

May 2019

SOLAR SENSE HELIO TECH

Welcome to the month of May! After last month's break, we're getting ready for summer. Well luckily we only have a month left of work. From community service activities to attending trade shows. This season has produced memories that will last forever. Some of our staff traveled to New York in April for the last Trade Show of this season. Competing in areas such as: Human Recourses, Marketing, Finance, Global Business Challenge, Best Booth, Best Salesmanship, and Sales Materials. Our Representatives came home with an award for Best Booth. Look at our next page for a recap of their trip.

QUESTION OF THE MONTH

What was your favorite experience while working at HelioTech this year?

Tweet Us Your Response @HelioTech20

Employee of the Month

Meredith Linares

Digital Media Associate

The Employee of the Month award was awarded to Meredith this month for her extraordinary work. Meredith is known for her hardworking demeanor and always steps up to the plate when its needed. She has received a Silver award for Elavator Pitch during the Pasadena Trade Show in February. Congratulations to Ms. Linares on her accomplishments.

HELIOTECH

NEW YORK EXHIBITION

HelioTech traveled across the country for the final competitive trade show of this season. As well as an extra week of vacation. We were lucky to have 8 employees travel to represent our company. They visited sites such as the Statue of Liberty,

Empire State Building, the 9/11 Memorial and also attended a Broadway show. The tradeshow went well and employees competed in the Marketing competition and, recieving a Silver Award for Booth Design. All of our representatives have said it was one of the best experiances this year.
