6th GRADE PARENTS – Take Action by January 31, 2016

CALIFORNIA HAS A NEW IMMUNIZATION LAW

All future 7th graders are required to get a whooping cough (Tdap) vaccine after age 7.

It is recommended that **every** student in grade 6 **present** an immunization record showing a Tdap vaccine after age 7, **before the 7th grade registration process.** Your child's 7th grade registration packet will not be processed without proof of the immunization. As soon as your child receives their shot, **bring in your child's immunization record to your school** or send in a copy.

Call your doctor today. Don't delay! Call your doctor today for an appointment and avoid the rush. For more information, contact your school nurse at 714-480-2200.
