

# POWER TO THE PEOPLE

## EMPLOYEE OF THE MONTH

Our April employee of the month is Alex Castro of the Powercloud sales team. Alex is a great example of an employee that is always on time, and ready to work. He is always finishing his tasks on time in order to help our company grow. Lets never forget how funny he is!

## Company Benefits

At PowerCloud we offer our employees Medical, Dental and Vision plans. Our employees have the option to be a part of the benefits or not to be a part of the benefits. We offer two options for the medical benefits one of them being an HMO and the other being the PPO. For the dental and vision plan PowerCloud is providing two PPO Options which they can join as an individual, with spouse or with family. Our employees will get to sign up for the benefits they would like. The day that they will be able to sign up for these benefits will be on the beginning of August.

## New Policy

Our new company policy is the no cellphone use. To implement phone use to zero minutes by any employee we have improved our cellphone policy. If any employee is caught using their cell phone during work it will be taken away temporarily until they pay a fee. The phone will not be returned even at the end of the day if the fee is not paid. Earphones should also not be used during work hours. The same concept is applied for earphones, if you are caught you will need to pay a fee to receive them back.
