

Social Reconstruction Project

Part 1: Find the challenge to focus on, here are just some ideas (Due Monday 10/30)

Challenges of Society

- Materialism (too much trash)
- Obesity (health trends of a certain group)
- Education Gap
- Minimum Wage compared to housing cost
- How America deal with punishments versus other countries
- Immigration (does it hurt or help our economy)
- Teacher:Student ratio and correlation to success
- Male: Female salary
- Minorities in STEM fields
- Does the traditional school work for everyone?

You will need to bring the article that takes about your topic this Monday.

If you don't have access to a printer you can email me the article but it has to be before 6th period starts

nancy.flores@sausd.us

If you find a challenge in our city of Santa Ana faces (extra credit)

Find an article that talks about this challenge and its effects

Part 2: How do you know it is a problem in society? Back it up with research and statistics.

You will need at least one article to support this, more is better. (Due 11/7)

Part 3: Design a solution to reduce or end the challenge to the struggling group that is being affected. How do you know your plan will lead to success.

Find an article of other cities, states, countries that follow something similar to you plan.

(Due 11/17)

Part 4: You will a 350 word reflection about this project.

The outline for this will come in November

(Due 12/6)

Part: 5: You will decide on how to present this to the class, the week before winter break.

- Powerpoint
- Prezi
- Poster Board
- Other

5 students will present each day.

Your presentation should last 8 - 10 minutes

Due for everyone December 11th
