

**Spotlight on Success**

The Class of 2010 has a number of distinguished graduates destined for a bright future. Board members recognized several of these students including 27 from Middle College High School, who have graduated with an Associate of Arts degree. A listing of the students is available at [www.sausd.us](http://www.sausd.us).

The Board also recognized 16 students from the class of 2012, including eight from Saddleback High and eight from Segerstrom High. Thanks to the Simon Family Foundation, these students will receive six years of stipends, and scholarships in excess of \$30,000 each to help fund their college education beginning in their junior year.

Three special seniors are among 1,000 in the nation to receive this year's prestigious Gates Millennium Scholarship, made possible by Bill and Melinda Gates. They include Jannet Sanchez from Century High School, Vy Truong from Saddleback High, and Aura Carrillo from Santa Ana High. Each will receive a full four-year renewable scholarship to the accredited college or university of her choice.

Fabiola Inda-Llamas, an instructional assistant at Lincoln Elementary School, was honored for receiving the Countywide 2010 Classified Employee of the Year Award. Robert Serrano, a custodian at Mitchell Child Development Center, was named the June Employee of the Month for his exceptional service.

Monroe Elementary, Greenville Fundamental and Carr Intermediate schools were named winners of Green School Contest sponsored by the Facilities Dept. for being most improved in energy efficiency.
