

SAUSD Board Highlights Page – September 14, 2010

Summer Reflections

Special guests included Valley High graduate Bryan Galvan and Godinez Fundamental High School senior Ana Rodriguez. Galvan is a 2010 graduate of Valley High School, where he excelled in musical theater. Having earned top billings in the MACY Awards for his performance in the Valley High production Beauty and the Beast (he won Best Lead Actor of the Year), Galvan went on to participate in the nationally highly-esteemed high school musical theater awards held the past summer in New York. He returned to share with Board members and the community a bit about his summer and describe his college experience so far at Fullerton College.

Ana Rodriguez, a Godinez Fundamental High School senior, had the fortune of traveling to the east coast this summer by way of invitation to the U.S. Capitol. Rodriguez was selected by Congresswoman Loretta Sanchez to serve in the U.S. House of Representatives Page Program, which consisted of a three-week summer session of various legislative duties. She shared some insight about the inner workings of congress, her excitement of meeting U.S. Vice President Joe Biden, and described her plans to attend Georgetown University to study communications and political science.
