SUPERINTENDENT'S COMMENTS

Superintendent Russo shared a video clip of Eduardo "Lalo" Garcia, a football player for Century High School. His performance in the game against Fairmont Preparatory Academy was so impressive that NBC TV, Channel 4 sports reporter Fred Roggin contacted Century Head Coach Ted Crego to feature Garcia on his Roggin's Heroes segment highlighting high school football. Century won that that game 48 to 28. The television clip was shown during the meeting.

Ms. Russo welcomed Santa Ana High School Senior Cesar Galvez who has been the first and second Orange County finisher in two invitational meets and has led the varsity team to an overwhelming victory against Segerstrom High School. The Cross Country star stepped to the podium and described his motivation for athleticism. Cesar was recently named O.C. Register Athlete of the Week.

The Superintendent announced that SAUSD schools are observing Red Ribbon Week from October 25 through October 29. Various weeklong activities will be held to educate students about drug prevention and promote awareness of remaining a drug-free environment.

Ms. Russo called upon Mr. Dennis Cole and Reverend Chineta Goodjoin who invited the community to the Rhapsody of Love Benefit Concert on Sunday, November 14, 2010. New Hope Presbyterian Church of Orange is sponsoring the music event. The event will benefit music in Santa Ana schools, with a particular emphasis on Willard Intermediate. Headlining a host of talented musicians and Hollywood, guests will include the Santa Ana High School Jazz Band and Latin percussionist Poncho Sanchez. For more information or to purchase tickets to help keep music in our schools logon to www.newhopencd.org or call 714-288-9986.

On Saturday, October 30, the "Flip the Switch" event to showcase Saddleback High School's new solar project begins at 11:00 a.m. Following the event, the public is invited to a Community Fair and Environmental Expo. Free electronics recycling will be available all day from 10:00 a.m. to 3:00 p.m. For more information, please logon to www.sausd.us or call 714-480-5356.

The Superintendent delivered the annual State of the District on Friday, October 22 to the Board, staff, and the Santa Ana community at McFadden Intermediate School. Tonight, she shared the annual address detailing accomplishments of the school district, students and staff members over the past year as well as recent successes and challenges that lie before the school district. She streamed through the theme "Setting our Course for Student Success" as she steered the course for SAUSD for the 2010-11 school year.

RECOGNITIONS

Above and Beyond the Call of Duty "ABCD" Award - Dr. Manuel Gómez, Ph.D.

The Superintendent, on behalf of the Santa Ana Unified School District, publicly recognized Dr. Manuel Gomez for his dedication to the Santa Ana Unified School District and community.

Dr. Gómez' early emphasis on collaboration has carried over into his work at UC Irvine, where he started in 1972 as a counselor and then director of the Educational Opportunity Program.

In the intervening years, Dr. Gómez has served as assistant and associate vice chancellor of enrollment services, and most recently as vice chancellor of student affairs before retiring in August 2010.

Dr. Gómez has been a significant contributor to the field of education and supporter of SAUSD students. In 1983, UCI was a founding partner of the nationally recognized Santa Ana Educational Partnership. This is an alliance of SAUSD, Santa Ana College, and California State University, Fullerton, which champions academic achievement, and college awareness and preparation among SAUSD graduates. Thanks to the work of the Santa Ana Partnership, 78% of all graduating seniors from SAUSD go on to attend college.

Dr. Gómez's work in the partnership includes authoring grants that brought funding to the SAUSD and the partnership from the Carnegie Foundation, California Academic Partnership Program, Ford Foundation, and

National Science Foundation, to mention a few. Those efforts total over \$30 million in support of our students.

The Superintendent highlighted the many ways in which he has supported SAUSD students, families and community members. Dr. Noji then paid tribute to Dr. Gómez for his outstanding service and dedication to the SAUSD. She noted how his influence has taken him to Washington D.C., to sit in some important meetings with many dignitaries on behalf of education.

On behalf of SAUSD, Board of Education, staff, parents, and students, Dr. Gómez was presented the Above and Beyond the Call of Duty Award.

PRESENTATIONS

Summarized Data of Williams Settlement First Quarterly Report

In order to meet the Williams Settlement Uniform Complaint Reporting requirements, staff is required to report summarized data on the nature and resolution of all complaints on a quarterly basis to the County Superintendent of Schools and Governing Board of school districts.

There were no complaints to report during the first quarter.

Budget Update

Mr. Tsunezumi updated the Board of Education on the State budget, impact to school districts, adopted State budget, and budget reductions.

The State Budget was approved 100 days after the start of the new fiscal year. This delay proposed a one-year suspension of Prop 98, eliminates negative 0.39% COLA and eliminates on-going revenue limit reduction of -3.85% which translates to \$13.8 million for SAUSD. The Jobs Bill award to the SAUSD is \$10.3 million (\$9.2 million already received.) In reference to the American Recovery and Reinvestment Act (AARA) Stabilization, the State is to distribute the remaining 10% funds with an award of approximately \$2 million. He stated that utilizing the State adopted budget assumptions, preliminary projected budget reductions would be adjusted to \$18 million for 2011-12 and \$24 million for 2012-13 opposed to \$31.5 million in 2011-12 and \$30 million in 2012-13. He stated while the budgetary news is welcome, there are some concerns. He said that speculation is that the real budget may include significant cuts to education, and yet to be known until the budget is developed by the new Governor after elections or perhaps in the 2011 May Revise, therefore the SAUSD would continue to conserve.

In closing, Mr. Tsunezumi stated that the District would continue to work collaboratively with our CSEA and SAEA associations and bring reductions to the Board before December 15.
