SUPERINTENDENT'S COMMENTS

Superintendent Russo welcomed SAUSD students and staff back from spring break. Prior to the break, incoming freshmen participated in orientation at their feeder high schools. Ninth graders across the District met their high school faculty and guidance counselors, toured their high school's campus and learned about programs, clubs, and activities that await their arrival in the fall. Channel 31 provided a brief video of the freshman orientation across the District.

Channel 31 shared video highlights of the Districtwide Honor Band and Honor Choir concerts held earlier this spring.

Ms. Russo expressed amazement when she talked about the talent of our students. There is still one more opportunity to catch the spectacular performance of the Districtwide Honor Orchestra Concert. It is scheduled for Wednesday, April 20, at 7:00 p.m., in Segerstrom High School's Theatre. The event is free and open to the public.

Superintendent Russo stated that to more effectively improve communications with the SAUSD community, methods of communication are expanding. The SAUSD Website keeps our publics informed. This month we will be heading into the realm of Social Media by launching a Facebook page and a Twitter account. In addition, many of our parents can track their students' progress through the Aeries Student Information System portal. Alex Ito, Assistant Director of Instructional Technology, provided a brief demonstration on these tools.

Additionally, Ms. Russo shared that SAUSD will be initiating an electronic newsletter to help publicize and promote the outstanding, positive school district news that occurs on a regular basis. If you would like additional information or to subscribe to these network tools, please call the Public Information Office at 714-558-5555.

Ms. Russo reminded the Santa Ana community that students in grades 7 to 12<sup>th</sup> will need to get a whooping cough vaccine, called Tdap, before entering school this August. Students who have not received this vaccine before the beginning of the next school year will not be allowed to enter school. For more information about the whooping cough vaccine, parents or students may check with the school nurse, or call Health Services at 714-433-3429. Information is also available online at [www.sausd.us](http://www.sausd.us) or [ShotsforSchools.org](http://ShotsforSchools.org)

The Superintendent has invited the community to a joint meeting of the SAUSD Board of Education and the Rancho Santiago Community College District Board of Education on Tuesday, April 19, 2011. The Meeting will be held here in our Board Room beginning at 6:00 p.m. Topics to be discussed include joint initiatives and facility master plans.

#### PERSENTATIONS

#### CHANGE IN ORDER OF AGENDA

#### Facilities Update

Mr. Dixon provided an update of facilities funding programs. He described State and Federal funds received and projected revenue from sources such as Measure G sales, the American Recovery and Reinvestment Act, the State, the Emergency Repair Program, and E-Rate reimbursements (matching funds). Mr. Dixon then described savings using critically overcrowding schools, overcrowding relief grant funds, and modernization project programs funds. He next explained projects completed and those currently in construction and their funding programs.

Mr. Dixon stated that due to the instability of the State, Emergency Repair Program projects were put on hold, causing project re-prioritization. He reviewed a list of schools while explaining project savings and asked the Board for their input and consideration. Mr. Dixon presented the list beginning with Mitchell CDC, Garfield Elementary, Santiago K-8, Franklin Elementary, King Elementary, Wilson Elementary, and finally Pio Pico Elementary Schools respectively. Board discussion ensued regarding the number of portables at sites, and the prioritization of schools to be modernized.

With consensus of the Board, Agenda item 15.0 was presented.

**15.0 AUTHORIZATION FOR DESIGN AND INSTALLATION OF CLASSROOMS AT SANTIAGO ELEMENTARY SCHOOL TO ACCOMMODATE K-8 CONFIGURATION**

It was moved by Mr. Reyna, seconded by Mr. Richardson and carried 4-1, Mr. Hernández dissenting, to authorize the design and installation of eight additional classrooms at Santiago Elementary School to accommodate a K-8 configuration.

