## Glow In The Dark Elven Dice

These Q-Workshop glow in the dark elven dice are probably the coolest glow in the dark dice you will see. In the light they appear as a standard 7-dice set of black dice with white numbering and elven designs drawn on the faces of the dice. But turn off the lights and the numbering and designs glow with a green light. When the lights go out the dice will glow very brightly at first, and the glow will fade slowly over time. We will carry this product in green, blue, yellow, and red.
