

Sharing our Stories

SAUSD Common Core Winter Family Project Event

Collaborative conversations, citing evidence, and research are three components of Common Core State Standards explored through the **SAUSD Winter Family Project.**

Through weekly activities, families explore the traditions and culture that shape their own stories:

Week 1: The Foods We Treasure

Week 2: The Artifacts We Cherish

Week 3: The Stories We Share

Join other SAUSD families to share highlights from your Winter Family Projects.

Come celebrate the rich traditions of our SAUSD families in a culminating event to be held:

Wednesday, January 22, 2014