**Determining Graduates, Non-Graduates and Dropout Rates**

Ms. Miller, Assistant Superintendent Educational Services, introduced Ms. Michelle Le Patner, Director of Research and Evaluation, who provided a presentation on graduates, non-graduates, and dropouts. Ms. Le Patner stated that with the 2010 implementation of the Aeries Student Information system, accurate tracking of records is possible. Discussed were monitoring student graduates entries and exits, the number of high school students who entered and exited SAUSD from 2007-2010, categories, explanation for all exits whether graduates, non-graduates, and dropouts, and an analysis the SAUSD conducted in comparison to the California Department of Education (CDE) calculations.

Ms. Le Patner reviewed definitions of the three types of exits: graduate, non-graduate, and dropout to clarify that a non-graduate is not the same as a dropout. She then referred to the 2007-10 cohort data that showed 2,963 (or 61%) students stayed in SAUSD for four years. She stated that data showed that there were 2,781 graduates, 2,217 non-graduates, and 439 dropouts. These numbers include students in multiple categories. Ms. LePatner stated that the official 2009 California Department of Education rate showed 84.6% and newly amended data from Santa Ana Unified, showed in 2009; the graduation rate was at 85%.

Ms. LePatner stated that every student who entered and exited was accounted for; evidence was collected from every high school and recalculated. She stated that data is accurate with SAUSD at 85% graduation rate and expects growth in the coming years.

This item was removed from the agenda and will be returned to a future Board meeting.

## 20.0 BOARD AND STAFF REPORTS/ACTIVITIES

### Dr. Yamagata-Noji:

- She and Mr. Hernández had the opportunity to meet with students at Century High School regarding a class project. It was a good discussion; it was from food items in the cafeteria to safety. It was particularly important that the students shared that they feel safe on the Century Campus and that the climate is much improved. Dr. Yamagata-Noji thanked administration for being present and for their input.
- She and Mr. Richardson attended the SAUSD Honor Choir recently. It was directed by Christopher Peterson from CSUF. He made a comment similar to "It's not about the kids making good music but, about the music making kids good." She said that that was an interesting comment. Mr. Peterson was impressed with the SAUSD's commitment to music education.
- She also attended Senator Correa's "Women Making a Difference" which was great. Ms. Russo was honored as the Woman of the Year as well as other recognitions that took place that evening. The event was at McFadden Intermediate and appreciated the attention it brought to the District and the comments were nice from State Superintendent Torlakson.
- She announced that there was a joint SAUSD-City meeting and asked that information regarding that meeting be sent to the Board. She said that the City is putting in money for fencing and lighting at Monte Vista Elementary. She said that there was a good discussion regarding Willard Intermediate School. She said that she would like to see the neighborhood where it should be.

### Mr. Richardson:

- He echoed Mr. Palacio's sentiments about students and parents from Valley High School. He said that some students feel that they deserve to know what happened, but due to legal requirements, some things cannot be spoken about.

- Mr. Richardson spoke of students' accomplishments and successes that students have achieved, not only because of those around them, but those things they have achieved on their own. In addition, he said that part of the maturing of students is that they must pick themselves up, dust themselves off, and move forward; this is what Ms. Swerdlow would have wanted. And out of respect for her, there are still a lot of things that need to happen at Valley High School.
- He said that he and Dr. Yamagata-Noji got together with council members Michele Martinez and Sal Tinajero one topic discussed was the Willard neighborhood. They talked about renovations of that school and elimination of portables. Ms. Martinez and Mr. Tinajero talked about various things; including a noontime walk involving stakeholders on April 28. He asked for support and for the community to join efforts to secure funding through the City, which would be a positive thing.
- He and Ms. Russo attended the funeral service of Reverend McReynolds last week and although there were many tears, there was also a lot of laughter. He asked that the meeting be closed in his honor. He also stated that he would like to close in memory of another friend, Royal Spurrier, a 1938 Santa Ana High School graduate, Dollars for Scholars program, a war veteran, was an avid contributor to community services.
