

Candy Sales Fund Raiser

Names	Boxes Sold	Cost Per Box	Money Collected	Profit Per Box	Money Raised	Bonus	Total Earned
Avila	9	12	#	4.5	#	=IF	#
Jackson	8	12	#	4.5	#	=IF	#
Jones	12	12	#	4.5	#	=IF	#
Kim	15	12	#	4.5	#	=IF	#
McFee	6	12	#	4.5	#	=IF	#
TOTALS	#		#		#	#	#

1. Sort Names: alphabetically
2. Add the **Total Earned** Column
3. Money Collected = Boxes sold * Cost Per Box
4. Money raised = Boxes Sold * Profit Per Box
5. Bonus. **=IF** statement. The student will get a bonus of \$5 if they sell that is over 10 boxes. The teacher will lead you through the process writing the formula to have Excel calculate that bonus
6. Use the SUM function to total the columns that have yellow total cells
7. In the Total cells, add Money Raised+Bonus
