

Practical Ideas to Support at Home

Give One-Get One

I can solve problems without giving up.	I can use math tools and explain why I used them.
I can think about numbers in many ways.	I can work carefully and check my work.
I can explain my thinking and try to understand others.	I can use what I know to solve new problems.
I can show my work in many ways.	I can solve problems by looking for rules and patterns.
