We'll LIGHT UP YOUR SHOW

Competition was tough but we were tougher!

Galaxy Glow goes head to head against more than 80 companies

In This Issue

- Bakersfieldpg 1&2
- Season of Giving pg 2
- Chirstmas box..... pg 2
- Employee of the month.. pg 2

As we all know we just finished experiencing our very first trade show at Bakersfield competing in a wide varieties of competitions. Here at Galaxy Glow we are so proud of everyone of our employees for giving it their all during the completion which was of course nerve racking for everyone which is why we would like to take a moment to look back on the highlights on what happened in Bakersfield. Taking us to 9th place on the company catalog for our very first time competing was an immense joy for us in Galaxy Glow. Thanks to the hard work of our employees in Digital media and their leader Ana Hernandez for leading them to a job well done. We would also like to congratulate her for winning in her individual competition which was the apprentice challenge where she met and formed a team with other competitors all the way from New York.

Making it to the to the sweet 16 never tasted so good

Being an emerging company, Galaxy Glow, made it to the final 16 for the Business Plan Competition. None of this would have been possible if not for the committment, hard work, and dedication from CEO Dulce Loza, CFO Kimberly Ochoa, COO Edgar Espinoza, from Finance Brandon Plazola, and Evelyn De La Torre VP Administration. With these experiences under our belt we're on our way to Long Beach to conquer the competition.

Making the Holidays Glows

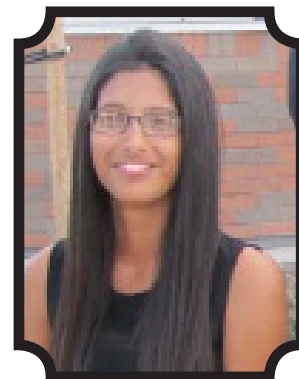

Giving Back locally and internationally

In the season of giving our company decided to give our company employees a well deserved party for all of their hard work and dedication they have given to the company. With all the festivity going around the company, it wa a good opportunity for our employees to bond and to get to know each other better. With everyone's help and with each of them bringing something, we had a wonderful Potluck. From us to you, Galaxy Glow wishes you happy holidays. In addition to this, we had the pleasure to work with the world's largest Christmas project of its kind: Operation Christmas Child. They use gift-filled shoeboxes to demonstrate God's love in a tangible way to needy children around the world since 1993. We fill empty shoe boxes with gifts of toys, school supplies, hygiene items and notes of encouragement.

Way To GLOW! Employee of the Month

Nohely Placido was chosen as our employee of the month . Her hard work and never failed to help her department. Taking charge as the banker of the company was a huge responsibility. We asked her about how she felt being chosen as employee of the month "I feel happy that i was noticed for all my hard work because this job isn't easy at all so its nice being employee of the month.
