Company Newsletter

How is going, HelioTech? Are we having a great day? Well, St. Patrik's Day is right around the corner. Everyone make sure to wear green, or else you will get pinched on St. Patrik's Day. To prevent from getting pinched on March 17th, I suggest we wear our company uniforms. It would be a great way to advertise our company and, since it is green it will prevent you from getting pinched by your friends. By the way, if you are going to the Trade Show in New York make sure to pay the rest of your bill to Mr. Gersten. Have a great rest of your month in March.

### Question of the month

Who was St. Patrik's? How do the Irish Celebrate this festive day?

In the Communications Department we are a hard working team. In our department we update our companys daily work life such as upcoming events, birthdays, Trade show events, etc. Every month we update our bulliten board to let the employees know what is going on in the office each month. In the office it gets really busy as we complete daily tasks given from our VP and dedicated to do a good job out of it. Being part of the communications department helps us connect with everyone and have a professional environment in the office.

## OUR BEST SELLING PRODUCT

### Helio Smart Case

The Helio Smart Case gives a longer battery life using solar energy or the option of using the cable your phone uses while offering great protection. Inside, a soft micro fiber lining helps protect iPhones or Samsung devices.
