

I have been teaching here at Washington Elementary since 1993. I grew up in Garden Grove and attended Cal State Fullerton for my Bachelor's degree and Cal State Los Angeles for my Master's degree. My husband is also a teacher for Santa Ana Unified. I have 3 daughters, and two grandchildren. My daughters are Emily, Veronica, and Gabriela. My grandchildren are Ethan and Sophia who also attend school here in Santa Ana Unified. I also have two dogs, Octavia and Kira; and I have a cockatiel named Survivor. I enjoy walking my dogs, hiking, baking, and reading. Washington is my second home.
