ACHIEVE3000

The Leader in Differentiated Learning

Step 1: Parent Letter/Carta Para Padres

Dear Parent/Guardian,

Welcome to TeenBiz3000, the online reading solution that reaches every student at his or her own level. Throughout the week, your child will receive reading and writing materials that are not too easy or too difficult, but are **at just the right level to help increase literacy skills.**

Achieve3000's Home Edition - available anytime, anywhere - helps you stay in touch with your child's in-school progress on TeenBiz. Your involvement can go a long way in helping your child perform even better at school.

It's easy to get started with your FREE Home Edition account - and it takes just a minute! Your child's school has already paid for your account. To sign up, just follow these instructions:

1. On your Internet browser, go to portal.achieve3000.com.
2. Enter your child's username and password (see below). Note: For security reasons, passwords are not printed. Please ask your child for his/her password. **If your child does not know his/her password, please contact your child's teacher or Achieve3000 Support at www.achieve3000.com/customer-support or at 877-235-2525.**
3. Click the arrow by his/her name at the top of the screen. Then, click *Create Parent Login*.
4. Enter your security code (see below) and answer a couple of questions.
5. The system will display your Home Edition username and password. Record this login information somewhere safe. You will need it to access TeenBiz in the future.
6. Log in and get started!

Your child's username: aescobar6s

Your child's password: *****

Your security code: S296793316

Step 1: Teacher send
"Home Setup
Instructions Letter"
Home to Parents

Paso 1: Pide la carta
de "Instrucciones
para crear cuenta
Hogar" del Maestro

Step 2: Security Code/Codigo de Seguridad

In your Internet browser, go to portal.achieve3000.com.
Enter your child's username and password (see below). Note: For security reasons, passwords are not printed.
Please ask your child for his/her password. **If your child does not know his/her password, please contact your child's teacher or Achieve3000 Support at www.achieve3000.com/customer-support or at 877-235-2525.**
Click the arrow by his/her name at the top of the screen. Then, click *Create Parent Login*.
Enter your security code (see below) and answer a couple of questions.
The system will display your Home Edition username and password. Record this login information somewhere safe. You will need it to access TeenBiz in the future.
Log in and get started!

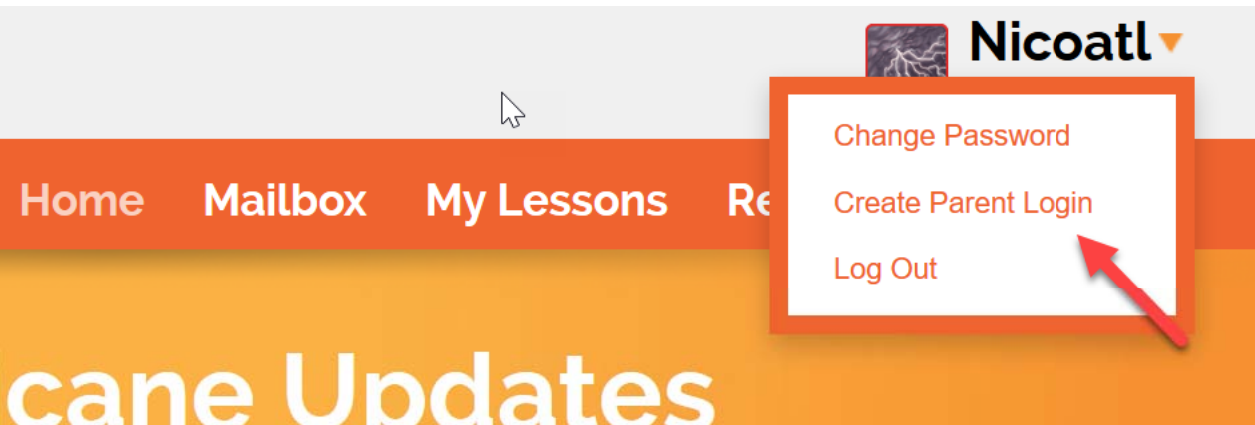

Your child's username:	aescobar6s
Your child's password:	*****
Your security code:	S296793316

Step 2: Find your student's username/Password and Security Code

Paso 2: Localize el Usuario/Contraseña y código de seguridad de su alumno(a)

Step 3: Create Parent Login/Crear usuario del Padre de Familia

Step 3: Log in with your student's username and password, click on Create parent Login.

Paso 3: Entrar al Sistema con el usuario y contraseña de su alumno(a), haz clic en "Create Parent Login"

Step 4: Enter Security Code/Ingresar el código de seguridad

**PARENT
SETUP WIZARD**

Please enter your parent security code:

Code

Cancel **Next >**

Step 4: Enter Security Code and then click "Next".

Paso 4: Ingrese el Código de Seguridad, y Haz clic en "Next"

Step 5: Enter Personal Information/Ingresar Información Personal

Step 5:

Enter your security code (see below) and answer a couple of questions.

The system will display your Home Edition username and password. Record this login information somewhere safe. You will need it to access KidBiz in the future.

Log in and get started!

Paso 5:

Haga clic en la flecha enseguida del nombre de su hijo(a), en la parte superior de la pantalla. Luego, haga clic en *Crear código para padre o tutor*.

Ingrese su código de seguridad (ver abajo) y conteste un par de preguntas.

El sistema mostrará su nombre de usuario y contraseña para la Edición para el hogar. Anote este código en un lugar seguro. Usted lo necesitará para poder acceder a KidBiz en el futuro.

Ingrese su nombre de usuario y contraseña y ¡está listo para comenzar!
