TITLE: Authorization to Obtain Request for Proposals for Fixed Asset Inventory Services Districtwide

ITEM: Consent

SUBMITTED BY: Michael P. Bishop, Sr., CBO, Associate Superintendent, Business Services

PREPARED BY: Kelvin Tsunezumi, Executive Director, Fiscal Services

Karen Aepli, Director, Purchasing & Stores

BACKGROUND INFORMATION:

The purpose of this agenda item is to seek Board approval to obtain Request for Proposals (RFP) for fixed asset inventory services districtwide.

RATIONALE:

At the July 8, 2008, Board meeting the Board authorized District staff to award a Request for Proposal (RFP) for fixed asset inventory services districtwide to American Appraisal Associates (AAA), pursuant to RFP 22-08.

The Governmental Accounting Services Board's (GASB) Statement 34: Basic Financial Statements and Management's Discussion and Analysis for State and Local Governments issued in 1999 calls for state and local governments to report on the value of their infrastructure assets. As a result, the public sector is now required to depreciate assets over their estimated useful life.

The District presently labels all assets of greater than a \$500 purchase price with a property tag bearing a unique number. These assets are entered into Oracle as they are purchased and received and the list is updated as assets are moved and retired. The last complete physical inventory was conducted in 2008.

A physical inventory and accounting of assets should be conducted at a minimum of every other year. This request seeks to obtain a Request for Proposal (RFP) to address the current physical inventory need.

FUNDING:

General Fund: Estimated Cost of \$70,000

Substitution of Subcontractor Southwest Group in place of Letner Roofing

Dear Mr. Thrift,

The purpose of this correspondence is to inform you of USS CAL BUILDERS INC. ("USS") intention to substitute Letner Roofing Co. ("Letner") out of the above-referenced project and replace it with Southwest Group ("Southwest"). Southwest will be executing the performance of Letner's scope of work.

Pursuant to Article 3.4.4 of the General Conditions, the Substitution or addition of subcontractors shall be permitted as authorized under the subletting and subcontracting Fair Practices Act, Public Contract Code section 4100.

Pursuant to Public Contract Code Section 4107, the awarding body may consent to the substitution of another person for an existing subcontractor when "When the subcontractor listed in the bid, after having had a reasonable opportunity to do so, fails or refuses to execute a written contract for the scope of work specified in the subcontractor's bid and at the price specified in the subcontractor's bid, when that written contract, based upon the general terms, conditions, plans, and specifications for the project involved or the terms of that subcontractor's written bid, is presented to the subcontractor by the prime contractor."

Presently, Letner has informed us that it doesn't feel it can perform the project as originally bid due to its current work load and has consented to its substitution on the present Project. As such, USS requests that the Santa Ana Unified School District consent to the removal of Letner and allow the substitution of Southwest in its place.

Please be informed that USS CAL Builders Inc. has evaluated this matter thoroughly and we believe that the decision was made for the benefit of everyone at the Project especially the district.
