A. for more details)*

Any child named in a Qualified Medical Child Support Order (Q.M.C.S.O.), as defined by law.

Your children must be under 26 years old. They do not have to live with you or be enrolled in school. They can be married and living on their own.

You Cannot Cover...

Family members who are not eligible to be enrolled under your SAUSD health insurance plan include, but are not limited to, your **Parents, Grandparents** or **Siblings**.

Other than Open Enrollment you can only make changes to your benefits if you have a “*qualified event*” or a “*special enrollment*”. If you have a “*qualified event*” and are eligible to make a change to your benefits you will be required to submit proof of that change or evidence of prior coverage.

There are four basic types of qualifying events. The following are examples and not a full list.

Loss of Health Coverage

If you lose your current coverage, including job-based, individual, and/or a student plan. (*Coverage cannot be lost due to non-payment of premiums*)

If you are no longer eligible for Medicare, Medicaid, or C.H.I.P.

When you turn 26 years old and lose your coverage through your parent’s plan.

Changes in Household

Like getting married or a divorce.

Having a baby or adoption of a child.

Experiencing a death in your family.

Changes in Residence

If you move to a different ZIP Code or County that affects your access to network providers.

Other Qualifying Events

Changes in your income, such as going from full-time to part-time employment, that affects the coverage you qualify for.

A change in eligibility for Medicare or Medicaid.

A court order, including a Qualified Medical child Support Order (Q.M.C.S.O.).

Two rules apply when making changes to your benefits during the year:

1. Any change you make must be consistent with the change in status, *AND*
2. You must notify our office and make the change before or *within 30-days* of the date the event occurs.

You are responsible for notifying our office of your dependent(s) that become *INELIGIBLE* due to a divorce or if they become an overage dependent before or within 30-days of the event. Failure to do so may jeopardize your dependent’s right to COBRA Continuation Coverage.

Coordination of Benefits

Coordinating Medical Benefits

How It Works

One employee of the married couple waives their benefits and their spouse covers them and their dependents.

The Incentive

No medical premium is paid by either employee. The medical cost is waived for both of you and SAUSD covers the cost.

Dual Coverage

How It Works

Both employees of the married couple enroll in their benefits. One spouse pays the higher rate, such as family or two-party, and the other spouse pays the single medical rate.

The Incentive

Copayments and medical services are covered at 100%. If you are enrolled in the Blue Shield PPO, you have to meet both your medical and prescription deductibles before any services are covered at 100%.

SAUSD offers a great way to save money over the course of the year with flexible spending accounts. These accounts allow you to put aside a portion of your salary, on a pre-tax basis, into reimbursement accounts. You can use the money in these accounts to pay for eligible medical and dental expenses.

Plan carefully when you enroll in flexible spending accounts. You may carry over \$500 into the next school year but will forfeit any unused money over the \$500 at the end of the plan year. The end of the plan year for SAUSD is June 30th each year.

Healthcare Spending Account

This account will reimburse you with pre-tax dollars for healthcare expenses not reimbursed under your family's healthcare plans.

The maximum you may contribute to this account per year is \$2,700. SAUSD's plan year begins July 1st and ends on June 30th each school year.

Flex Debit Card

The flex debit card looks and works just like a credit/debit card.

When you pay for an allowable expense, such as a doctor's visit or a trip to the pharmacy, you can use this card and avoid having to wait for reimbursement checks.

Contact American Fidelity for details.

Dependent Care Account

This account will reimburse you with pre-tax dollars for daycare expenses for your children and other qualified dependents.

The maximum you may contribute to this account is \$5,000 per plan year. SAUSD plan year begins July 1st and ends June 30th each school year.

Qualified dependents for this account include your children who are under the age of 13 who you have primary custody of and other dependents of any age who are physically or mentally unable to care for themselves and who qualify.

Note

You may use the Federal childcare tax credit and the dependent care spending account; however, your federal credit will be offset by any amount deferred into the dependent care plan.

F.S.A. Online Store

The F.S.A. online store offers a large selection of products you can purchase with your flex debit card. It takes the guesswork out of what is and what is not eligible for purchase with your F.S.A. card.

The F.S.A. store allows you to:

- Use your flex debit card, or any major credit card, to purchase F.S.A. eligible products.
- Purchase over-the-counter products by uploading your prescription, and
- Order eligible products at your convenience and have them delivered to your doorstep.

If you can use your flex card on the online F.S.A. store, you do not have to submit any receipts since the I.R.S. approves of all the items available on the F.S.A. online store.

Balancing Billing

Non-network providers are allowed to charge you more than the plan's allowable charge. This is called balance billing.

Coinsurance

The cost between you and the insurance company. Coinsurance is always a percentage totaling 100%. For example, if the plan pays 70%, you are responsible for the remaining 30% of the cost.

Copay

The fee you pay to a provider at the time of service.

Deductible

The amount you must pay out-of-pocket for expenses before the insurance company will cover any benefits costs for the year (except for preventive care and other services where the deductible is waived).

Explanation of Benefits (E.O.B.)

The statement you receive from the insurance carrier that explains how much the provider billed, how much the plan paid (if any), and how much money you owe (if any). In general, you should not pay a bill from your provider (except Copays) until you have received and reviewed your E.O.B.

Family Deductible

The maximum dollar amount any one family will pay out in individual deductibles in a year.

Individual Deductible

The dollar amount a member must pay each year before the plan will pay benefits for covered services.

In-Network

Services received from providers (doctors, hospitals, etc.) who are part of your health plan's network. In-network services generally cost you less than out-of-network services.

Out-of-Network

Services received from your providers (doctors, hospitals, etc.) who are not a part of your health plan's network. Out-of-network services generally cost more than in-network services. With some plans, such as HMOs and E.P.O.s, out-of-network services are not covered.

Out-of-Pocket

Healthcare costs you pay using your own money, whether from your bank account, credit card, health reimbursement account (H.R.A.), health savings account (H.S.A.), or flexible spending account (F.S.A.).

Out-of-Pocket Maximum

The most you would pay out-of-pocket for covered services in a year. Once you reach your out-of-pocket maximum, the plan covers 100% of eligible expenses.

Prescription Terms

Brand Name Drug

A drug sold under its trademarked name. A generic version of the drug may be available.

Dispense as Written (D.A.W.)

A prescription that does not allow for substitution of an equivalent generic or similar brand drug.

Maintenance Medications

Medications taken on a regular basis for an ongoing condition such as high cholesterol, high blood pressure, asthma, etc. Oral contraceptives are also considered a maintenance medication.

A brand name drug for which alternatives are available from either the plan's preferred brand drug or generic drug list. There is generally a higher copayment for non-preferred brand drugs.

Preferred Brand Drug

A brand name drug that the plan has selected for its preferred drug list. Preferred drugs are generally chosen based on a combination of clinical effectiveness and cost.
