Building My Portfolio

Building your portfolio starts in Middle School! Keep track of your **involvement** in the areas below because you will need this information for future opportunities like: creating a resume, applying for scholarships, applying for jobs, and applying to college. You should also keep copies of important documents that are proof of what you have done such as: transcripts, award certificates, volunteer logs, etc. Use this MacTivity sheet to help you get started listing and keeping evidence of your involvement in a folder.

***Supply needed for this MacTivity: a folder.** Show this sheet and your folder with evidence of your involvement to your Counselor.
