**MacTivity:** Career Interview

Directions: Find an adult in your family or a family friend that you can interview about their current job or career. Politely ask them the following questions.

1. Name of person interviewed:
2. What is their career or job title?
3. What do they do in a typical day at their job?
4. How long have they had this job?
5. What education or training did they need for this job?
6. Did they attend a college/university/career school? If so, which school?
7. What are three things they like best about going to work everyday?
 - 1.
 - 2.
 - 3.
8. What do they like the least about their job?
9. Would they recommend this job to you? Why or why not?
10. On a scale of 1 to 5, rate how interested you would be in having this job one day:
1 (not interested) ----- 3 (sounds interesting) ----- 5 (very interested)
