

Santa Ana Unified School District

1 Page SPSA Questionnaire for Board 2015-16

School: **Godinez Fundamental School**

- 1) What is your site doing *differently* this year from last year to improve student achievement?
 - MAP test results are being used to prescribe interventions specific to individual needs.
 - Teacher selected collaboration time has replaced traditional staff meetings. Other hour used to support additional time for teachers to meet on 12 modified days
 - Pilot on-line referral system
 - Parent training – adding additional training based on more parent input
 - Google Docs and Google classroom used increased across campus, Apple TV's used in classes

- 2) What is your site doing this year that is considered *new* to improve student achievement?
 - Chrome books used for all 9th grade purchased by District
 - Chrome books used for all 10th and 11th grade students purchased by site based on parent and student input using site monies and district one time monies for increased access to instruction
 - Support for teachers in instructional technology provided by a full time instructional technology coach
 - Parent and student side-by-side training using chrome books on apps and information appropriate to each grade level. (9-12th grade)
 - COST (Coordination of Services Team) Team added and on-line COST referral form
 - PTSA established at Godinez
 - SARB process evaluated and used effectively for the 2015-2016 school year
 - WIN Program used to increase support for students and to get credit for absent days
 - Successful August Technology Staff development planned based on teacher need and teacher input
 - Workshops and training provided based on teacher needs and input

- 3) What is your site doing *more of* this year to improve student achievement?
 - prescribed interventions specific to individual needs grades 9-12
 - Pilot on-line referral system
 - Parent training – adding additional training based on more parent input
 - Google Docs and Google classroom used increased across campus, Apple TV's used in classes
 - SARBS
 - Monitoring of reasons for suspensions. More negative community activity in park has lead to students feeling less safe walking through park and have brought items to school for security purposes.

- 4) What is your site doing *less of* this year to improve student achievement?

- 5) What is your site doing this year that is *innovative* to improve student achievement?
 - MAP test results are being used to prescribe interventions specific to individual needs grades 9-12
 - Teacher selected collaboration time has replaced traditional staff meeting hour one time a month. Other hour used to support additional time for teachers to meet on 12 modified days
 - Pilot on-line referral system
 - Parent training – adding additional training based on more parent input
 - Google Docs and Google classroom used increased across campus, Apple TV's used in classes
