**BACKGROUND INFORMATION:**

The purpose of this agenda item is to seek Board approval to amend the Facilities Agreement between SAUSD and El Sol Science and Arts Academy Charter School.

**RATIONALE:**

El Sol Science and Arts Academy of Santa Ana and the Santa Ana Unified School District entered into a Charter Facilities Use Agreement dated June 26, 2007, whereby the District allows use of the District's property located at 1010 N. Broadway in Santa Ana by El Sol for the operation of the El Sol Science and Arts Academy of Santa Ana. The term of the original agreement expired on June 30, 2010. However, the Santa Ana Unified School District Board previously approved amendments to extend the term of the original agreement for an additional thirty (30) days on June 22, 2010 and on September 28, 2010 respectively. The amendment to extend the Agreement approved on September 28, 2010 expires October 31, 2010. All other terms and conditions of the Agreement have remained in effect.

Discussions and negotiations between the parties has resulted in the drafting of a feasible Charter Facilities Use Agreement. However, additional time is required to allow for review and approval of the proposed document by the charter school governing board. To facilitate the process, approval by the Santa Ana Unified School District Board of a third amendment to extend the term of the original Agreement an additional thirty (30) days is being sought at this time. All other terms and conditions of the Agreement will remain in effect.

Pursuant to Section 18 of the current charter facilities use agreement, the agreement may be amended by a written instrument executed by both parties. An amendment to the charter facilities use agreement by and between the parties has been drafted and fully executed by the charter school.

**RECOMMENDATION:**

Approve the Amendment to the Facilities Agreement as drafted.

Although discussions and negotiations between the parties has resulted in the drafting of a feasible facilities use agreement, additional time is still required to allow for review and approval of the document by the charter school governing board and for additional discussion and/or negotiation should it be necessary.

To facilitate the process, approval by the Santa Ana Unified School District Board of a third amendment to extend the term of the original Facilities Use Agreement an additional thirty (30) days, from November 1, 2010 through and until November 30, 2010, is required and is being sought at this time.

All other terms and conditions of the Agreement will remain in effect.

During the additional thirty (30) day extension of the term of the Agreement, the Parties intend to complete negotiation, in good faith, of a long term lease between the Parties for the Charter School's use of the Property.

**AGENDA ITEM BACKUP SHEET**  
**October 26, 2010**

**Board Meeting**

**TITLE:** Approval of Student Teacher and Internship Agreements With Universities

**ITEM:** Action

**SUBMITTED BY:** Juan M. López  Associate Superintendent, Human Resources

**PREPARED BY:** Judy Barden, BTSA Induction Program Coordinator

---

**BACKGROUND INFORMATION:**

The purpose of the agenda item is to seek Board approval on student teacher and internship agreements with: Argosy University, Biola University, Brandman University, California State University, California State University, Long Beach, National University, Pepperdine University, University of California, Irvine, University of Phoenix, University of California Riverside, and the University of Southern California. These agreements will provide additional options for teachers to obtain teaching credentials through coursework and observations. This will allow the District to comply with NCLB requirements.

**RATIONALE:**

The student teacher and intern programs will provide an additional option for staff to complete credentials. Teachers would have a colleague and a university supervisor providing guidance and feedback on the instructional program. The program would assist in maintaining the District's high percentage of Highly Qualified Teachers as required by NCLB.

**FUNDING:**

Not Applicable

**RECOMMENDATION:**

Approve the student teacher and internship agreements with the universities.
