Public Comments at Board Meetings

The agenda shall provide members of the public the opportunity to address the Board regarding agenda items before or during the Board's consideration of the item. The agenda also provides members of the public an opportunity to testify at regular meetings on matters which are not on the agenda but which are within the subject matter jurisdiction of the Board.

Individual speakers are allowed three minutes to address the Board on agenda or nonagenda items. The Board may limit the total time for public input on each item to 20 minutes. With the Board's consent, the Board President may increase or decrease the time allowed for public presentation, depending on the topic and the number of persons wishing to be heard. The Board President may take a poll of speakers for or against a particular issue and may ask that additional persons speak only if they have something new to add.

The Board urges that complaints and derogatory remarks against a District employee be made in writing on forms available in the Office of the Superintendent. This allows the District and the Board to examine more carefully the complaint and to initiate the appropriate investigation.

Persons wishing to address the Board on an item on the agenda or an item of business in the Board's jurisdiction are requested to complete a card. This card is to be submitted to the Recording Secretary. The *Request to Address the Board of Education* cards are located on the table in the foyer.
