Recently Santa Ana Unified School District hosted the 5th Annual Senior Transition Resource Day for graduating special education seniors. The resource fair presented options and opportunities available to students as they transition from high school to post secondary education or prepare for a career in the workforce. The WorkAbility Program and Transition Partnership Program featured an array of resources and sessions complete with motivational speakers. A Channel 31 video captured scenes of that day.

The Superintendent announced good news from Tom Torlakson, State Superintendent of Instruction. The SAUSD was named the Top 10, Model Review Attendance Prevention Program for 2011. Ms. Russo stated that the District's School Attendance Review Board (SARB) program is one that the rest of the State can look to as a top model school for attendance. She thanked all those who assure that our students come to school every day.

March is Kindergarten Registration Month. All month long, our elementary schools have invited parents with age appropriate children to visit and make an appointment to register their children for kindergarten for the upcoming school year. Parents of children who are or will be age five on or before December 2 for kindergarten may register at their neighborhood elementary. Any parents with questions may call their local school or 714-433-3481 to get help in identifying their school.

Superintendent Russo announced a new California State Law that affects all incoming 7th-12th graders for the new school year. Beginning in August, these students are required to get a whooping cough booster shot, called Tdap, before entering school. Students who have not received this booster shot before the beginning of the next school year unless they have taken the Pertussis vaccination. SAUSD is encouraging parents to get any child, who will be entering grades 7 through 12, immunized now. By doing so early, and submitting proof to the school's office, parents can help prevent any interruption in next year's registration process. Check with the school nurse, or call Health Services at 714-433-3429 for additional information or log on to www.sausd.us or ShotsforSchools.org

Board President Hernandez announced that the Board of Education is seeking participation from the community, parents, students, and staffs to assist executive search firm Hazard, Young, Attea and Associates in the selection of SAUSD's next superintendent. Everyone is invited to participate in the desired characteristics they would like to see our next leader possess.

Those wishing to be a part of the process may complete an online survey accessible at www.sausd.us or attend an upcoming forum next week on March 16 or 17 at 7:00 p.m. here in the District Office Board Room.

Members of the public or staff may also schedule an appointment on those days between the hours of 8:00 a.m. and 5:00 p.m. to meet with the executive search firm staff, should that timeframe work best.

Mr. Bishop introduced his staff, Ms. Singgih, Dr. Wold, and Ms. Betz. Staff recommends a qualified certification, which means the District may not be able to meet obligations in the current or subsequent two years.

Mr. Bishop provided a brief budget update. He stated that there are one-time resources of approximately \$37 million and the District must be cautious in spending. He then touched on TRANS. The District anticipates successfully closing its \$10 million TRANS later in March. He noted that funds would be available if needed for cash flow purposes. He said that if SAUSD borrows funds, they must be repaid by January 2012. He talked about enrollment loss and that this year it would increase and should reflect in the 3rd interim report. He said that the State Revenue (for second interim) shows an increase of \$2.4 million due to one-time mandated cost reimbursements and the Federal Revenue shows an increase of \$1.2 million due to EERP reimbursement, both being positives.

Mr. Bishop stated that expenditures in certificated salaries showed a decrease of \$2.6 million due to class size monitoring and showed employee benefits decrease of \$2.1 million due to employee plan changes. He also stated that books and supplies showed a decrease of \$1.1 million due to estimated Tier III sweep of instructional materials of \$2.0 million, which will have the effect of reducing budget reductions needed for 2011-12.

Mr. Bishop then discussed budget reduction considerations for 3rd Interim which included Tier III instructional materials, Tier III Summer school, Tier III ending balances (sweeping ending), Second Interim decrease in expenditures, and enrollment and ADA adjustments totaling \$6.5 million.

Next steps include ongoing negotiations with certificated and classified associations for personnel cost reductions and utilization of Jobs Bill funds. He said that at the May 24 Board meeting a presentation of the Third Interim Report identification of remaining 2011-12 budget reductions measures would take place and on June 28 the approval of the 2011-12 adopted budget and approval of remaining 2011-12 budget reduction measures would need to be identified.

- He advised that the City be involved in conversations because neighborhood issues need to be addressed.

Mr. Hernandez:

- He would like to see a plan for Willard with steps beyond cosmetic. He stated that it was a good discussion and was appreciative for it and for parent involvement.
- He acknowledged that good things are happening at Valley: A golfer who never golfed before becomes league champion and girls who never swam before win the CIF league championship. These students that didn't get into Segerstrom and Godinez are achieving. He then noted, if you look at Madison Elementary and the surrounding community, they are perfect examples of individuals who appreciate their community and have accomplished. He then said, as stewards of this District, we must address Willard.
